"In the last days, I will  
pour out My Holy Spirit  
upon all mankind, and your  
sons and daughters shall  
prophesy, and your young  
men shall see visions . . ."

... a hungry  
war-stricken child  
finding nourishment  
beyond satisfaction  
of hunger;

... the black man  
sharing with  
his white brother;

... an apathetic student  
finding his  
identity  
through involvement;

... a new world—  
not artificial with  
neon brightness,  
but the glow  
ignited by caring,  
sustained by loving;

... a new dimension—  
not through  
mind expanding drugs,  
but through the  
life expanding power  
of Jesus Christ.

We, the students of  
Northwest Nazarene College,  
pledge our dedicated  
service and whole-hearted  
efforts toward making this  
college an oasis in man's  
thirst for knowledge and  
a stepping stone in man's  
search for God. We are  
a living force, fused  
through the fellowship of  
love and the oneness of  
the Spirit.

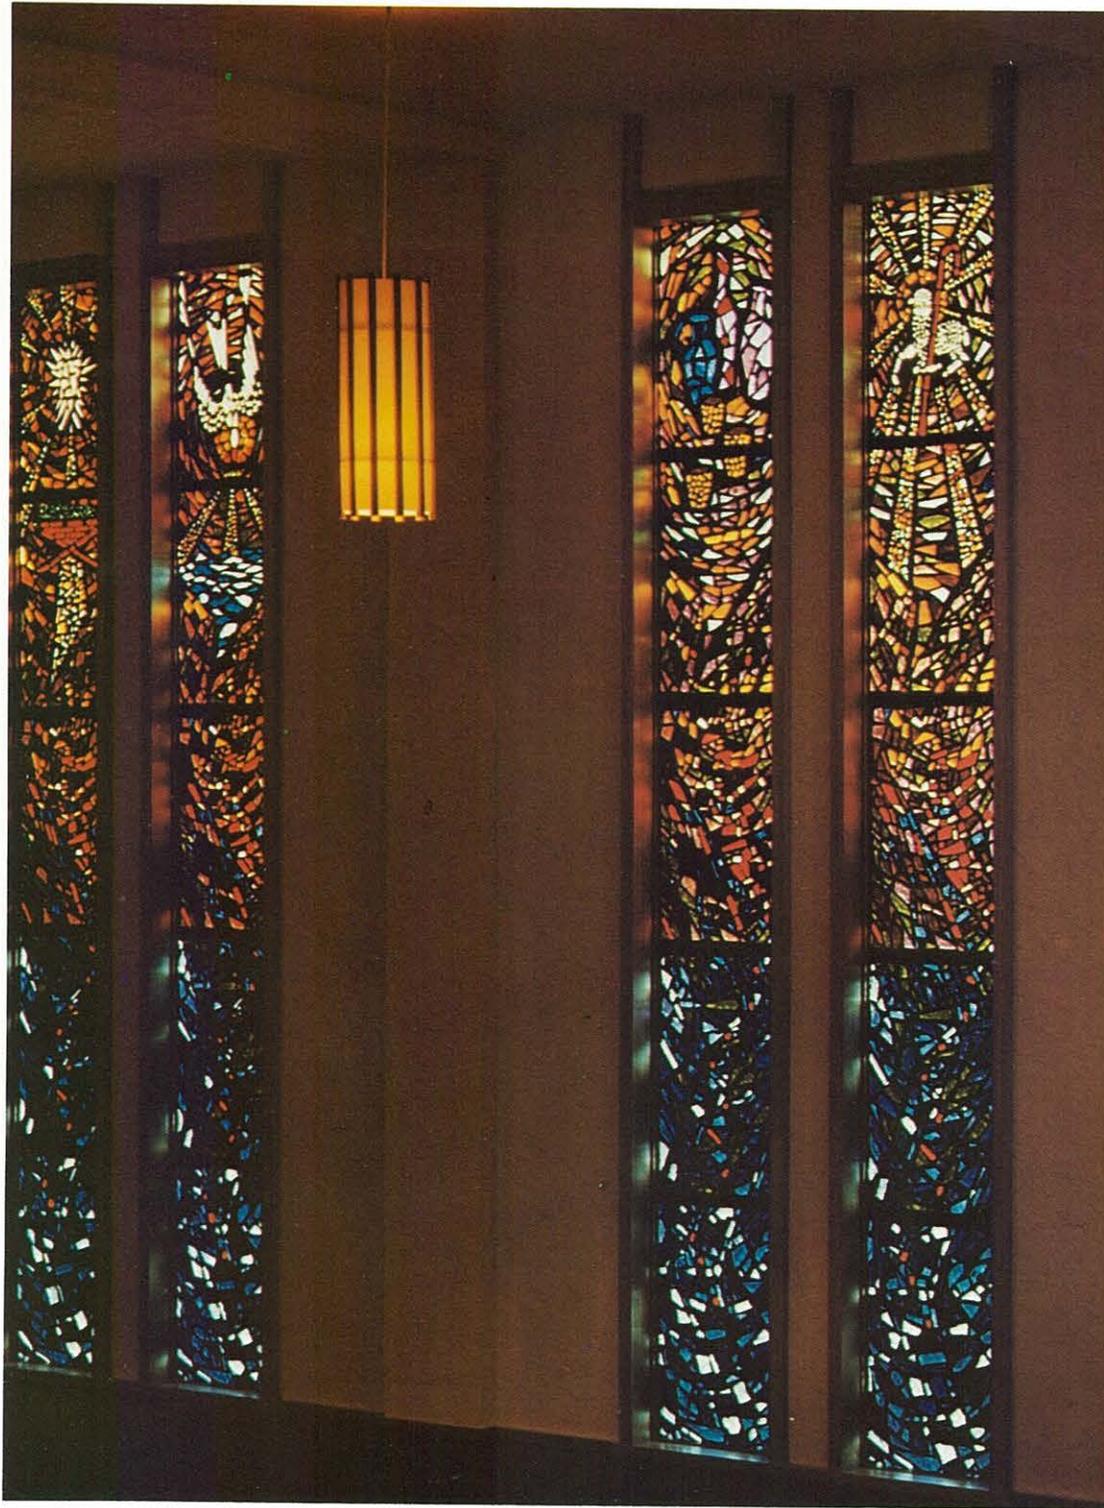

Together—  
we can work it out.

When you're weary, feeling small,  
When tears are in your eyes,  
I will dry them all;  
I'm on your side.  
When times get rough  
And friends just can't be found,  
Like a bridge over troubled water  
I will lay me down.

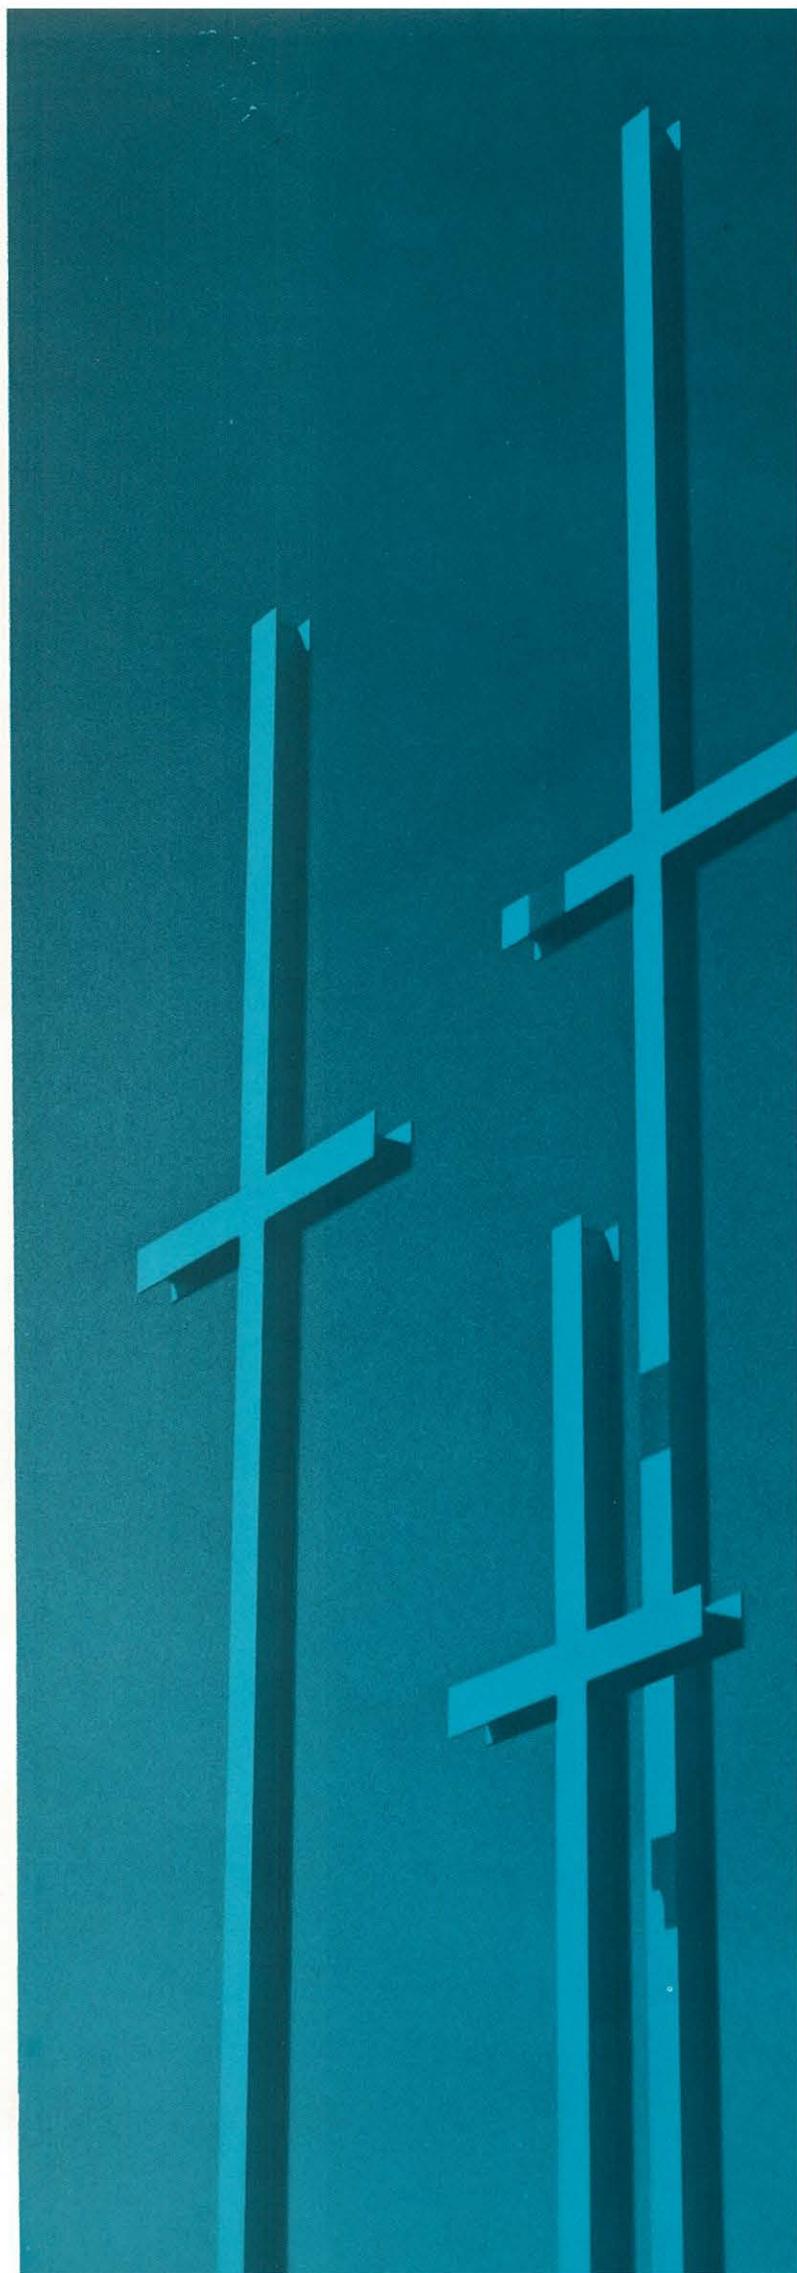

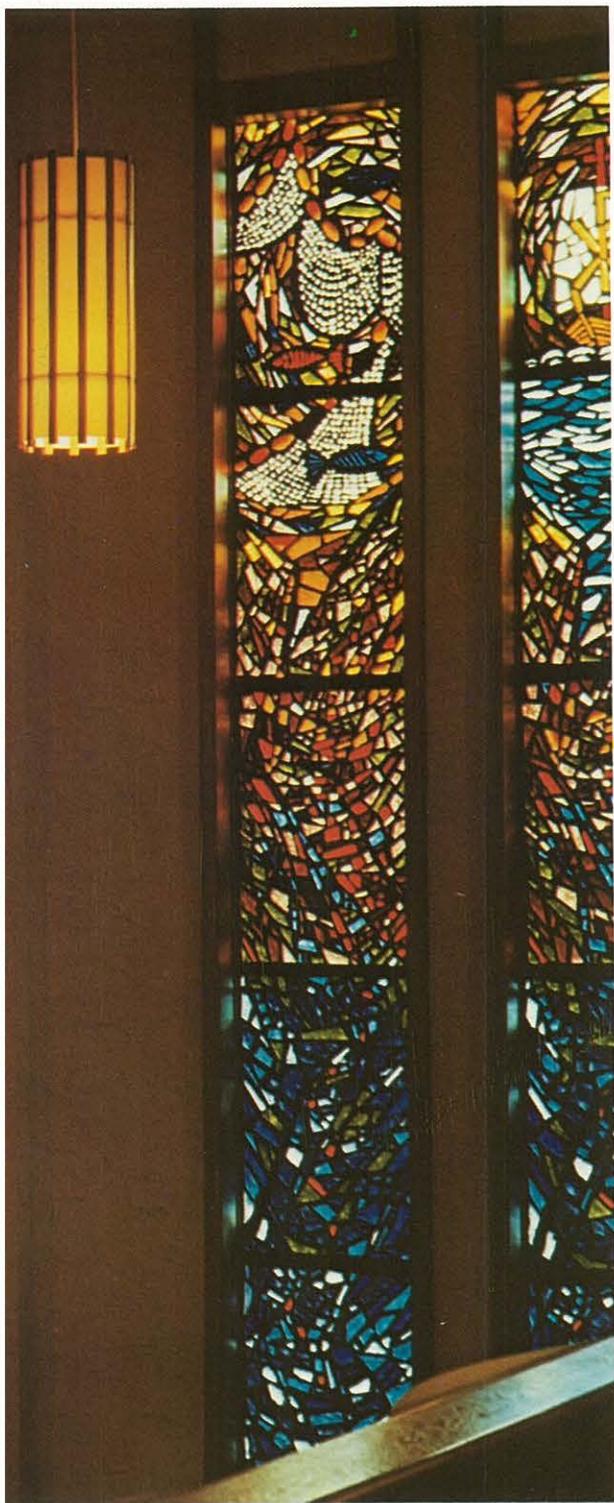

When you're down and out  
When you're on the street,  
When evening falls so hard  
I will comfort you.  
I'll take your part.  
When darkness comes  
And pain is all around,  
Like a bridge over troubled water  
I will lay me down.

Sail on silvergirl,  
Sail on by.  
Your time has come to shine,  
All your dreams are on their way.  
See how they shine.  
If you need a friend  
I'm sailing right behind.  
Like a bridge over troubled water  
I will ease your mind.

5-6 Student Leaders Retreat.

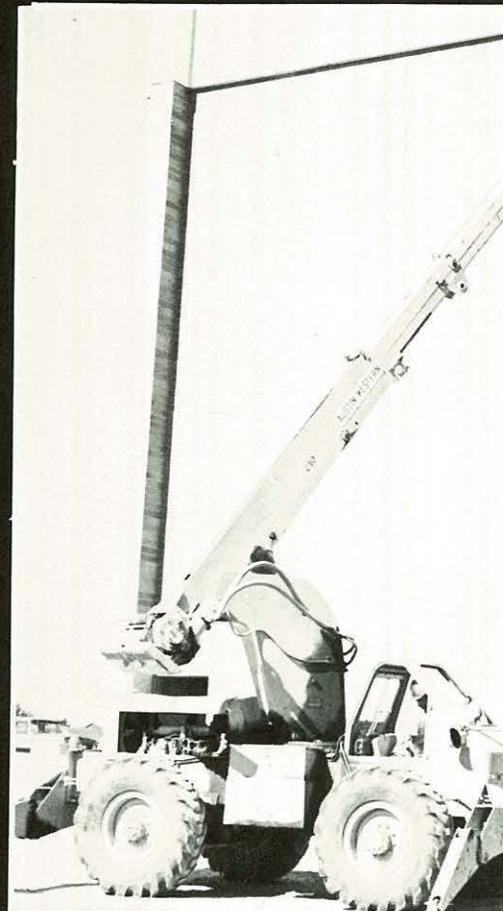

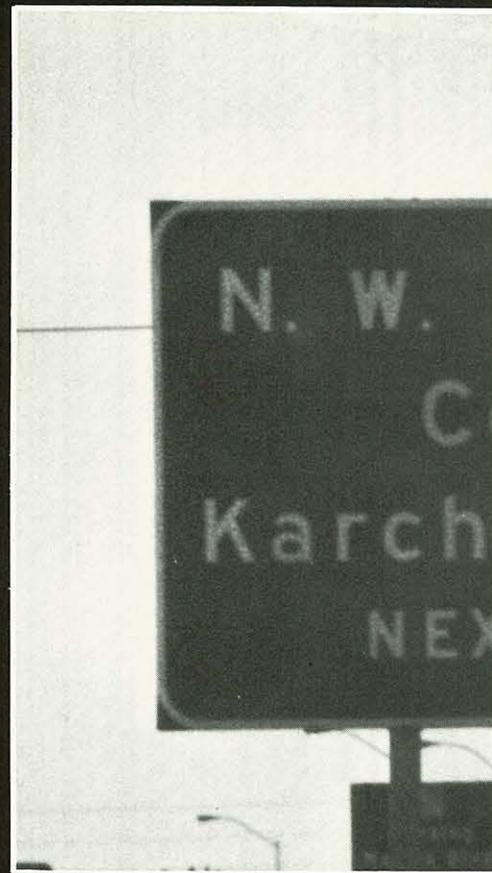

14 Registration began.

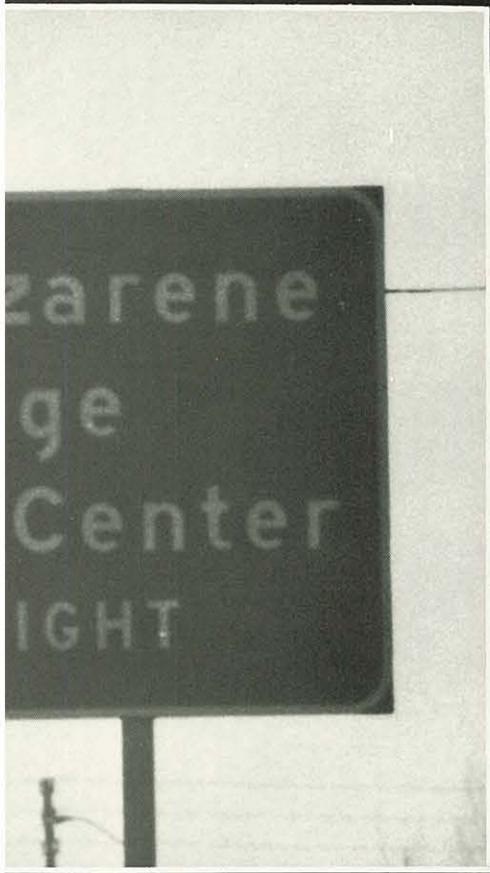

With enfranchisement of 18-21 year old age group, ASNNC sponsored first voter registration in conjunction with normal registration activities. 220 students registered for Idaho elections as Idaho residents.

22 Gym officially named for Kenneth R. Montgomery. (gym pictured p. 138)

Culver Hall girls given privilege of pass keys.

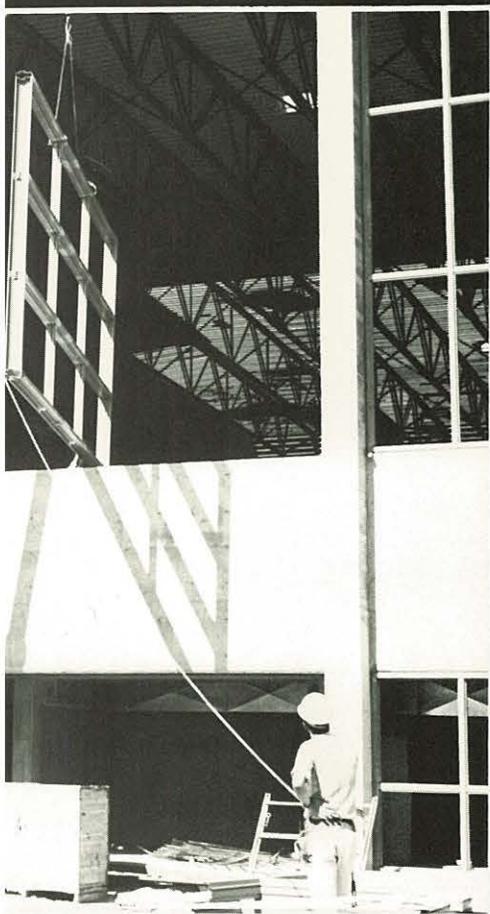

23 Because of reorganization of committee structure during Summer, ASNNC Senate appointed committee members in Fall instead of Spring. (committees shown in organizations section)

You opened up your heart  
to me,  
And shared a little of its contents  
with me,  
And in you,  
I found me.  
Not the me that I am,  
but the me that I could  
that I should be.  
I hesitate slightly  
and question my strength  
Yet I find that, too,  
in you.  
Now I know that  
I am not alone.

## WELCOME FRESHMEN!

Today you are embarking upon a most significant period of your life — your college years. These years will have profound effects on your life. You will make friendships and develop ideas and concepts that will enrich the entire remainder of your life.

The course of our lives is often determined by the choices we make. I want to congratulate you for an excellent choice you have made—the choice to come to college. Furthermore, I believe you have made a wise decision in selecting not just any college, but a liberal arts college. The liberal arts college provides an ideal setting intellectually and socially for those years of growth and maturation between high school and full adulthood.

I want to congratulate you also for having chosen a Christian college—a college devoted not only to helping you achieve your highest goals intellectually and socially but also spiritually and morally. Our aim at Northwest Nazarene College is to assist you in becoming the best, the happiest, the most successful person possible. You can develop to your highest potential only to the extent that you integrate your whole being around the Truth as expressed by Jesus Christ.

Our goal at this Christian college is to fulfill the wish expressed by John Wesley, "Let us unite these two so long divided—learning and vital piety."

## Buckaroo

The city of Nampa  
welcomed back its  
NNC students  
with hot cakes  
and sausage.  
The quality and quantity  
of the food  
made it worth  
crawling out of bed  
on a chilly Saturday  
for an early breakfast.

## Registration

Endless waiting, forced smiles,  
frustrated confusion—  
It was all a part of  
Registration Week.

A novel experience for freshmen—  
new friendships and a fresh  
sense of independence  
mingled with a tinge of homesickness.

During three days  
of extensive testing,  
students were literally  
“Shaken down, sized up, and searched out.”

Two Iranian boys,  
perplexed by the intricate  
vocabulary portion,  
Were seen applying the only sensible  
method in their case—  
they tossed a coin.

Returning students began  
the process of reorientation,  
renewing friendships,  
and starting with  
a new determination.

To all students it was  
a culmination of grades, ideals,  
hopes and achievements—  
not to hold one back,  
But to extend a challenge  
to go on,  
to excel,  
to succeed.

## Student Faculty Reception

Changing from the  
traditional setting  
of Saga tables,  
the Student-Faculty  
Reception line  
moved into  
the brisk, cool air  
on the patio.  
With cold hands,  
but warm hearts,  
each student  
shook the hand of  
a faculty member,  
smiling, and feeling  
the sincerity behind  
that returned  
smile.  
These are people  
who care—  
the backbone  
and support  
of NNC,  
Giving their time,  
effort,  
and a part of  
their lives  
to help further  
the goals  
of their students.

## Fresheree

Orientation to social life  
began the day before  
classes started  
and helped ease  
the tension  
and break  
the ice  
as new friendships  
formed  
at the Fresheree.

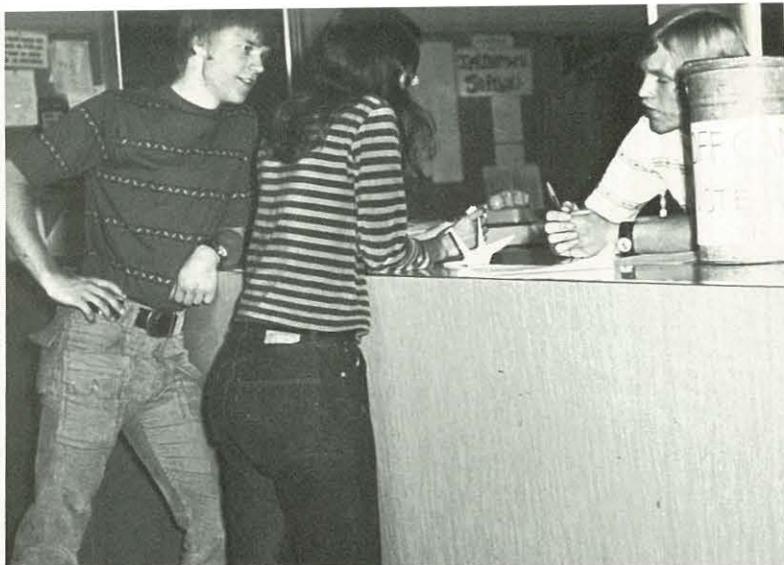

The freshmen  
smugly watched the  
ASNNC officers  
properly introduced  
as a pie  
was thrown into each  
officer's face.

Left: Steve Smith

Right: Brad Arnesen, Sheri Carlson, Steve Dickerson.

## Initiations and Elections

Initiations and elections were two highlights of the freshman's first term of college.

Elections were to become commonplace, And the real initiation had just begun.

## Book Exchange

A new innovation—  
ASNNC Book Exchange.  
Students deposited  
their books  
at the counter  
and shopped  
for others  
they needed the  
following term.  
Later they returned  
to collect their  
money  
or unsold  
books.

## Founder's Day

Dignity has always  
had its place  
among our  
Founder's Day Convocation.  
This year, Dr. Samuel Young,  
A General Superintendent  
of the  
Church of the Nazarene,  
gave facts  
and statistics  
of NNC  
and her past.  
Even with the sparkle  
and magnetic charm  
of Dr. Young,  
the statistics failed  
to capture  
the interest of  
some students.

## AWS Fashion Show

Graceful beauty  
and contemporary style  
reigned at the annual  
AWS fashion show.  
Clothes from dress shops  
throughout the Nampa area  
were modeled by  
AWS officers  
for NNC's fairer sex.

## Closed Night

Closed night was not a total failure, however three society parties slightly lost out to the SLA, Athenian, LSP sponsored event featuring "The NNC Theater" and the controversial "The Great Race."

While a hayride and a rented "Chalet" have a time and place Obviously they couldn't compete with the daring presentation in the Science Lecture Hall.

## Saga

It was not  
like Mom's cooking,  
but then Mom  
didn't have to cook  
for 800 people  
every day.  
And even she  
couldn't always compete  
with Saga  
when it came to pizza,  
double burgers,  
and chocolate chip cookies.

# Student Center

The Student Center—  
common grounds  
for off campus  
as well as

on campus students

To check for mail,  
plan meetings, parties,  
and banquets through  
the Student Center Director,

To check for mail,  
to study and observe  
in the lounge, and

To check for mail.

Guys sat

on the counter,  
while waiting  
in the Saga dinner line,  
and watched  
the girls go by

To check their mail.

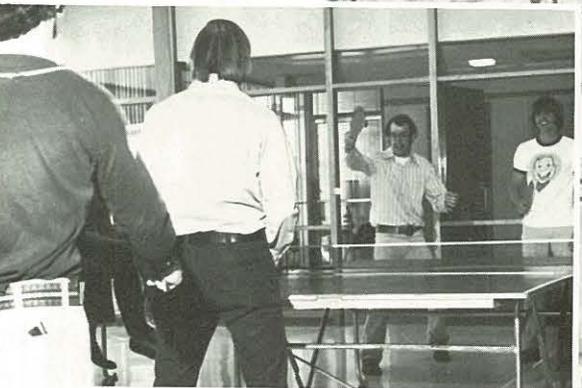

You could watch  
color T.V.,

when it was working,  
even though  
it wasn't always  
the right color.

You could step into  
the ping-pong room,  
and if  
you had a dime  
you could  
buy a ball  
and play.

You could stop by  
the stereo room  
(if it wasn't occupied)  
and listen to  
your favorite album  
(but you usually  
wouldn't go alone).

And just for good measure  
you could check  
for mail.

## The Inn

If you wanted a break  
during the day  
the Inn  
made a comfortable place  
to come  
and have a coke.

You could study,  
talk,  
or just sit—  
it didn't matter.

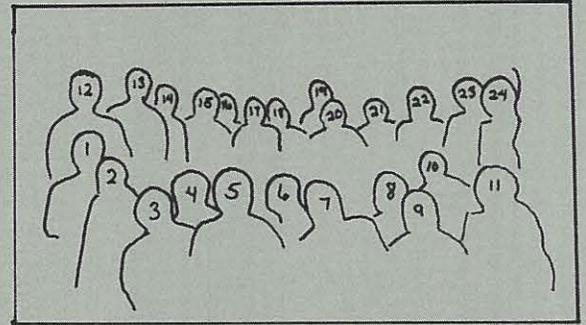

In the evenings the Inn  
was open till dorm hours—  
you could play  
the juke box  
or just stay  
and rap  
with your friends.

## Fall Revival

Dr. John Knight's  
opening theme in the  
fall revival was  
"I am debtor."

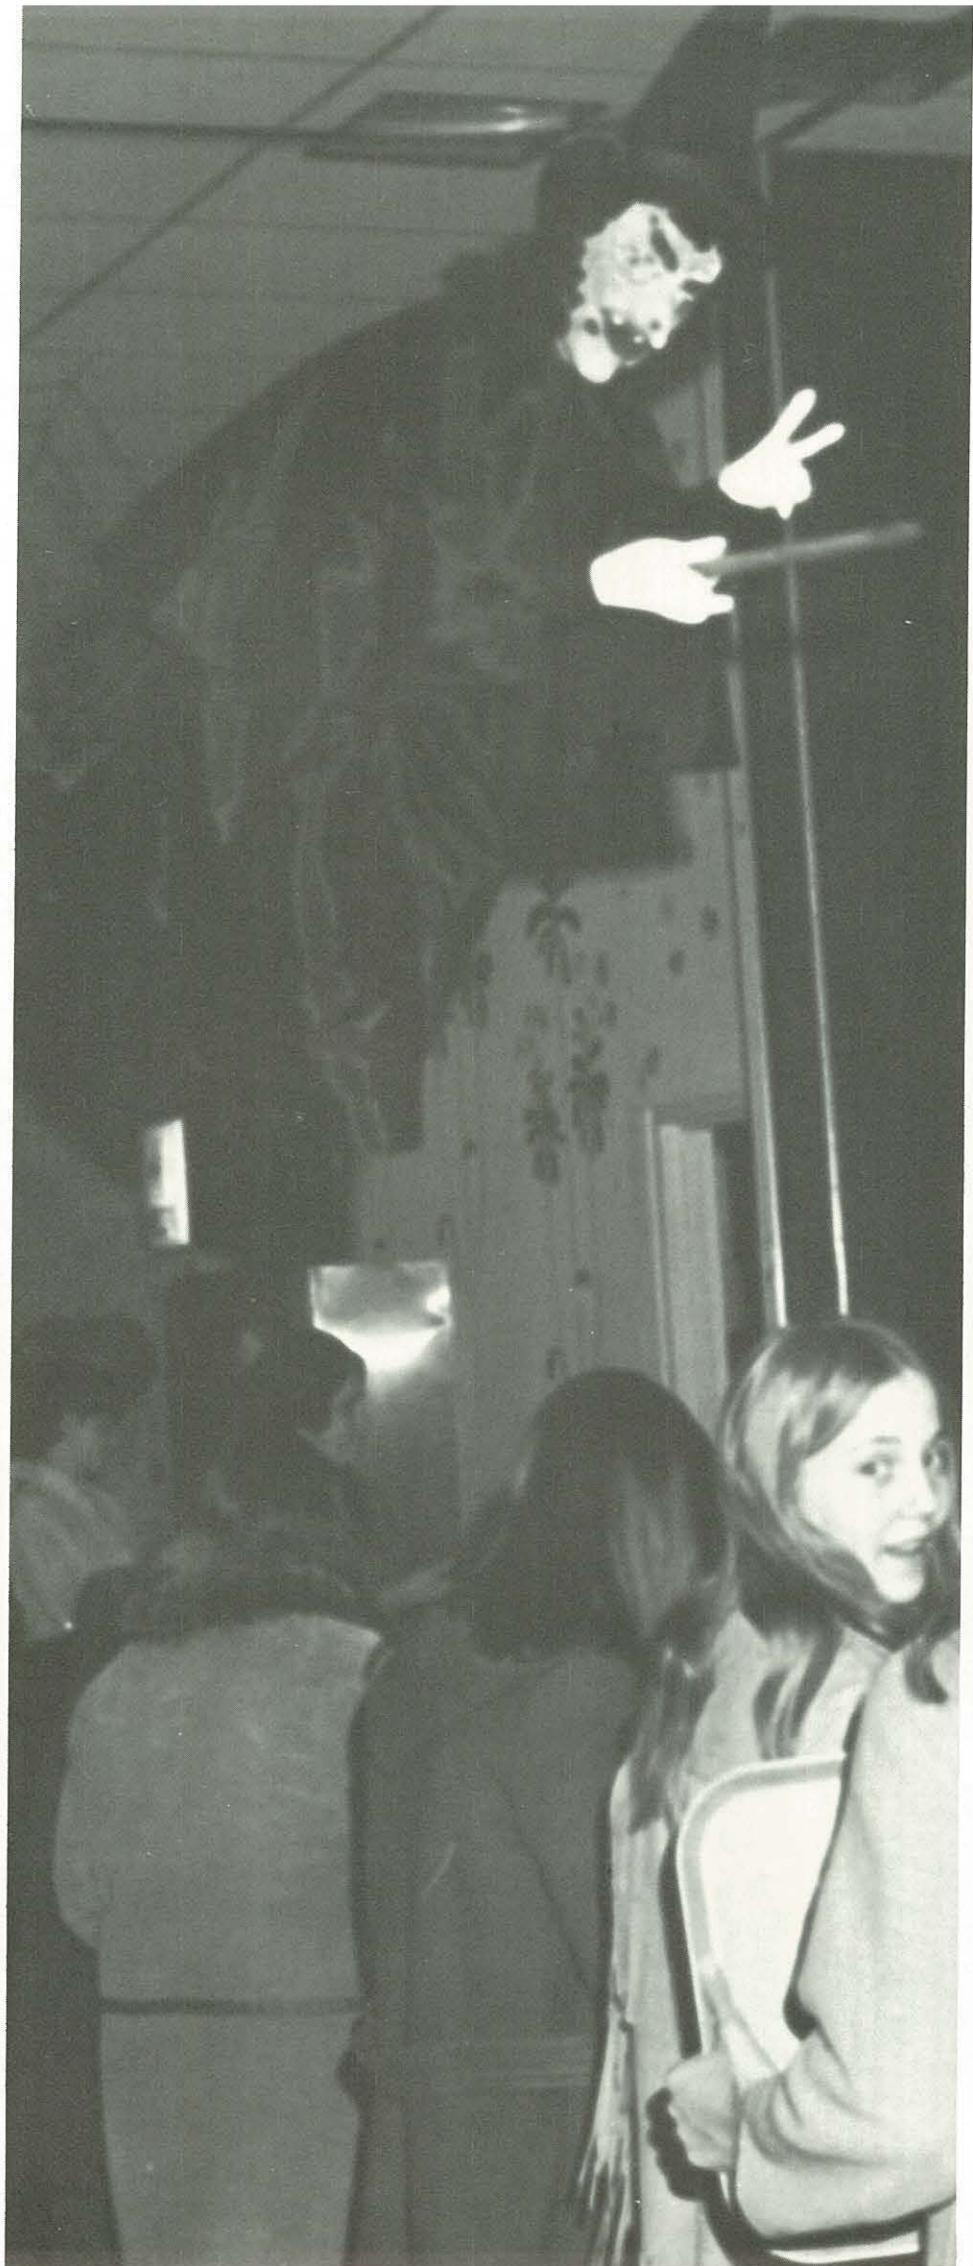

As the week progressed,  
his theme was expanded  
to express God's love  
and sacrifice for man,  
as he urged students  
to dedicate their lives  
in service  
for God and  
His Kingdom.

## Saga Halloween

Saga conferred with the witches  
and stirred up a brew  
to tempt  
any "spooked" student.  
A few students  
bravely came in costume  
to compete for  
the prize  
offered by Saga.

## Halloween

Twirp week officially ended  
with the Halloween party  
Sponsored by ASNNC,  
held in the  
National Guard Armory.

The entertainment included  
music of varied types  
and tones,  
Movies attempting to chill  
and thrill,  
but mostly evoking smirks  
and laughter  
And finding "King Beard"  
by testing  
the bristles on his chin.

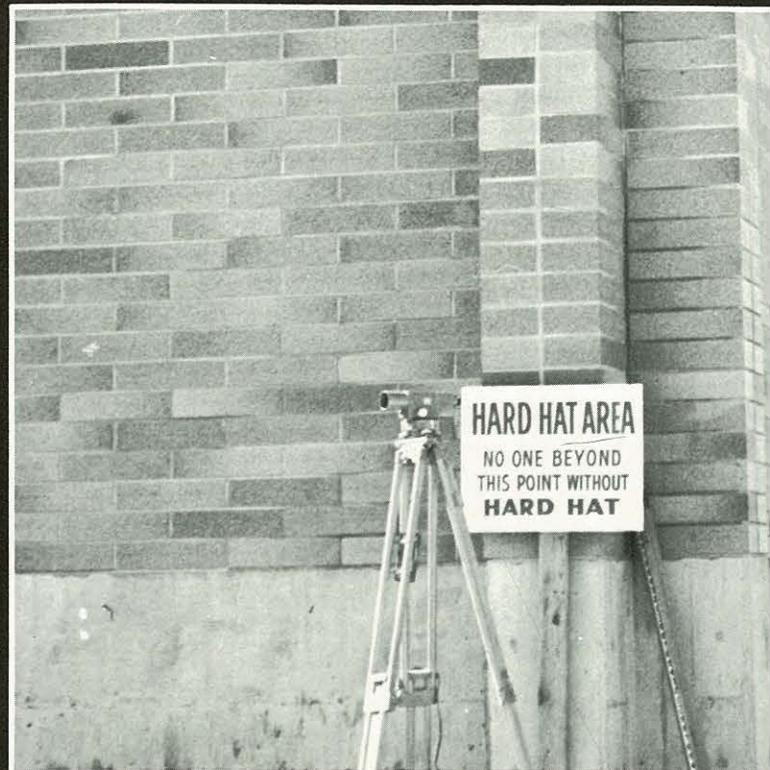

The ride home in an  
open cattle truck  
was a bit soggy,  
But the rain did little  
to dampen student spirit.

# November

- 7-12 Faculty Preaching Mission featuring Dr. Howard Miller, Dr. Mary Shaffer, and Mr. Harold Weber.
- 9 ASNNC Senate sent resolution to chairmen of national committees dealing with Foreign Aid Bill, supporting re-evaluation of Bill, and supporting funding of voluntary organizations of the U.N. This resolution was later passed by the Idaho Student Government Association and sent to all Idaho congressmen.
- 19 KCRH open house.
- 20 End of ASNNC sponsored Thanksgiving food drive for needy families.
- 25 Coffeehouse opened.
- 26 Liz Mosteller crowned Homecoming Queen.
- 29 Student Life Policy Committee redefined NNC's entertainment policy to include the showing of pre-viewed movies on campus.

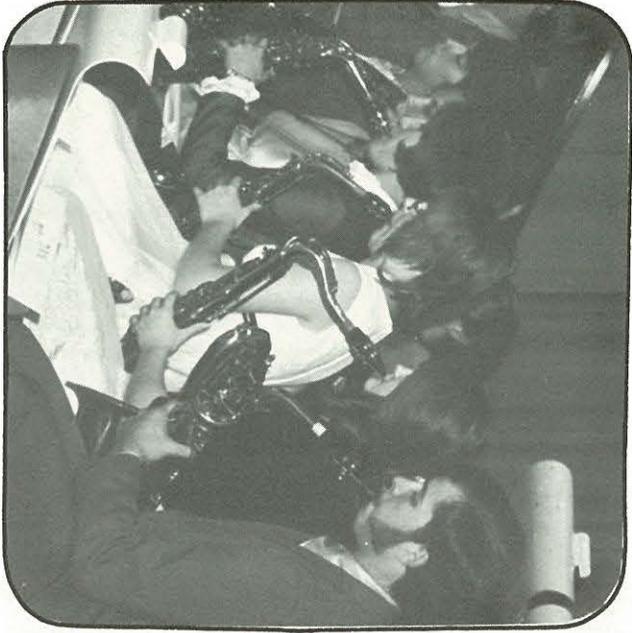

## STAR CHOSEN

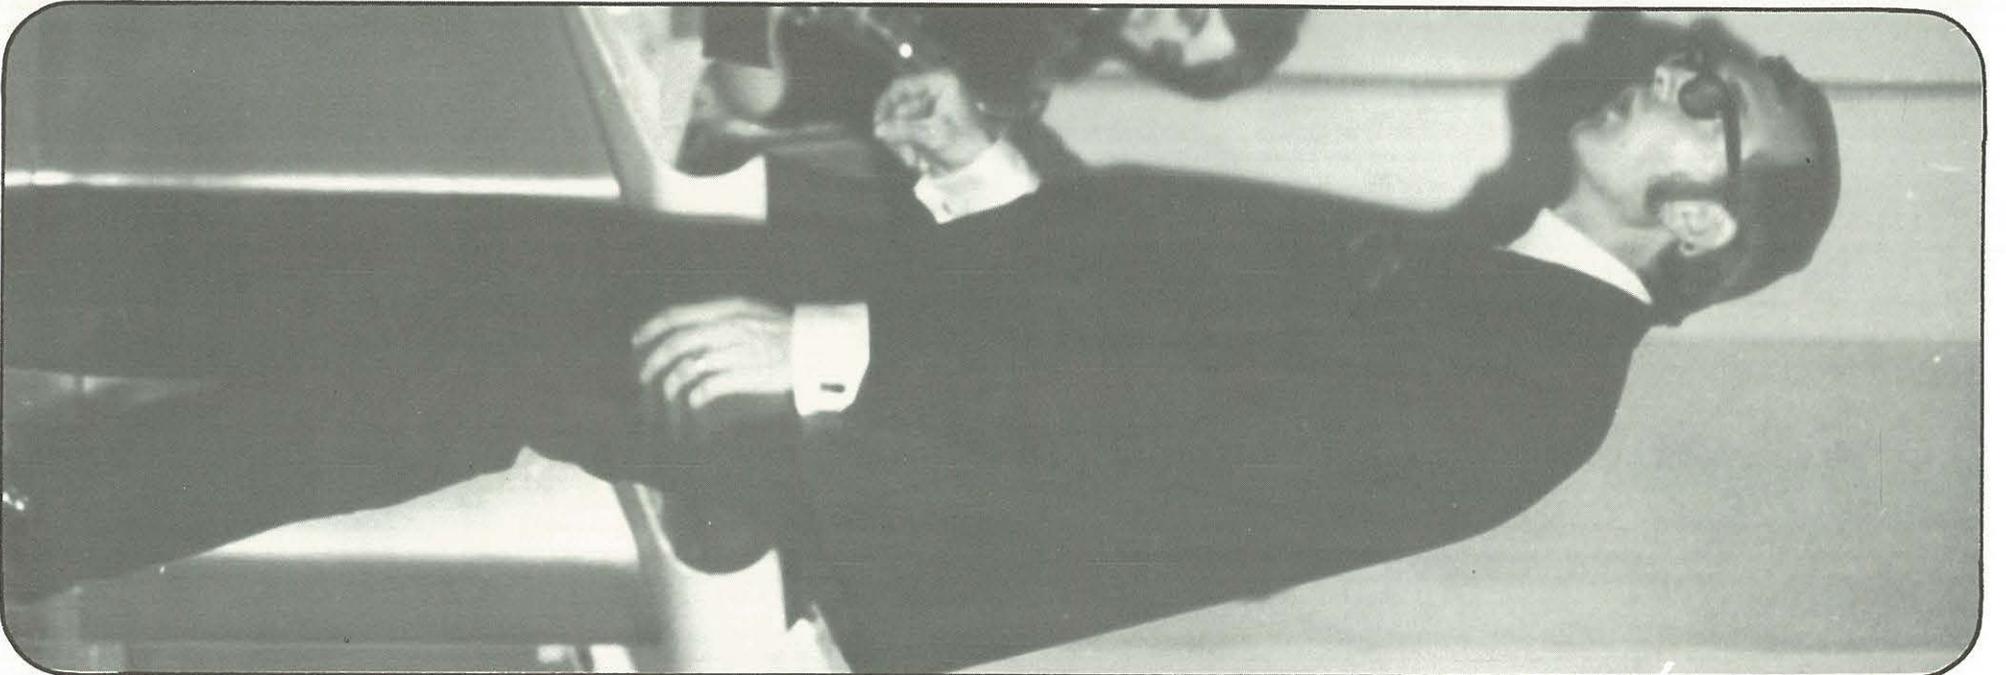

Is,  
In speechless wheel-glowing  
Night,  
One voiced star,  
There.  
I,  
In distant, 'saulting  
Wander  
Through inside;  
Am purposed,  
Called in pulse-song;  
Though I dream, drifting  
A-night.  
Star,  
Though distant now;  
Then  
Shall fire me,  
And I shall burn eternal.

## STAGE BAND IN CONCERT

Jim Willis directed  
NNC's Stage Band  
and contributed  
to the over-all success  
of the  
"Three Rivers" concert.

From jazz and popular numbers  
to easy listening,  
the Stage Band  
pulsated music that was alive  
and entertaining,  
and the audience responded  
with enthusiastic applause.

A feminine touch was introduced  
this year by  
the addition of  
seven female students  
to the band,

Revising an age-old tradition  
which excluded  
women students  
from the group.

## Concertino

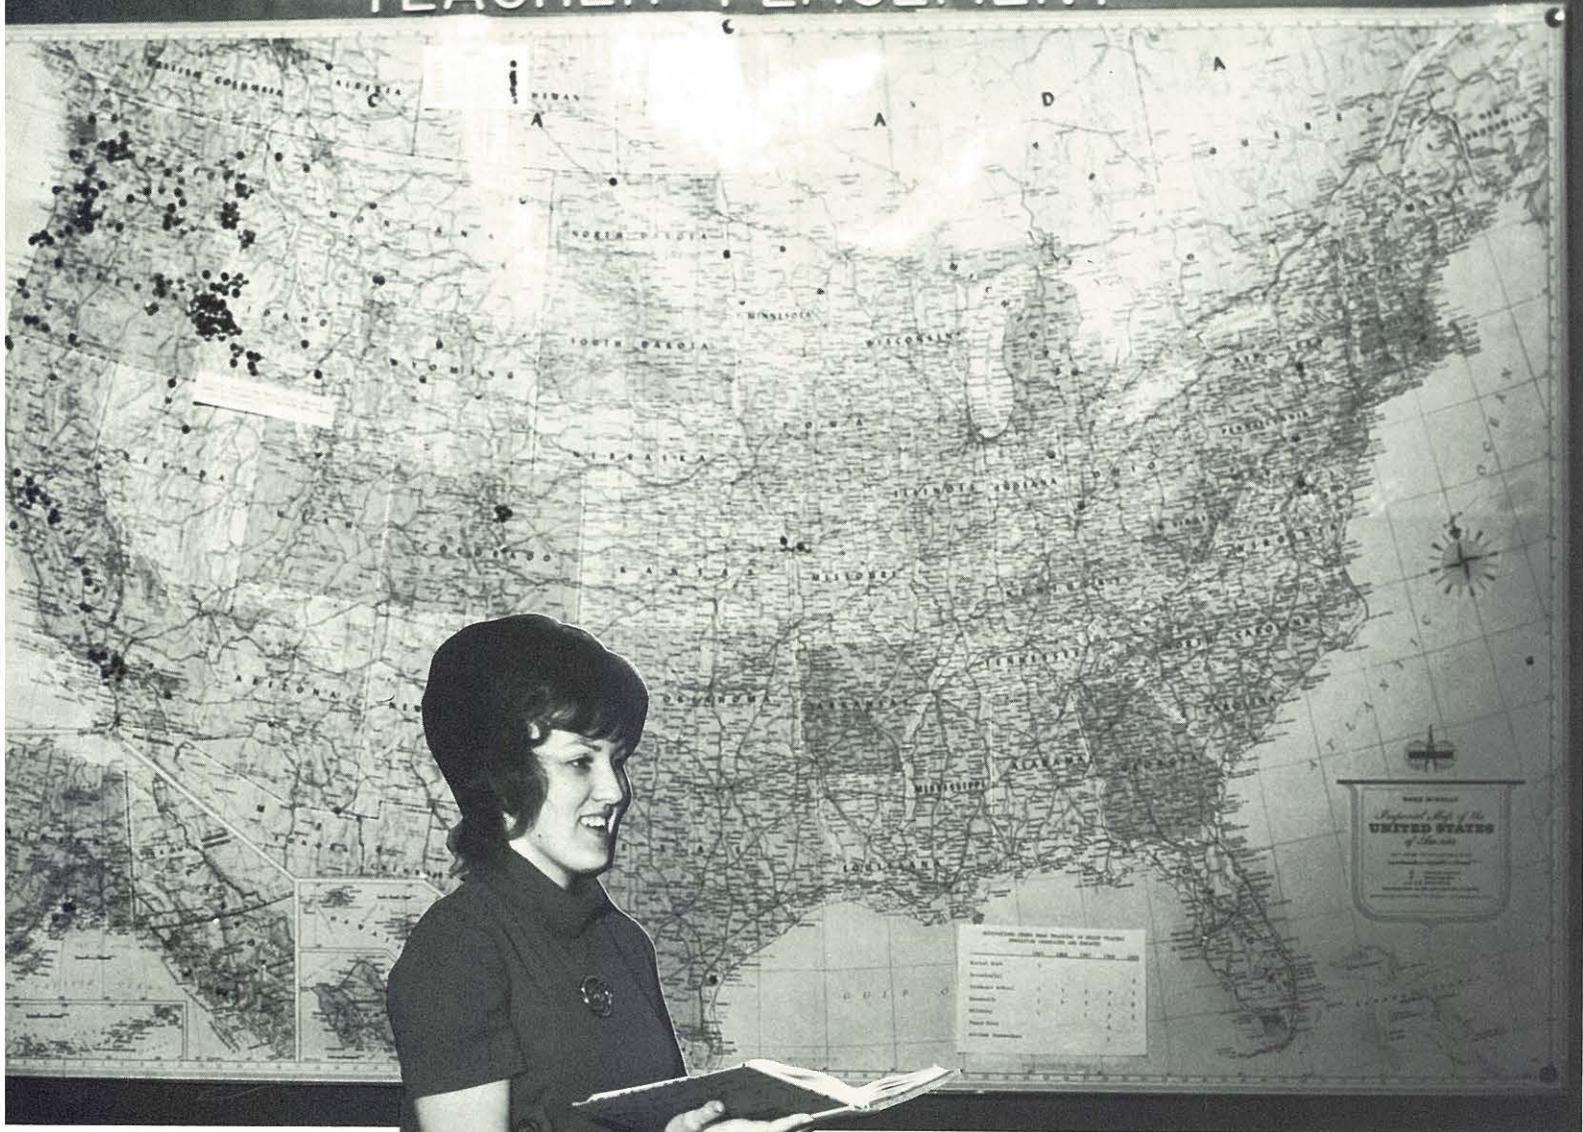

Concertino made their first appearance  
this year  
playing in local churches  
and taking a tour  
through Washington.

The group played  
chamber music  
and sacred  
hymn arrangements  
and was directed  
by Mr. Eugene Lubiens.

# TEACHER PLACEMENT

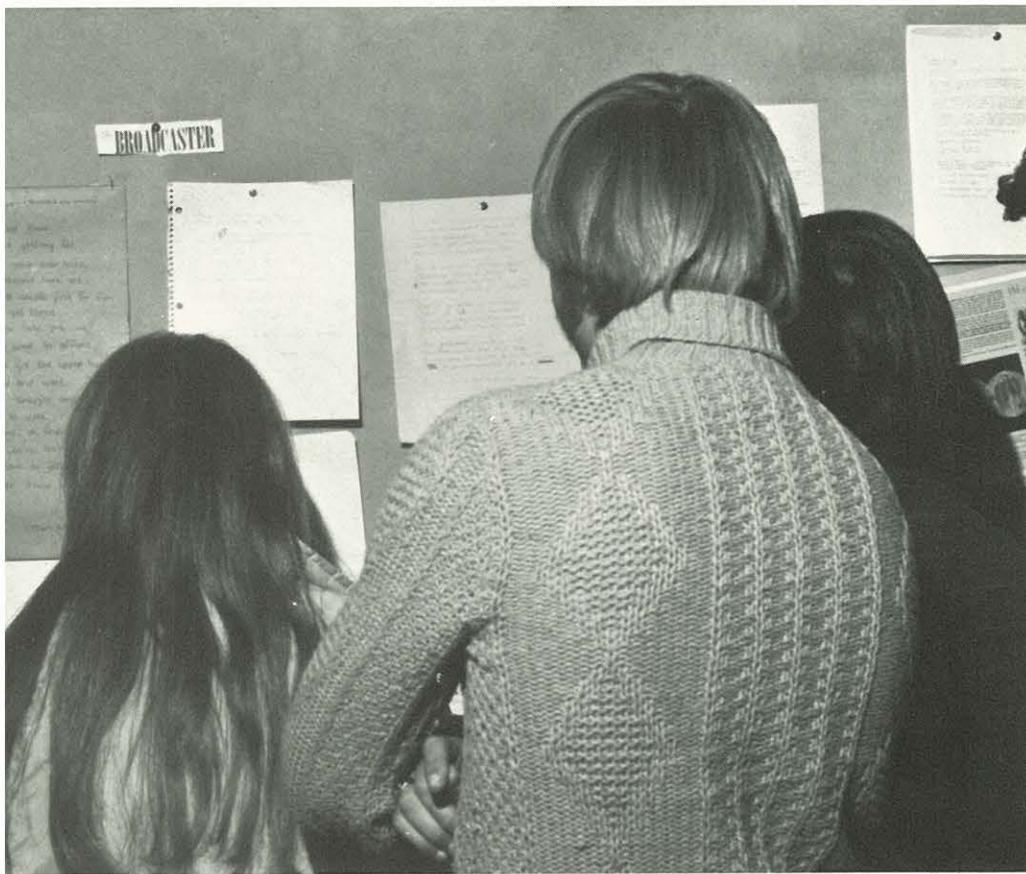

Almost half of the students  
at NNC were in  
teacher education.

Students began the year with  
"September experience,"  
where they attended  
teacher's meetings and the  
first few days of classes  
at community schools.

There were methods classes  
for the beginning teacher,  
student teaching for  
the more advanced,  
and the new Intern Program  
introduced this year  
where students were  
full-time teachers  
with reduced salaries,  
while earning  
their required college credits.

NNC maintained  
the highest record  
in the Northwest  
for placing  
graduating students  
in teaching positions.

## The Broadcaster

The bulletin board in the Student Center provided information and announcements, (like the ones below), as well as a place to waste time while waiting for dinner, a friend, or the next shipment of mail.

Dear N.N.C. Guys: (To whom it may concern)

Go ahead and sit there  
 Playing Rook and getting fat,  
 then complain to your dear buddy  
 how the girls around here act.  
 Call and burn a couple just for fun  
 and then if you get bored  
 silent and maybe take one out,  
 depend what you want to afford,  
 you know you've got the upper hand -  
 the girls just sit and wait,  
 while you smile smugly and decide  
 to condescend to date.  
 You're losing time, oh friend of mine,  
 which means you're losing out.  
 Nothing we have to offer  
 you may never know about!

- Morrison Hall

2

Dear Morrison Girls:

We Like Sitting Here and getting fat  
 Playing Rook is Just all Ball.  
 It's not that we are all stuck up  
 Playing Rook cost nothing at all.

We Chapman Guys have got alot -  
 Probably more than you could handle.  
 Why date at such an early age?  
 It just leads to a scandal.

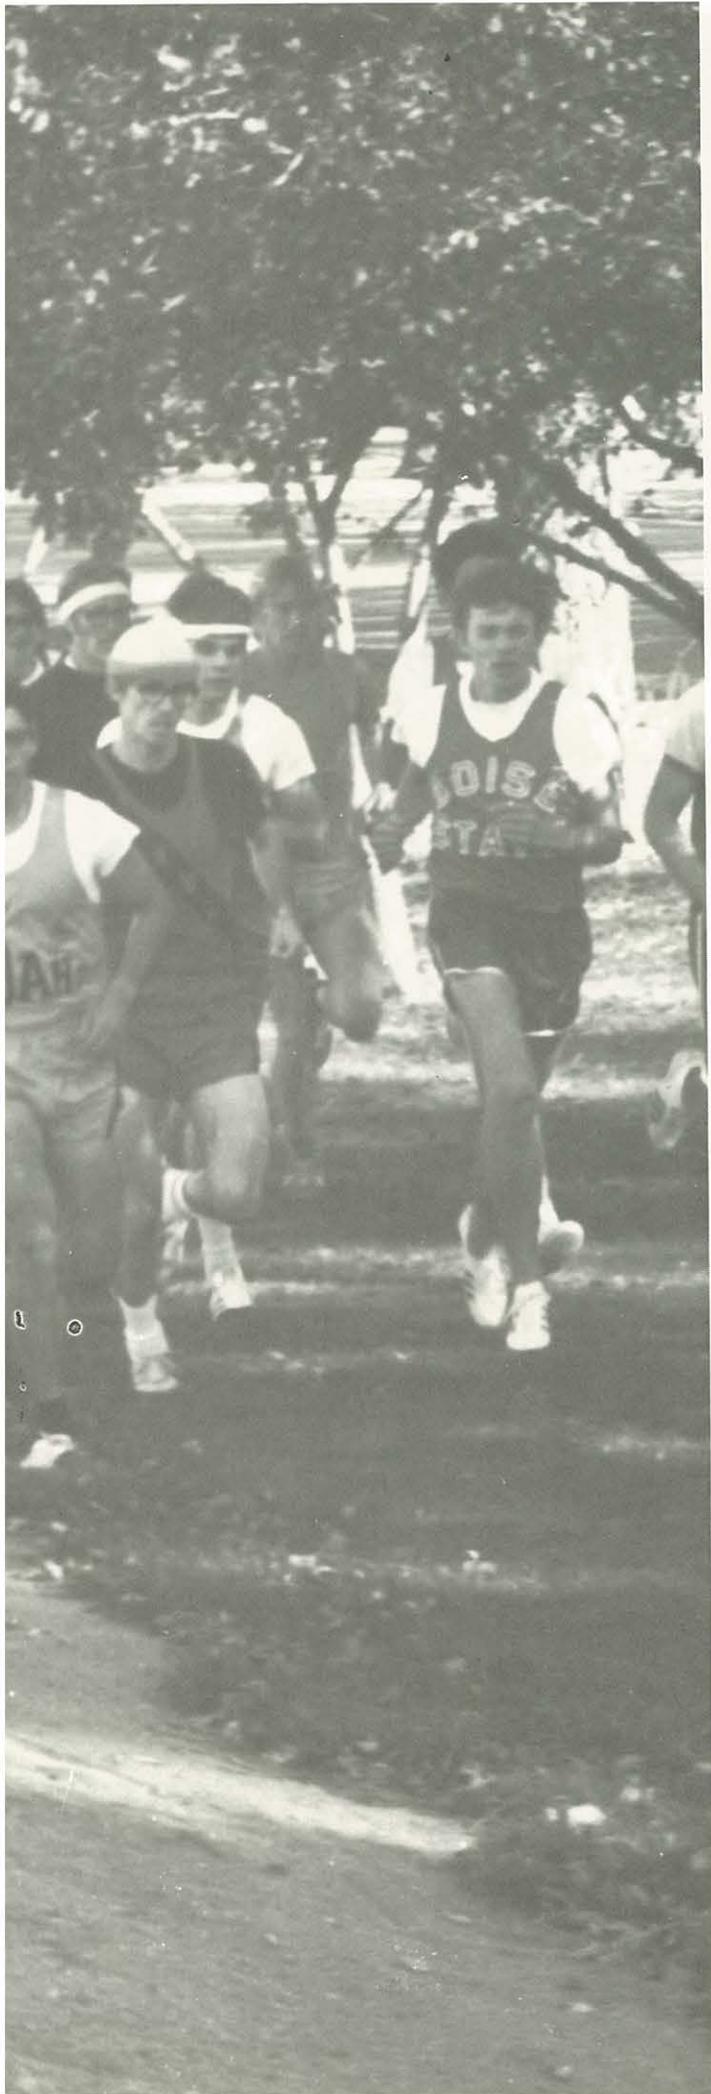

We know we've got the upper hand  
 So just sit there and wait  
 Don't gripe no more - God knows the score -  
 Let's leave it up to fate.

There's plenty of time to take you out.  
 We've got from now til June.  
 So don't you cry, dear little girls  
 Why ask you out so soon?

You say we may be losing out -  
 That really makes us cry.  
 If you girls keep on threatening us,  
 We'll take out Nampa High!

## Cross Country

The 1971 cross country season saw the return of Coach Paul Taylor from a two-year absence during which he obtained his doctorate.

The prospects for the year looked dim at the outset as only two of 1970's lettermen were back, due to the fact that ace harriers Don Keller and Doug Money had graduated and several of the top runners of the year before had decided not to turn out.

However, with sophomores Dick Huling and Jerry Harris leading the way, the harriers worked their way to a respectable season.

Freshmen Gary May and Larry Olsen, in their first year of running, joined sophomore Dave Westmark, who had not run since high school. May, particularly, showed outstanding improvement and by the end of the year was pushing Harris for the team's second spot.

Huling had a fine season that included a victory in a meet with C of I and Treasure Valley colleges.

At the district meet in Portland, the team was unable to place but showed promise for a much better season next year. All of this year's team returns plus sophomore Dan Flowers, who sat out this season with a bad back.

# Course Evaluation

Course Evaluation constituted a step forward in student voice.

Open, frank criticism of courses taken during the term and the professors who taught them was initiated by the student members of academic council and the results, tabulated by a computer, served to better inform the faculty and administration of student opinion.

Whether or not the evaluation made any difference in teaching methods was a matter of personal opinion.

## Field Hockey

Entering their third season of play, NNC's girls field hockey team saw an active year with a six-team tournament highlighting their season.

Competing against teams including powerhouses as Boise State and Idaho State, the squad, coached by Mrs. Art Horwood, compiled a respectable 1-3-1 record, their lone win coming in the match with ISU. In a later match battle, the girls deadlocked with College of Idaho at 1-1.

Most importantly, the team showed they were from NNC by grabbing the sportsmanship award at the tourney.

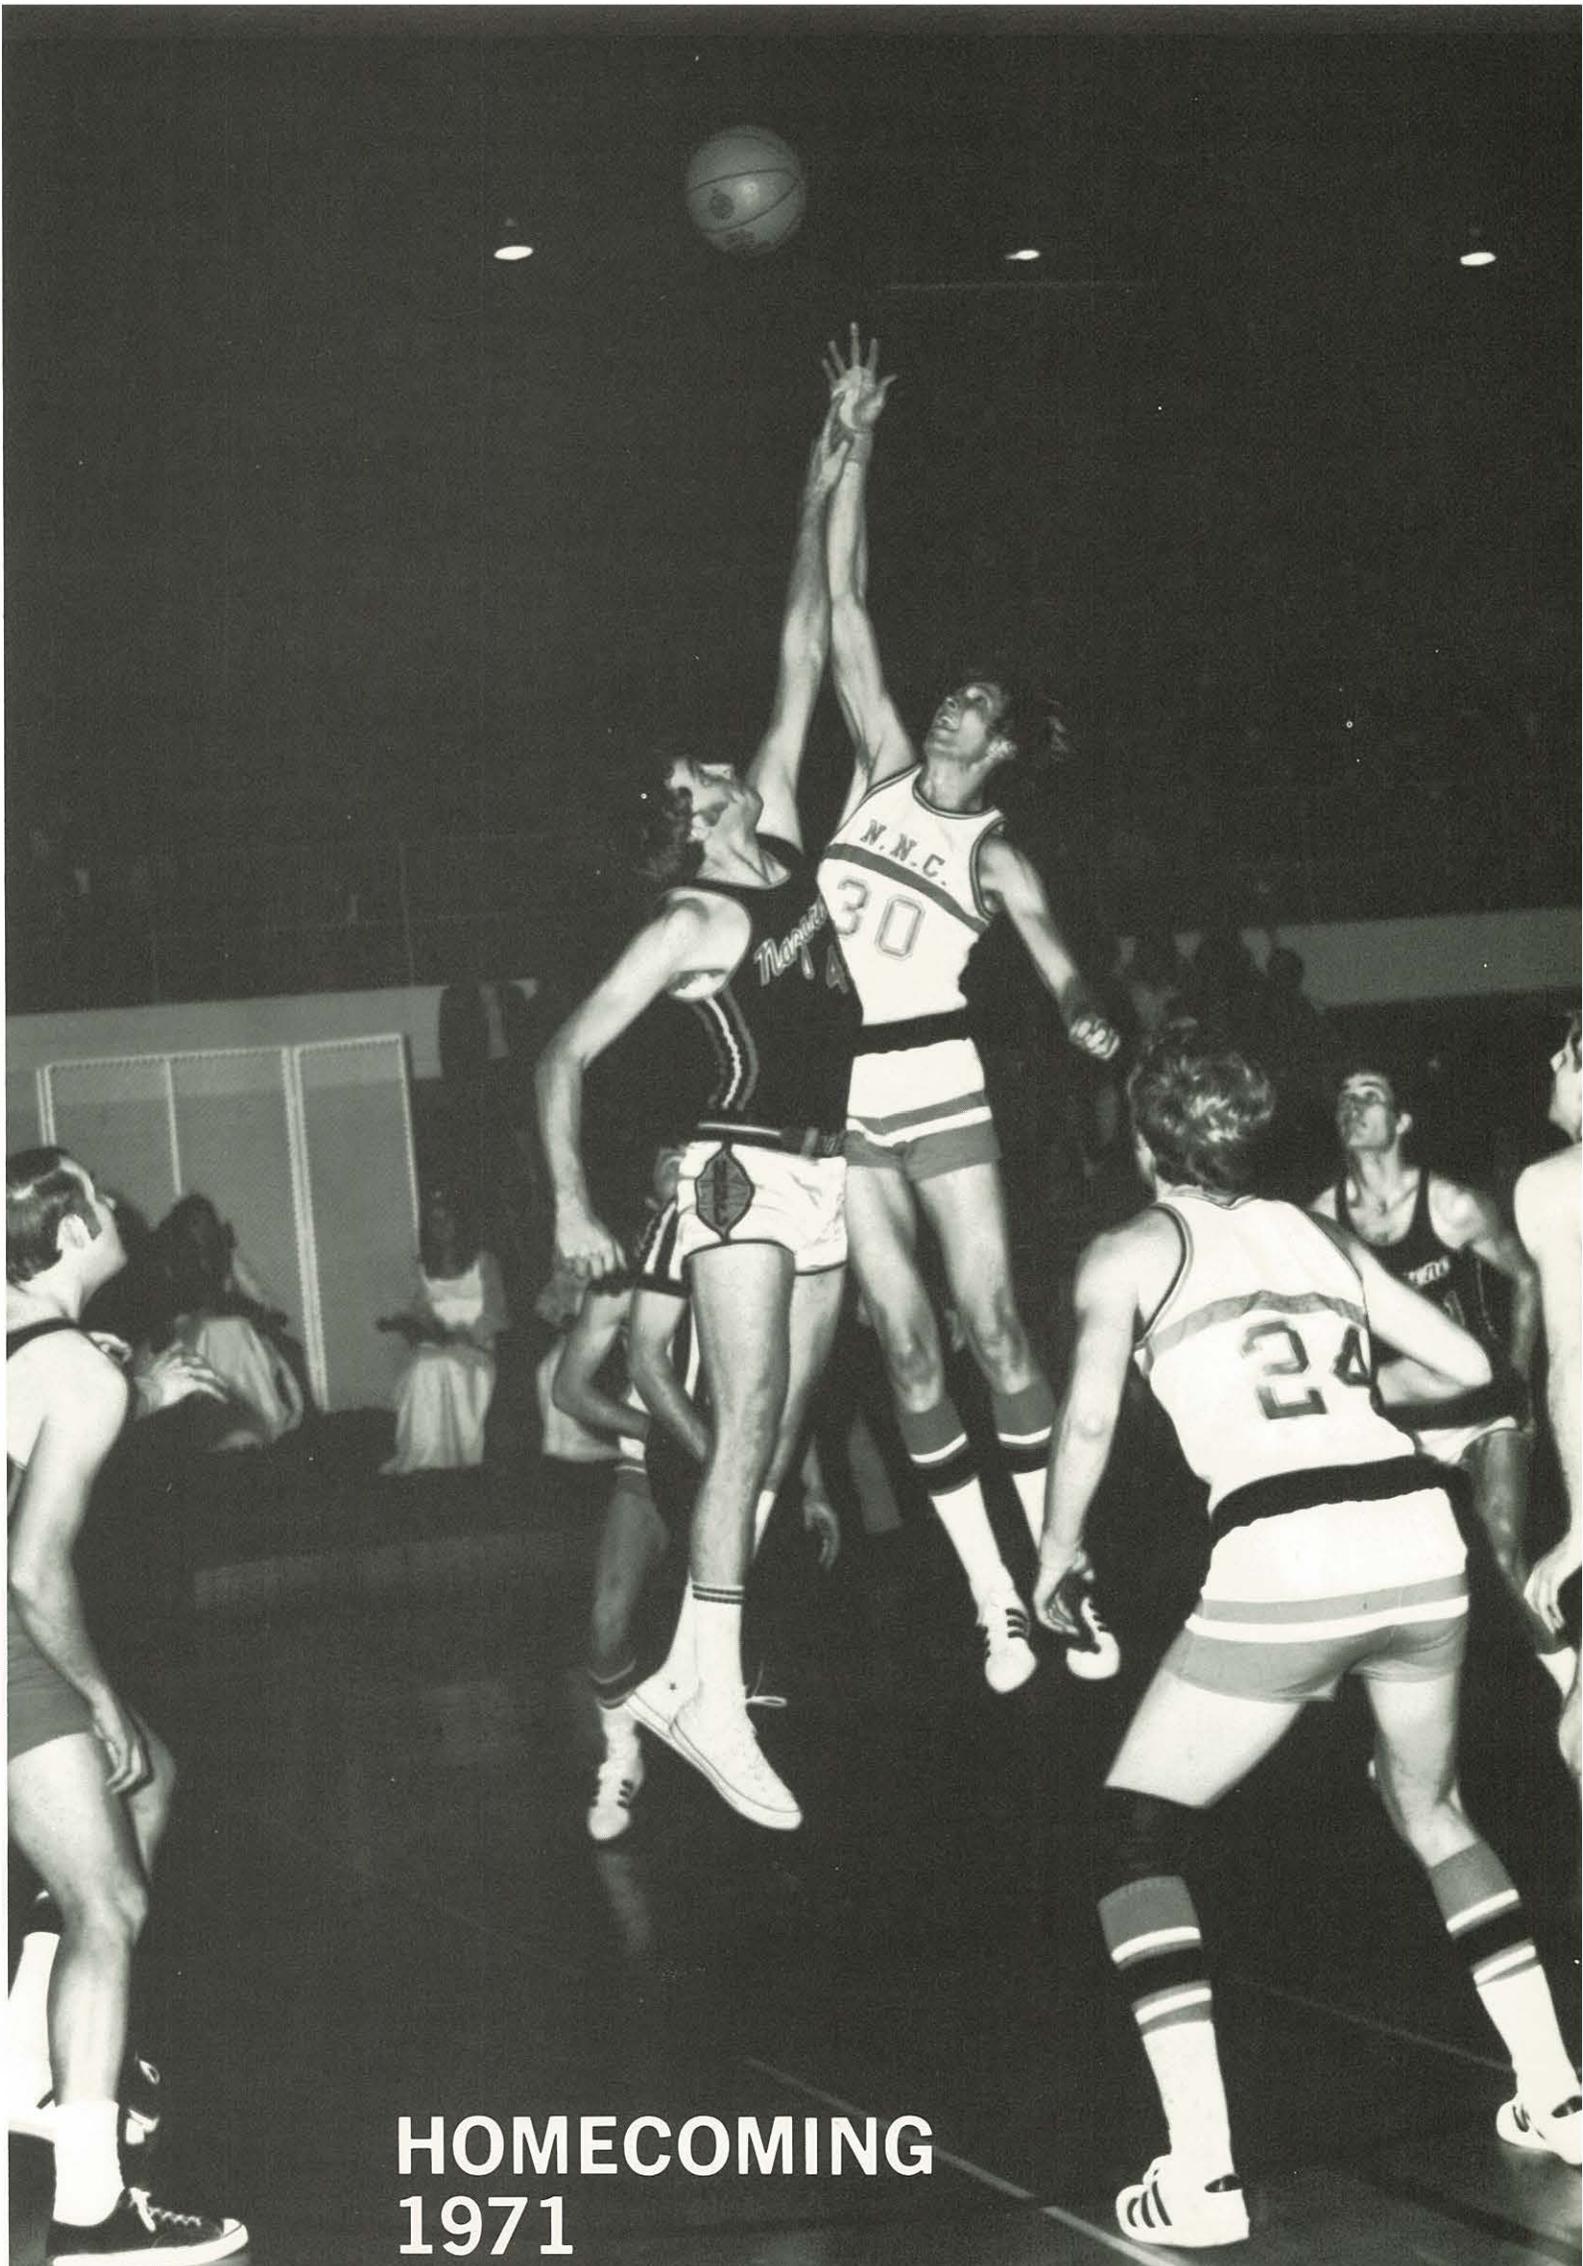

## N Club Initiation

Adorned by gunnysacks  
and a potent onion,  
N Club inductees  
learned who their friends  
really were.

Many sympathized  
from a distance,  
while the initiating members  
called, "air raid"  
and watched the  
new members  
fall to the floor.

After entertaining  
students at Saga,  
N Club initiates  
played games  
on the patio  
like "roll the onion  
with your nose,"  
and "break an egg  
on your face."

# Thanksgiving Day

Instead of going home  
for Thanksgiving,  
home came

as parents ate  
Thanksgiving dinner

son or daughter  
at Saga.

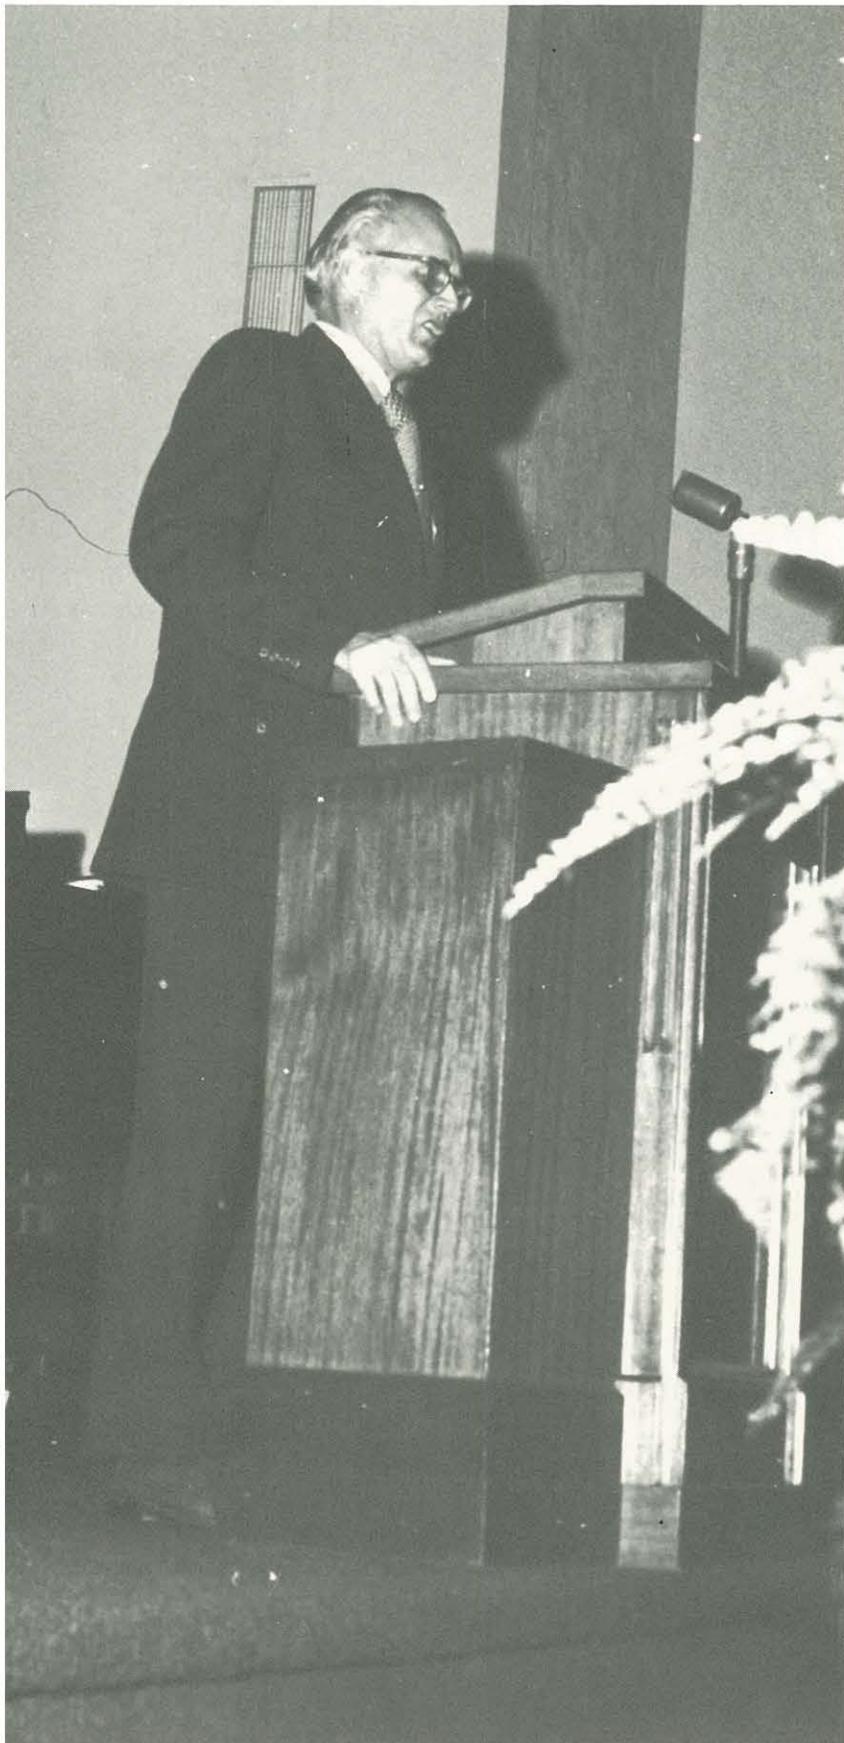

The banquet featured

Homecoming week, 1971,  
the annual presentation of  
Handel's "Messiah"  
was performed by the  
College Concert Choir,  
directed by  
Marvin Stallcop.

Later in the year  
the choir was asked  
to sing in the annual  
United Easter Service  
held at Karcher Mall.

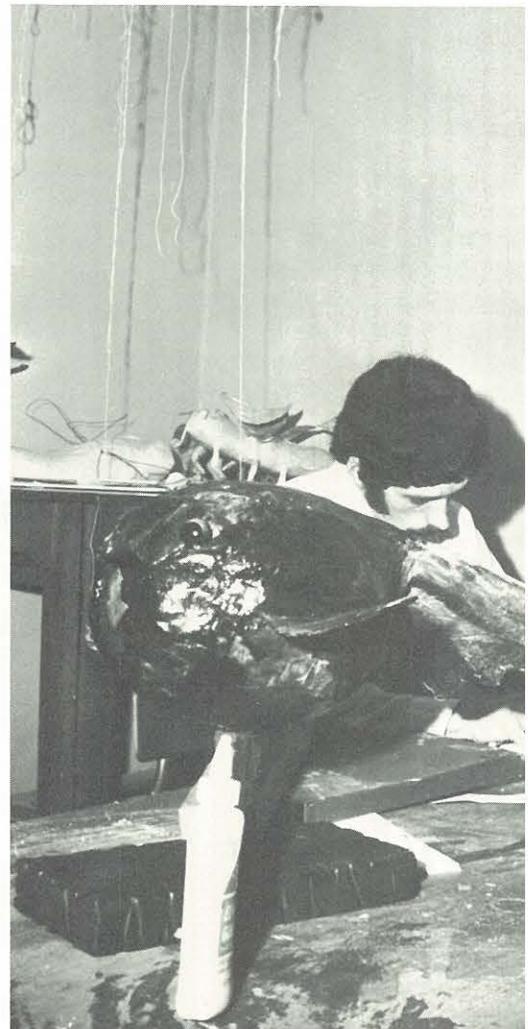

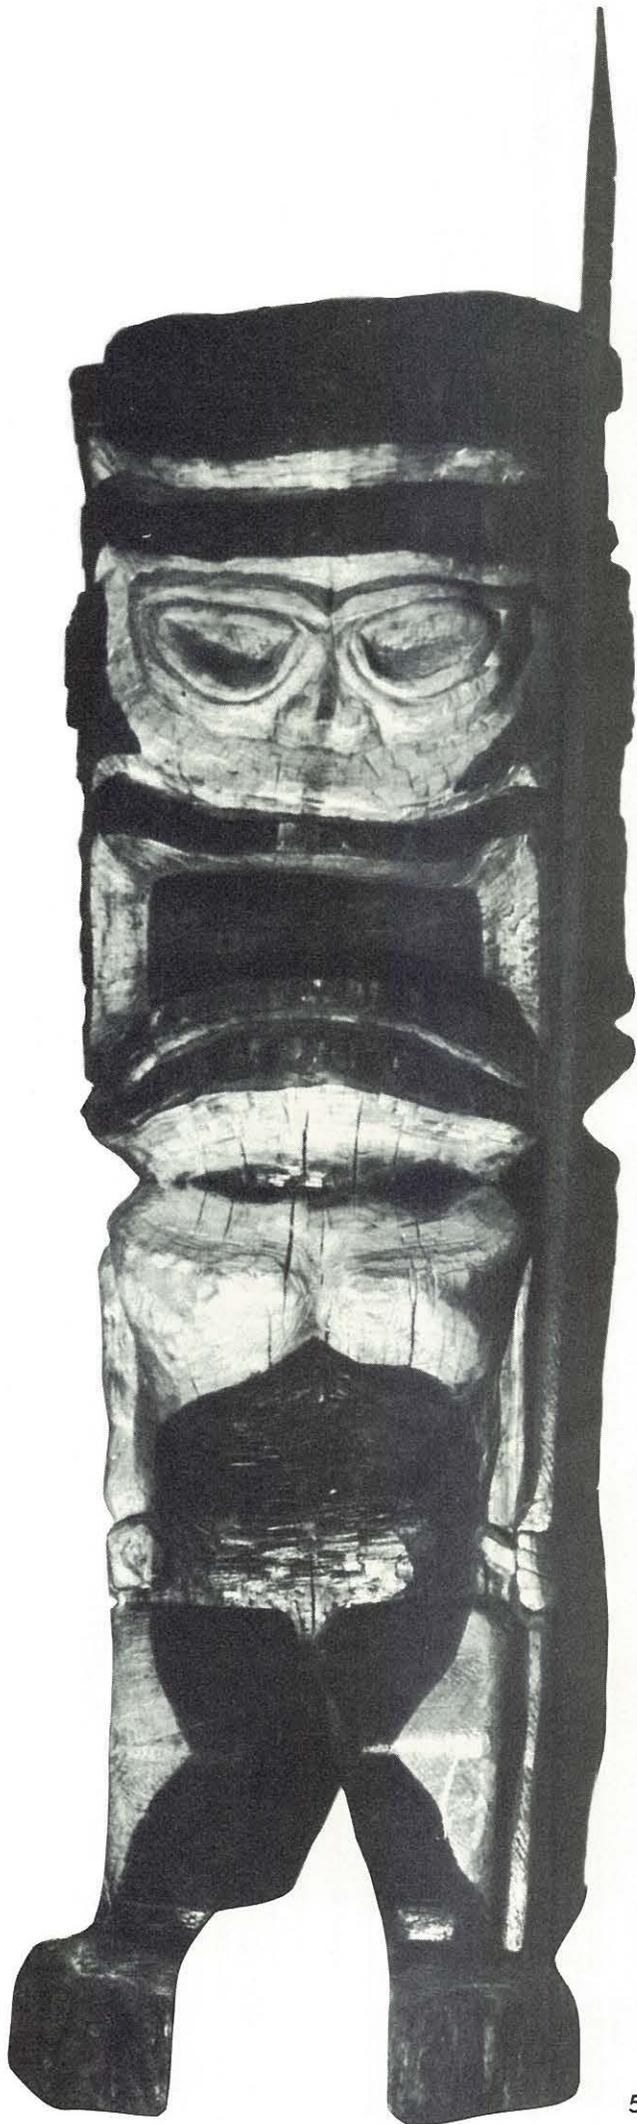

May brought with it  
a new innovation—  
a choral workshop  
with guest conductor,  
Dr. Douglas McEwen  
of Arizona  
State University,  
which was climaxed  
by a concert  
including religious  
and secular selections.

After homecoming, the routine of classes, Saga, and chapel settled down upon the campus

But it wasn't quite the same— now Christmas was just around the corner.

## December

3 End of first term.

The Idaho Higher Education newsletter reported NNC as having the highest percentage of out-of-state students entering Idaho with 78%.

During December, Idaho became one of first states to have a student lobby as Idaho Student leaders organized a State Student Lobby to represent student views at State Legislatures.

30 Crusaders won Holiday Tournament trophy (p. 64).

## Holiday Tournament

N.N.C.'s annual classic this year brought College of Idaho, Westminster and Biola to compete with the host Crusaders.

The first game matched the Parsons from Salt Lake City against the Caldwell Coyotes. Behind the scoring of center Scott Bowlden, C of I jumped to a 38-33 halftime lead and maintained that margin for a 84-79 win to gain the finals. Bowlden's 32 points paced a C of I attack that saw the Coyotes shoot a hot 55% from the floor.

In the nightcap, host N.N.C. held off a rough Biola team by 70-66. Dick Luhn's 14 points led a balanced attack that saw Ken Wilde, Denny Johnson and Laird Graham also gain double figures with 13, 12, and 10, respectively. Ron Johnson led all scorers with 23 for the La Mirada, California school.

Westminster and Biola met for the consolation title with Biola breezing to a 74-53 win. After leading by only 39-29 at the intermission, Biola, again led by Johnson, blew it open in the second stanza. Johnson topped the scoring with 19 while Jim Andersen had 16 for Westminster.

In the final, N.N.C., also using a strong second half, bombed College of Idaho with Denny Johnson scoring 20 points and Wilde and Graham getting 18 and 17, respectively. Scott Bowlden came through with another fine showing for C of I, keeping the game close until the final minutes with his 22 points.

- 4 Second term classes began.
- 6 ASNNC Senate officially voted to join Idaho Student Lobby.
- 10 Issues and Answers-Rev. David Aasen, senior minister at Boise's Cathedral of the Rockies. "Christians will no longer be satisfied when there exists a credibility gap between what one professed and what one lives."
- 12 Beginning of Dorm Council and Administrator breakfast meetings where dorm living and food services were discussed.
- 19 NNC sponsored Variety Show at C of I to raise money for March of Dimes.
- 24 Issues and Answers-Dr. Paul Bassett, Nazarene Theological Seminary. "The Christian must in Jesus Christ criticize to the point that he brings forgiveness and grace to the world in a real revolution."
- 28 NNC beat C of I by one point in double overtime.

The arc of time seemed an eternity.  
I had suffered the extremes of life,  
Experiencing the realms of heaven  
And the pangs of hell—  
I chose the realms of heaven.  
I set forth on a path leading only upward;  
On and on in the crystal blue sky  
I raced  
Until darkness engulfed the entire scope  
Of my being.  
I was all alone  
With nothing around me  
But darkness.  
A piercing hand of fire  
Suddenly outlined the pages  
Of my life's spectrum  
As I stood,  
Strangled with a sense  
Of death.  
With a flash of flames it vanished  
Leaving me untouched  
And walking in darkness.  
A sheen of orange layers spangled before me  
And the outlines showed  
Polished blue and amber lions  
Sitting before the brilliant entrance.  
I stopped cold—  
Smashing my eyes shut  
With horror.  
As I slowly opened my eyes  
I saw a tall ivory wall  
And I followed it upward—  
My mind was once more  
One.  
People of uncommon indulgence were everywhere,  
Their garments like that of purest gold.  
I rallied on further  
And high atop a purple-white throne  
Sat a man of great powers.  
He looked straight at me—he stood, and said  
Nothing.  
Suddenly I fell  
          down  
                  down  
                          down,  
Back and back—  
And my destined world  
Prevailed again.

"Together - We can work it out" has been the theme of student government this year. Has it worked? Now, as I and the other '71-'72 officers are rapidly becoming "has-beens," it is time to evaluate how well we did in carrying out that theme, to evaluate our effectiveness as leaders, and to make suggestions for next year.

On the togetherness dimension, I feel significant improvements were made in intercampus relations, relations between students and faculty and administrators. However, the degree to which improvement was made was a result of mutual effort. Students respected and trusted faculty and administrators and honestly tried to work within established structures. Faculty and administrators trusted and respected students and placed confidence in the abilities of students. It seems to me that in order for cooperation to continue and increase it will require just such mutual trust and respect on the part of students, faculty, and administrators.

Several significant trends were evident this year, which I believe should be continued. First, student government purposed to operate as a service for students and to provide services. I believe the basic reason for the existence of student government is to represent and serve students. Services such as the book exchange should be continued, hopefully with the addition of more services such as more student employment, as a result of the establishment of the office of Vice President for Community Relations.

Second, our awareness and involvement in the world around us was enhanced through the Issues and Answers series, the National Student Lobby, the Idaho Student Lobby, voter registration, the blood drive and the March of Dimes. I believe we need to continue to be actively involved in the community and world surrounding us both politically and socially. Through the political system and through social service we should be actively trying to improve the condition of mankind.

Third, we have realized through the Nazarene Student Leadership Conference that the Church of the Nazarene through its general leaders is trying to be more attentive to its young people and develop programs to meet their needs. We need to respond by supporting our church and its programs. Admittedly there are changes that need to be made. But only by becoming actively involved in the church can those changes be effected.

This year was a "first" in a number of areas for KCRH. For the first time, artists such as the Carpenters, Lettermen, Engelbert Humperdinck, Ray Conniff Singers, and many more were heard on the air. Another first was achieved when women announcers took over regular weekday shifts. By the end of the year there had been three regular weekday announcers plus a number of others who contributed via the programs Women's World and Broadcast Special.

A "first" in facilities occurred when KCRH was granted additional office space making it feasible not only to initiate a six-man news staff, but also to begin to equip a separate news room/production studio complex. And finally, this was the first year that KCRH could claim to have five announcers who also worked part-time in three different commercial radio stations in the Valley, showing tangible evidence of the high-quality training received from the campus station.

Although it was a year for "firsts", KCRH was continually committed to the ideal of providing "DISTINCTIVE DIMENSIONS IN SOUND" for its listening audience.

—Wayne Brown  
KCRH Manager

General improvements in coverage and quality, rather than major changes, were attempted by this year's Crusader.

Emphases were placed upon total reportage of campus news and events, the exchange of opinion and comment on various issues ranging from campus counseling to women's liberation, and the inclusion of features about and of interest to the campus community.

However, the major emphasis was upon the challenging of the collective mind of the college to act for itself after deliberate reflection, rather than upon the dictating of "how things should be."

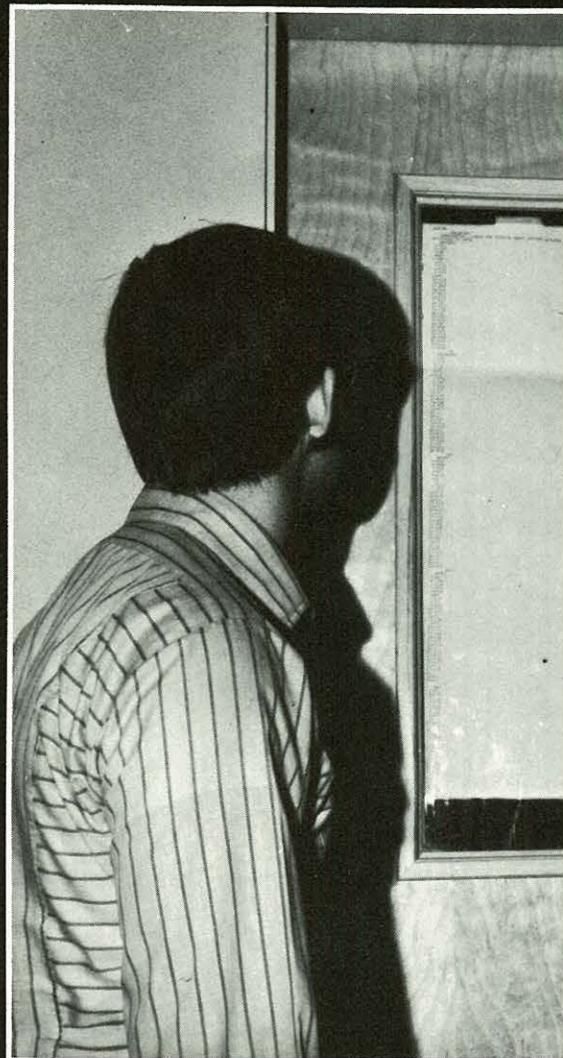

Sports coverage was greatly improved and expanded through the excellent leadership of Sports Editor Randy Craker. Randy initiated the popular Football Contest which rewarded students for their expertise in the knowledge of football competition.

Physical changes included the development of a dark room in the basement of Chapman Hall.

To K.L.S.—IT'S NOT TOO LATE

I sit and look at the flowers  
waving gently in the breeze—  
slowly feeling their color  
race up to the trees —  
there is a silence,  
a golden beauty . . .  
as I dream of the moments  
with you.

These moments will never be forgotten,  
and it's the giving  
we learn,  
that makes our life worth living  
each day.

I once had thought  
that if I were to lose,  
there would be another way;

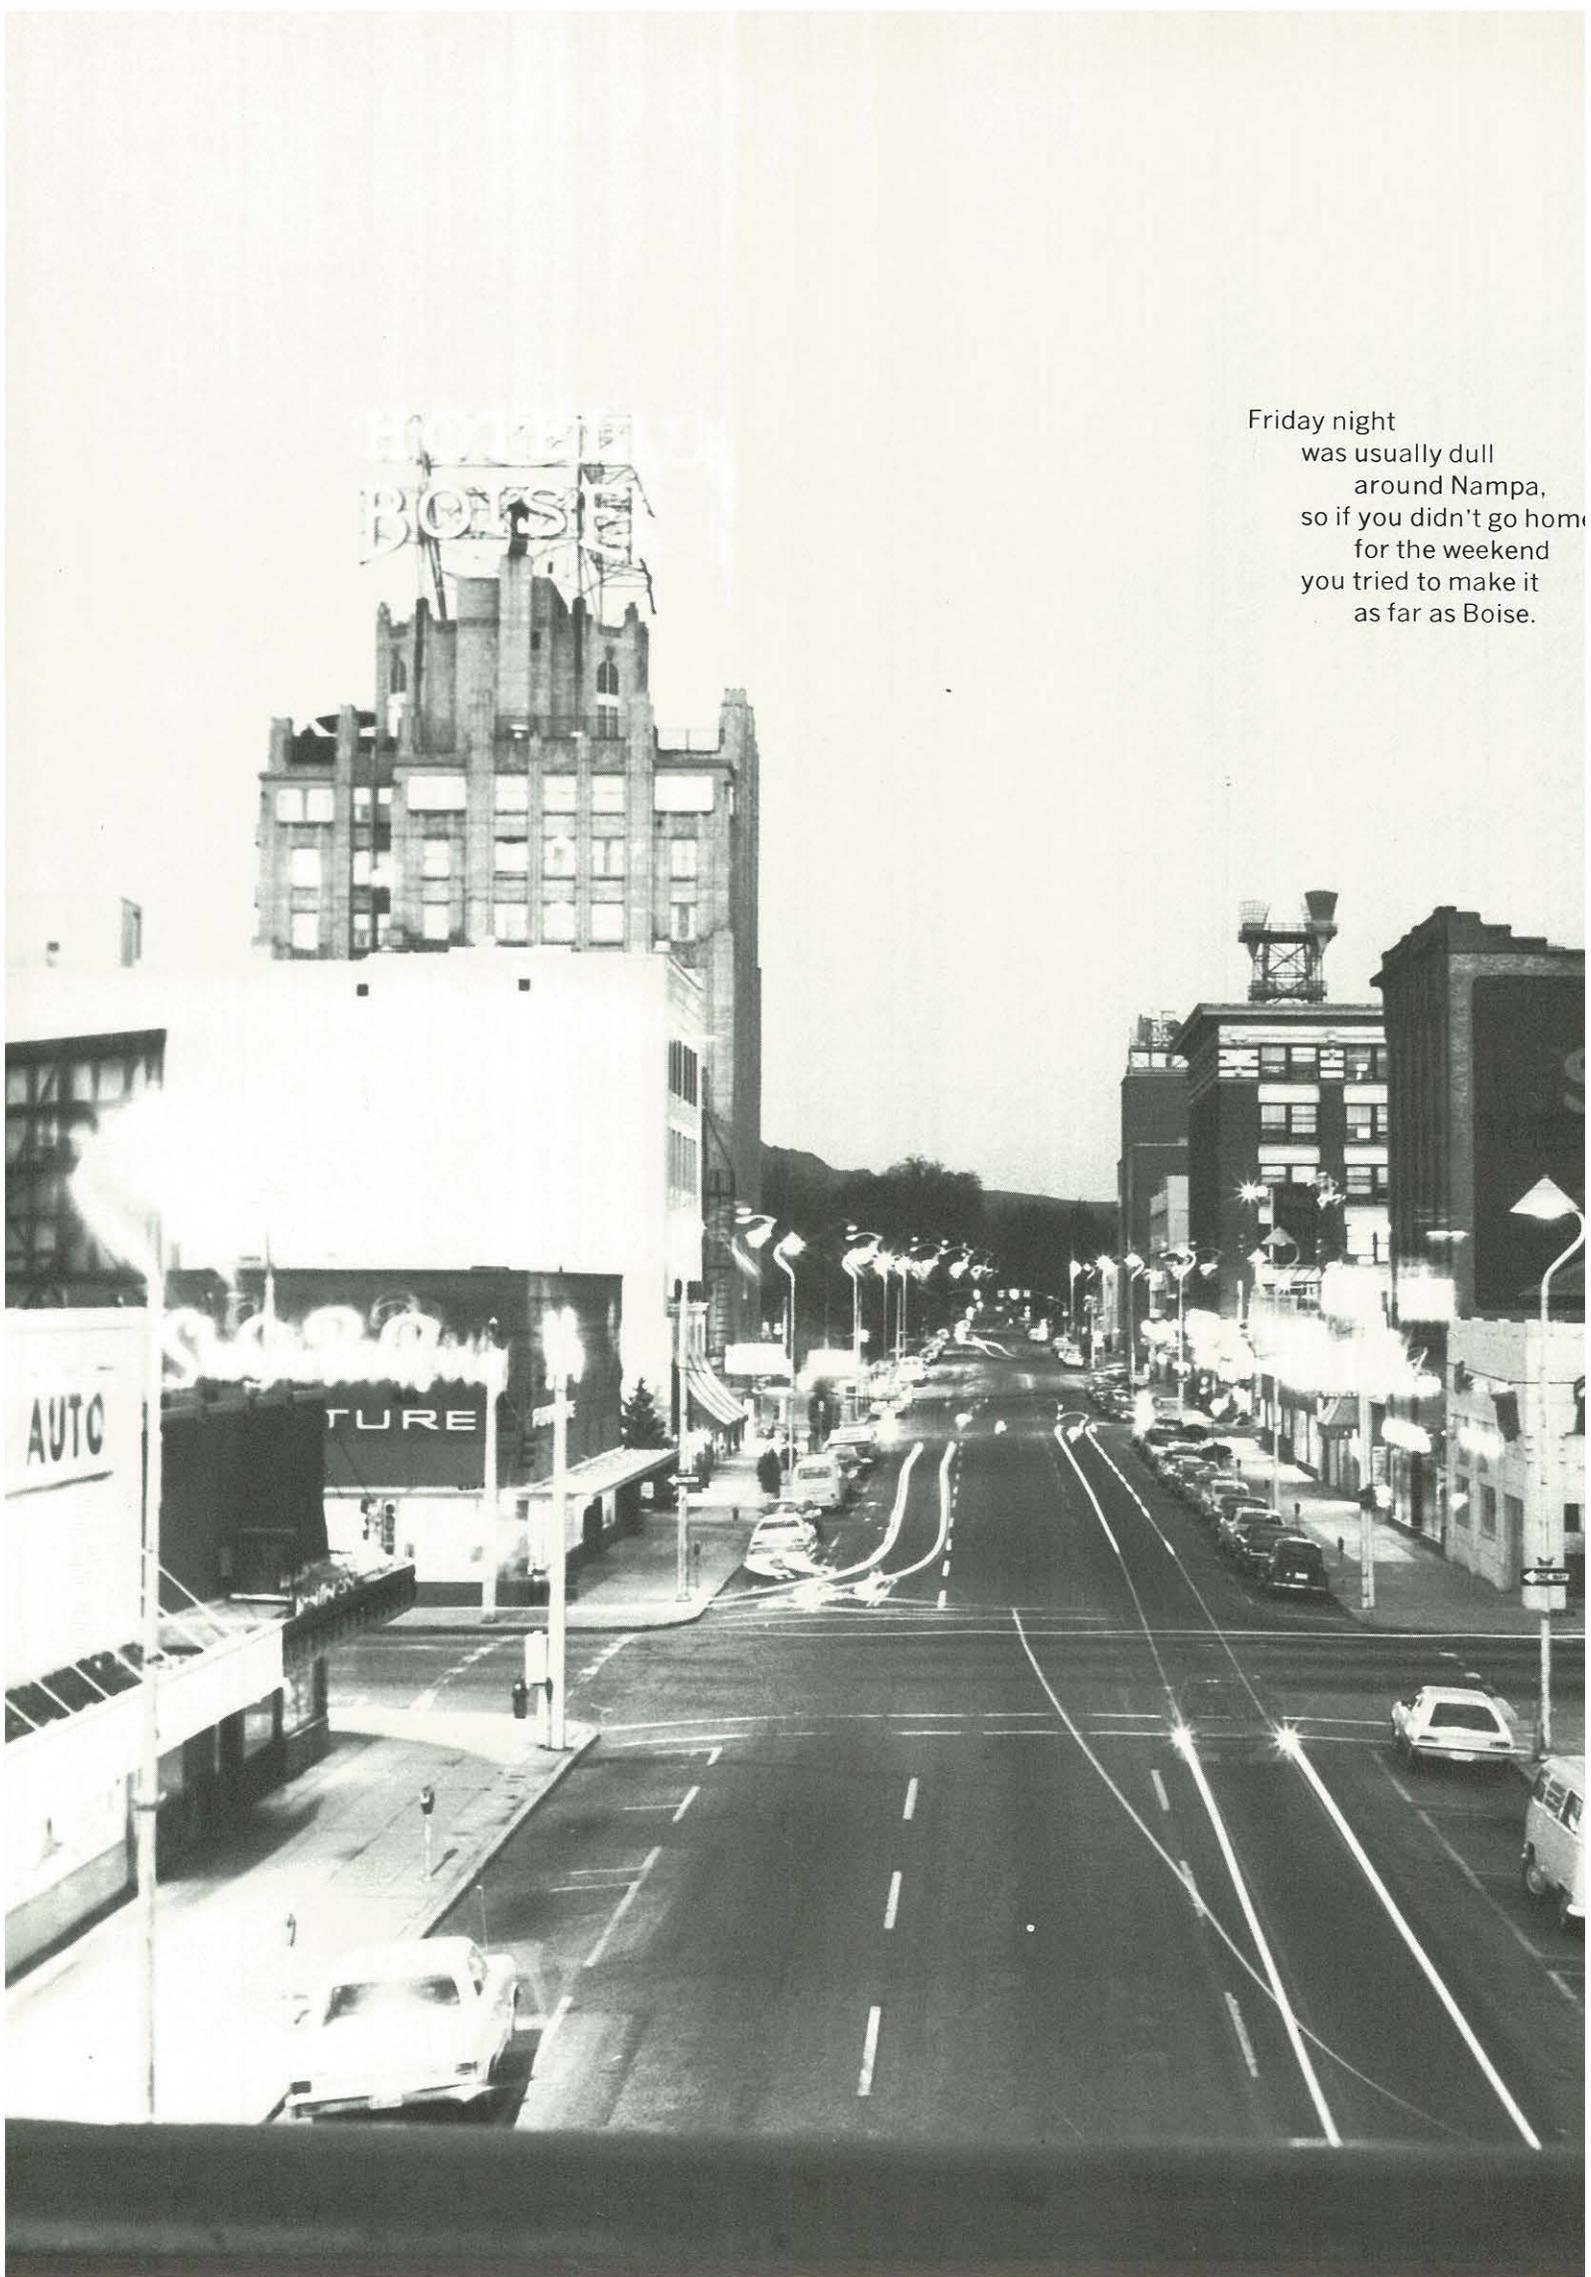

But little did I realize  
the flowers had gone,  
the trees were bare,  
and the snow buried  
the life I had once  
to share.

As I sit back in darkness  
hidden from the sun,  
cold and lonely  
is the snow  
I've dropped in to,  
sinking deep.

I stop to dream  
and the snow starts to melt  
as the moments  
come back,  
the color begins,  
the flowers show  
the beauty in spring  
and life begins with  
these moments  
with you.

## Karate

Karate has become N.N.C.'s fastest growing new sport. Sporting a membership of 18, the Kaji-Kuma club took first place in the only competition it entered, an invitational at Twin Falls.

Glenn Harmaning, a second grade brown belt, is the club's instructor and he was assisted this year by two sophomore blue belts, Randy Bynum and Dan Edwards.

In the only competition for the team this year, N.N.C. took 7 out of 10 firsts in the tourney. There is a possibility that N.N.C. will hold the annual tourney next year.

From "The Wizard of Oz"

Blue skies, grey skies  
They're all the same  
In Love's eyes  
Together

But, alone  
Blue skies make me wish  
She was here

To enjoy with me  
And I think about her  
Grey skies, I'm inside

The walls protect me  
From the sky

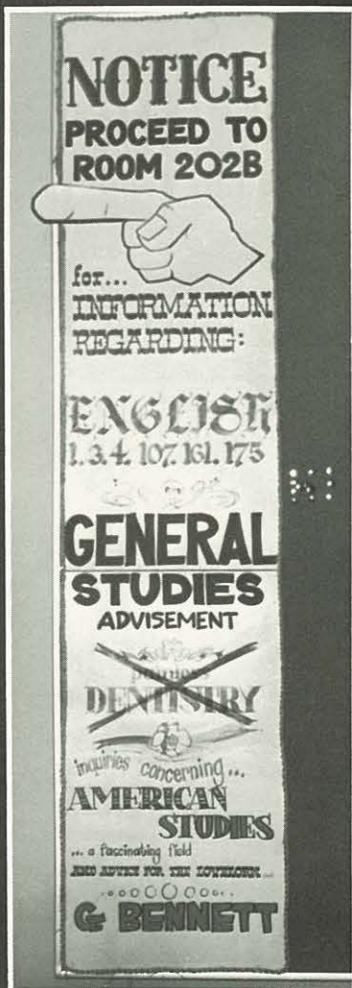

But  
Not from myself  
And my loneliness.

Blue or grey  
Either way

Alone is alone.

A general step-up in activity took place this year in the intramural program. Participation in all areas was increased and a good time was had by all.

In the annual battle for the coveted faculty loving cup, the Spartans and Olympians came out ahead in first and second half, respectively, with the Olympians accumulated score rating as the highest in recent years.

In the sports department, the appearance of more all-star games in the major sports increased interest to a greater extent than in 70-71.

In the two major fall sports, football and softball, the Spartans were unbeatable in taking both championships.

Moving into winter, basketball took over the spotlight and the Spartans once again became the favorites to take the two season-highlighting tournaments, Mills-Cunningham and Hibbard-Long-Wesche, by taking regular season titles.

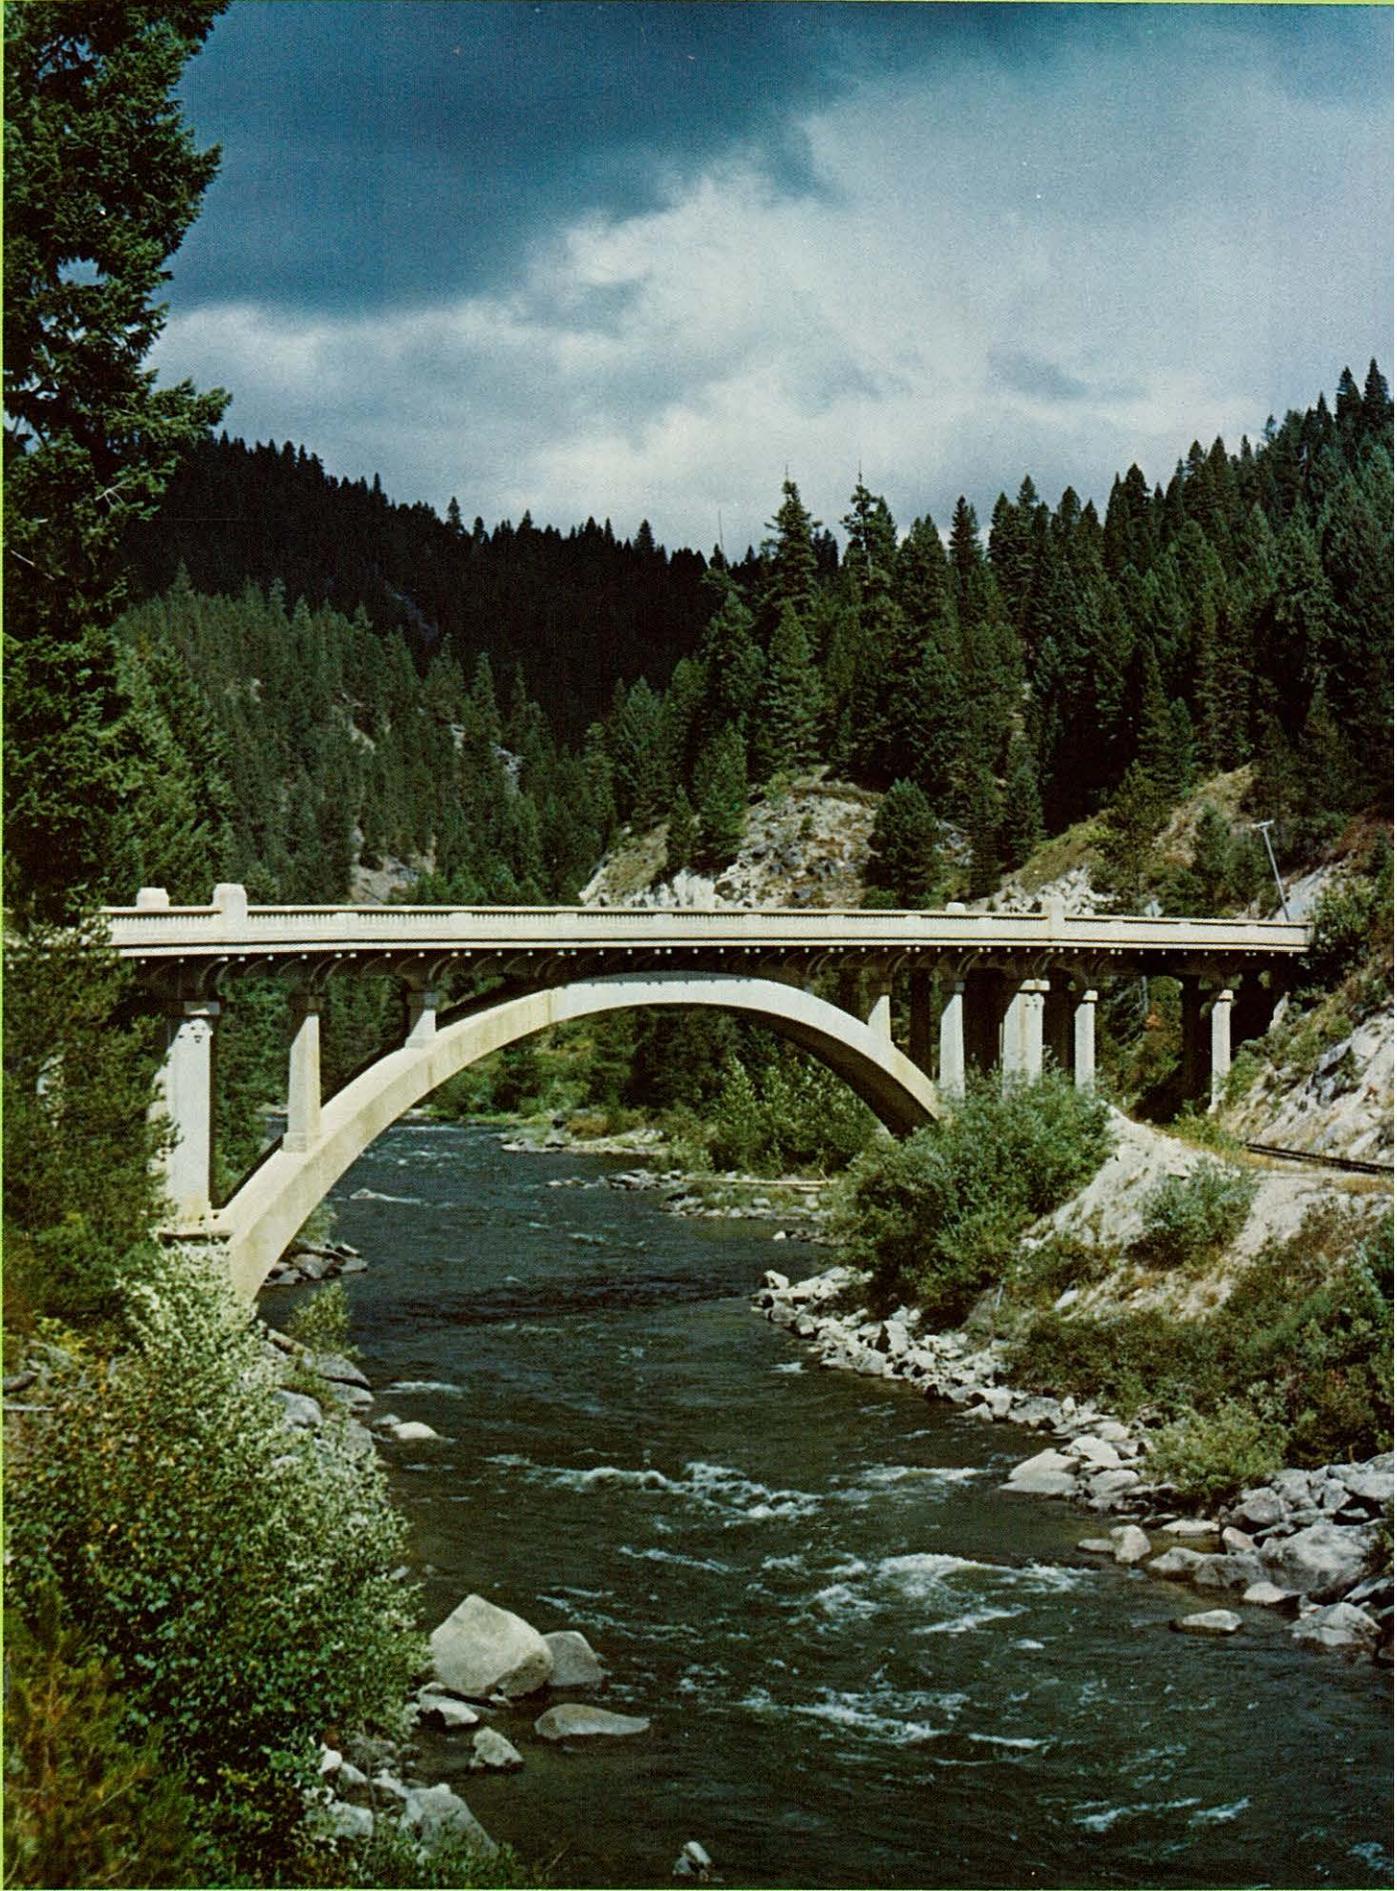

By tournament time however, the SLA's moved into prominence and upset the mighty SPA's in the semi-finals before going on to defeat the ADP's in finale.

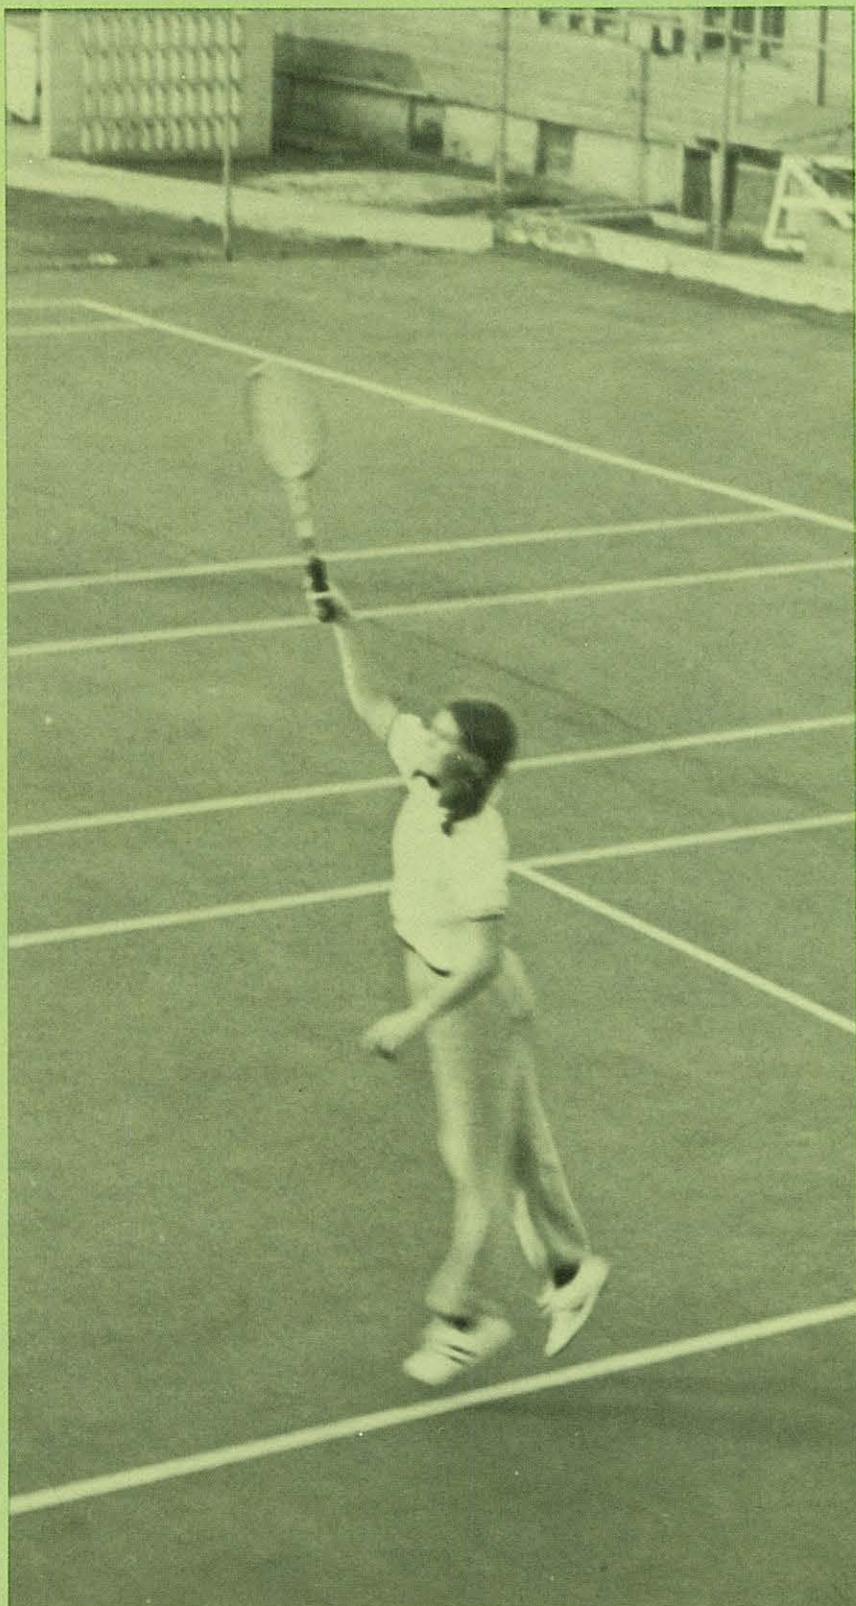

Springtime saw the inauguration of a new activity at NNC as an extramural, although not varsity, football program began in earnest with a large group of boys and girls anxious for physical contact and good fun.

SEEK YE FIRST THE KINGDOM OF GOD

## Prospective Student Day

NNC was invaded by  
765 prospective students  
running from building  
to building  
looking for the right  
place to go,  
And 215 sponsors  
running after them,  
trying to tell them  
where they were  
supposed to be.  
Most of the high school students  
assumed sophisticated attitudes  
in an attempt  
to play the collegiate role,  
while NNC students  
mingled with the obviously  
younger bunch.

in Viet Nam . . .  
the hunger  
in India . . .  
the crisis  
in Pakistan . . .  
and NNC students  
couldn't sit passively  
and watch.

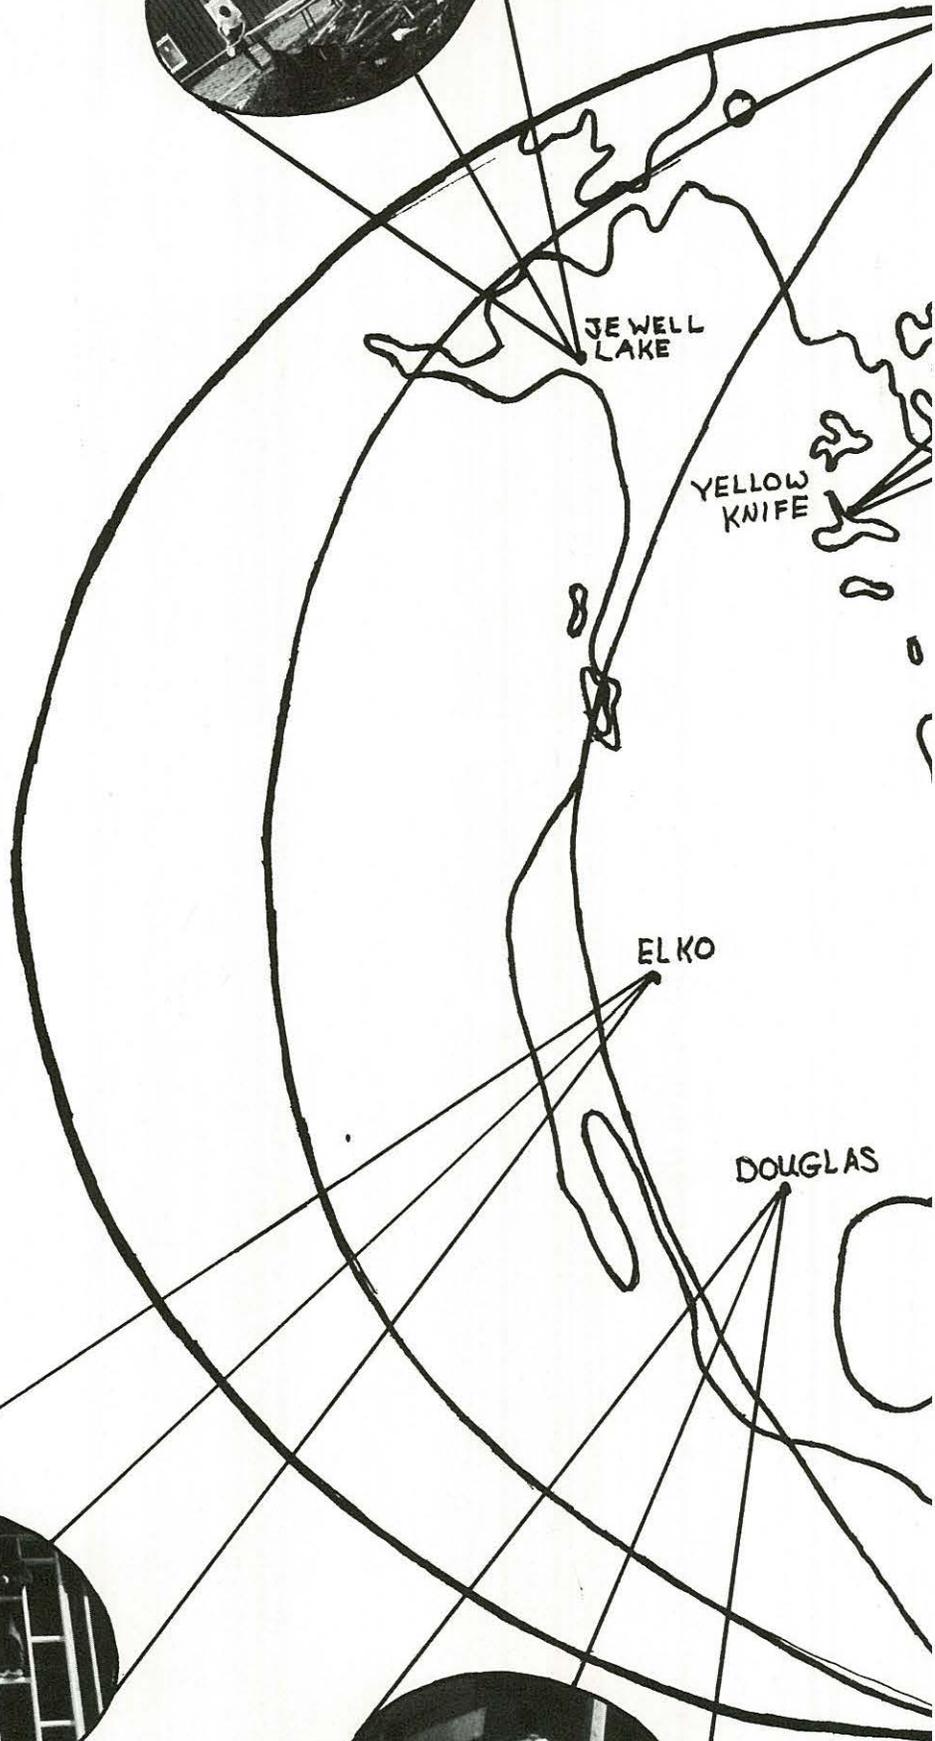

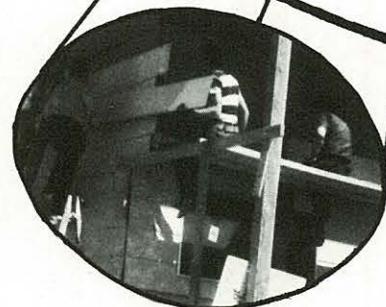

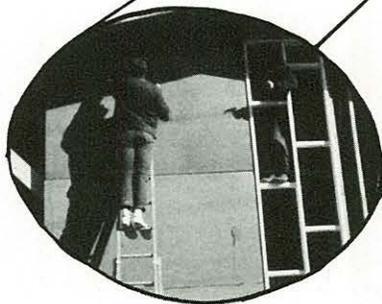

We decided to do  
what we could  
to help change  
the world  
and solve the basic problem—  
the lack  
of Christ.

We sent money to support  
relief programs such as  
"The International  
Rescue Committee,"  
"World Vision," and  
CARE,  
and discussed solutions  
to world problems.

But we were not satisfied  
with long-distance sharing.  
We earned money  
to buy materials,  
and sent students as  
NNC representatives  
to build churches  
and share the Good News  
of Christ.

It began with Douglas, Arizona,  
and Elko, Nevada—  
then spread to  
Alaska  
and Puerto Rico.

These visits affected  
NNC students as well as  
the people they helped,  
and the dynamic power  
that only the love  
of Christ  
can bring about  
began changing lives.

At the beginning of this year  
 our General Missionary Society  
 received a call  
 from Yellowknife  
 in the Northwest Territory  
 of Canada  
 asking to be included  
 in their forthcoming  
 project plans.

Students accepted the challenge—  
 we pledged our money  
 and elected  
 new representatives  
 to build another church  
 during the summer.

This was our part—  
 our small contribution  
 to a world cause,  
 but our responsibility  
 did not end here—  
 it had only  
 begun...

I am one,  
 But still I am one.  
 I cannot do everything,  
 But still I can do something;  
 And because I cannot do everything,  
 I will not refuse to do the something  
 That I can do.

Dear Sir:

when I think of you

I think of tenderness

in a man

the soft touch

of a hand

smearing a tear

upon my cheek

a tear

I could cry for no one else

I think of innocence

in a man

when I acted like a child

and laughed

so silly

you laughed along

happily

And shaped me

into a Woman.

# Utah Symphony Orchestra

The Utah Symphony Orchestra  
gave the first concert  
in the  
new P.E. Building.  
A crowd of 900  
enjoyed the quality  
caliber of the music,  
and the more critical listeners  
were pleasantly surprised  
by the fine acoustics  
in the new building.

# Gerald L. Fosbenner

1931-1972

Life was never dull to Gerald Fosbenner. He loved life, he was excited about life, he was optimistic about the future, and positive about every task he performed. I was first drawn to him, years ago, by his congenial smile and his love of life and his love for all the people who made up a part of his life. All of this in spite of physical problems which early had set a terminal limit on the length of that life. He lived fully right up to the last day. The campus at NNC will always be the richer to have shared the spirit of a man whose faith in Jesus Christ was totally a part of his everyday life and so much a part of what he really was.

LAURISTON DUBOIS  
Campus Chaplain

I knew him as fun-loving and dedicated. I heard his sermons; I shared his enthusiasm. But I knew him best when he said, "Amen." Because to me that was Rev. Fosbenner. I knew what he meant when he said it. So did he. So did God.

I believe he meant it as a doxology, not as a dirge. In one word, he seemed to say, "Don't be afraid of suffering for the Lord. I have fought hard for my Lord, and through it all I have kept true to Him. And now the time has come for me to stop fighting and rest." It was his one-word benediction, his supreme doxology for this life.

DAN KETCHUM  
Senior

How much he accomplished in his brief forty-one years! Perhaps as God sees it, it will be written that he won even greater victories in his sickness and death than in his life.

But here at NNC we shall remember him more for what he was than for what he did!

Gerald Fosbenner—friend and brother!

JOHN E. RILEY  
College President

What can you say about a man whose gifts to you have been intangible—like friendship, encouragement, and laughter?

In the short time that I worked for him as his secretary, I found him to be a very kind man who was never impatient, harsh or rude. His greeting at work was usually a cheerful "Good morning" followed by a short conversation or a humorous story before he went into his office. During the past year, his faith has been encouraging and uplifting, especially during his illness. I learned admiration for him very rapidly when I saw how varied his talents were and how adequately he served NNC as Vice President for Development.

I really feel that NNC is richer because of the time Mr. Fosbenner served here, but I believe that we must now continue to work toward the goals which he had for NNC.

MARITA DOUGLAS  
Development Office Secretary

The Junior class sponsored the annual Junior-Senior Banquet at the Rodeway Inn in Boise.

Decorations accented the theme "Colour My World" and set the atmosphere for a memorable evening.

# MY WORLD

Miss Vonda Kay VanDyke,  
a former Miss America,  
was the  
featured speaker  
at the banquet.

Awards were given  
to Seniors  
by the Junior class  
with the top honors  
going to  
Steve Smith and Dan Ketchum.

## BASEBALL

Coach Elmore Vail's 1972 baseball squad suffered a disappointing season with a 7 win, 16 loss record. N.N.C. was out-performed by its opponents in hitting, fielding, and pitching although the Crusaders had some bright individual stars.

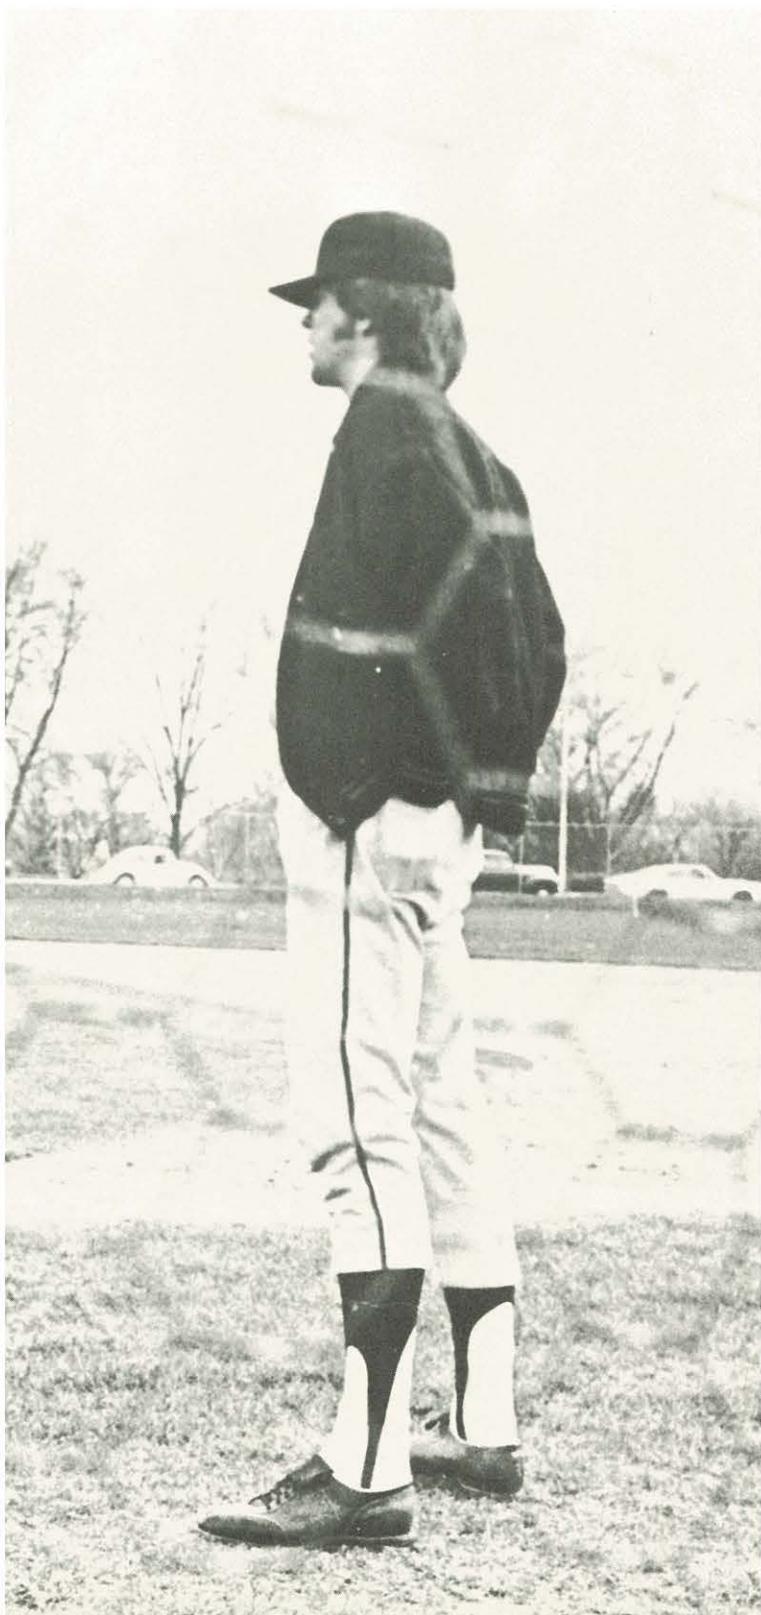

Freshman Darrell Tyacke filled an important position at short-stop, seeing that he had to replace last year's star, Ben Maggart. Darrell responded by leading the team in three categories: at bats (80), triples (2), and homers (3).

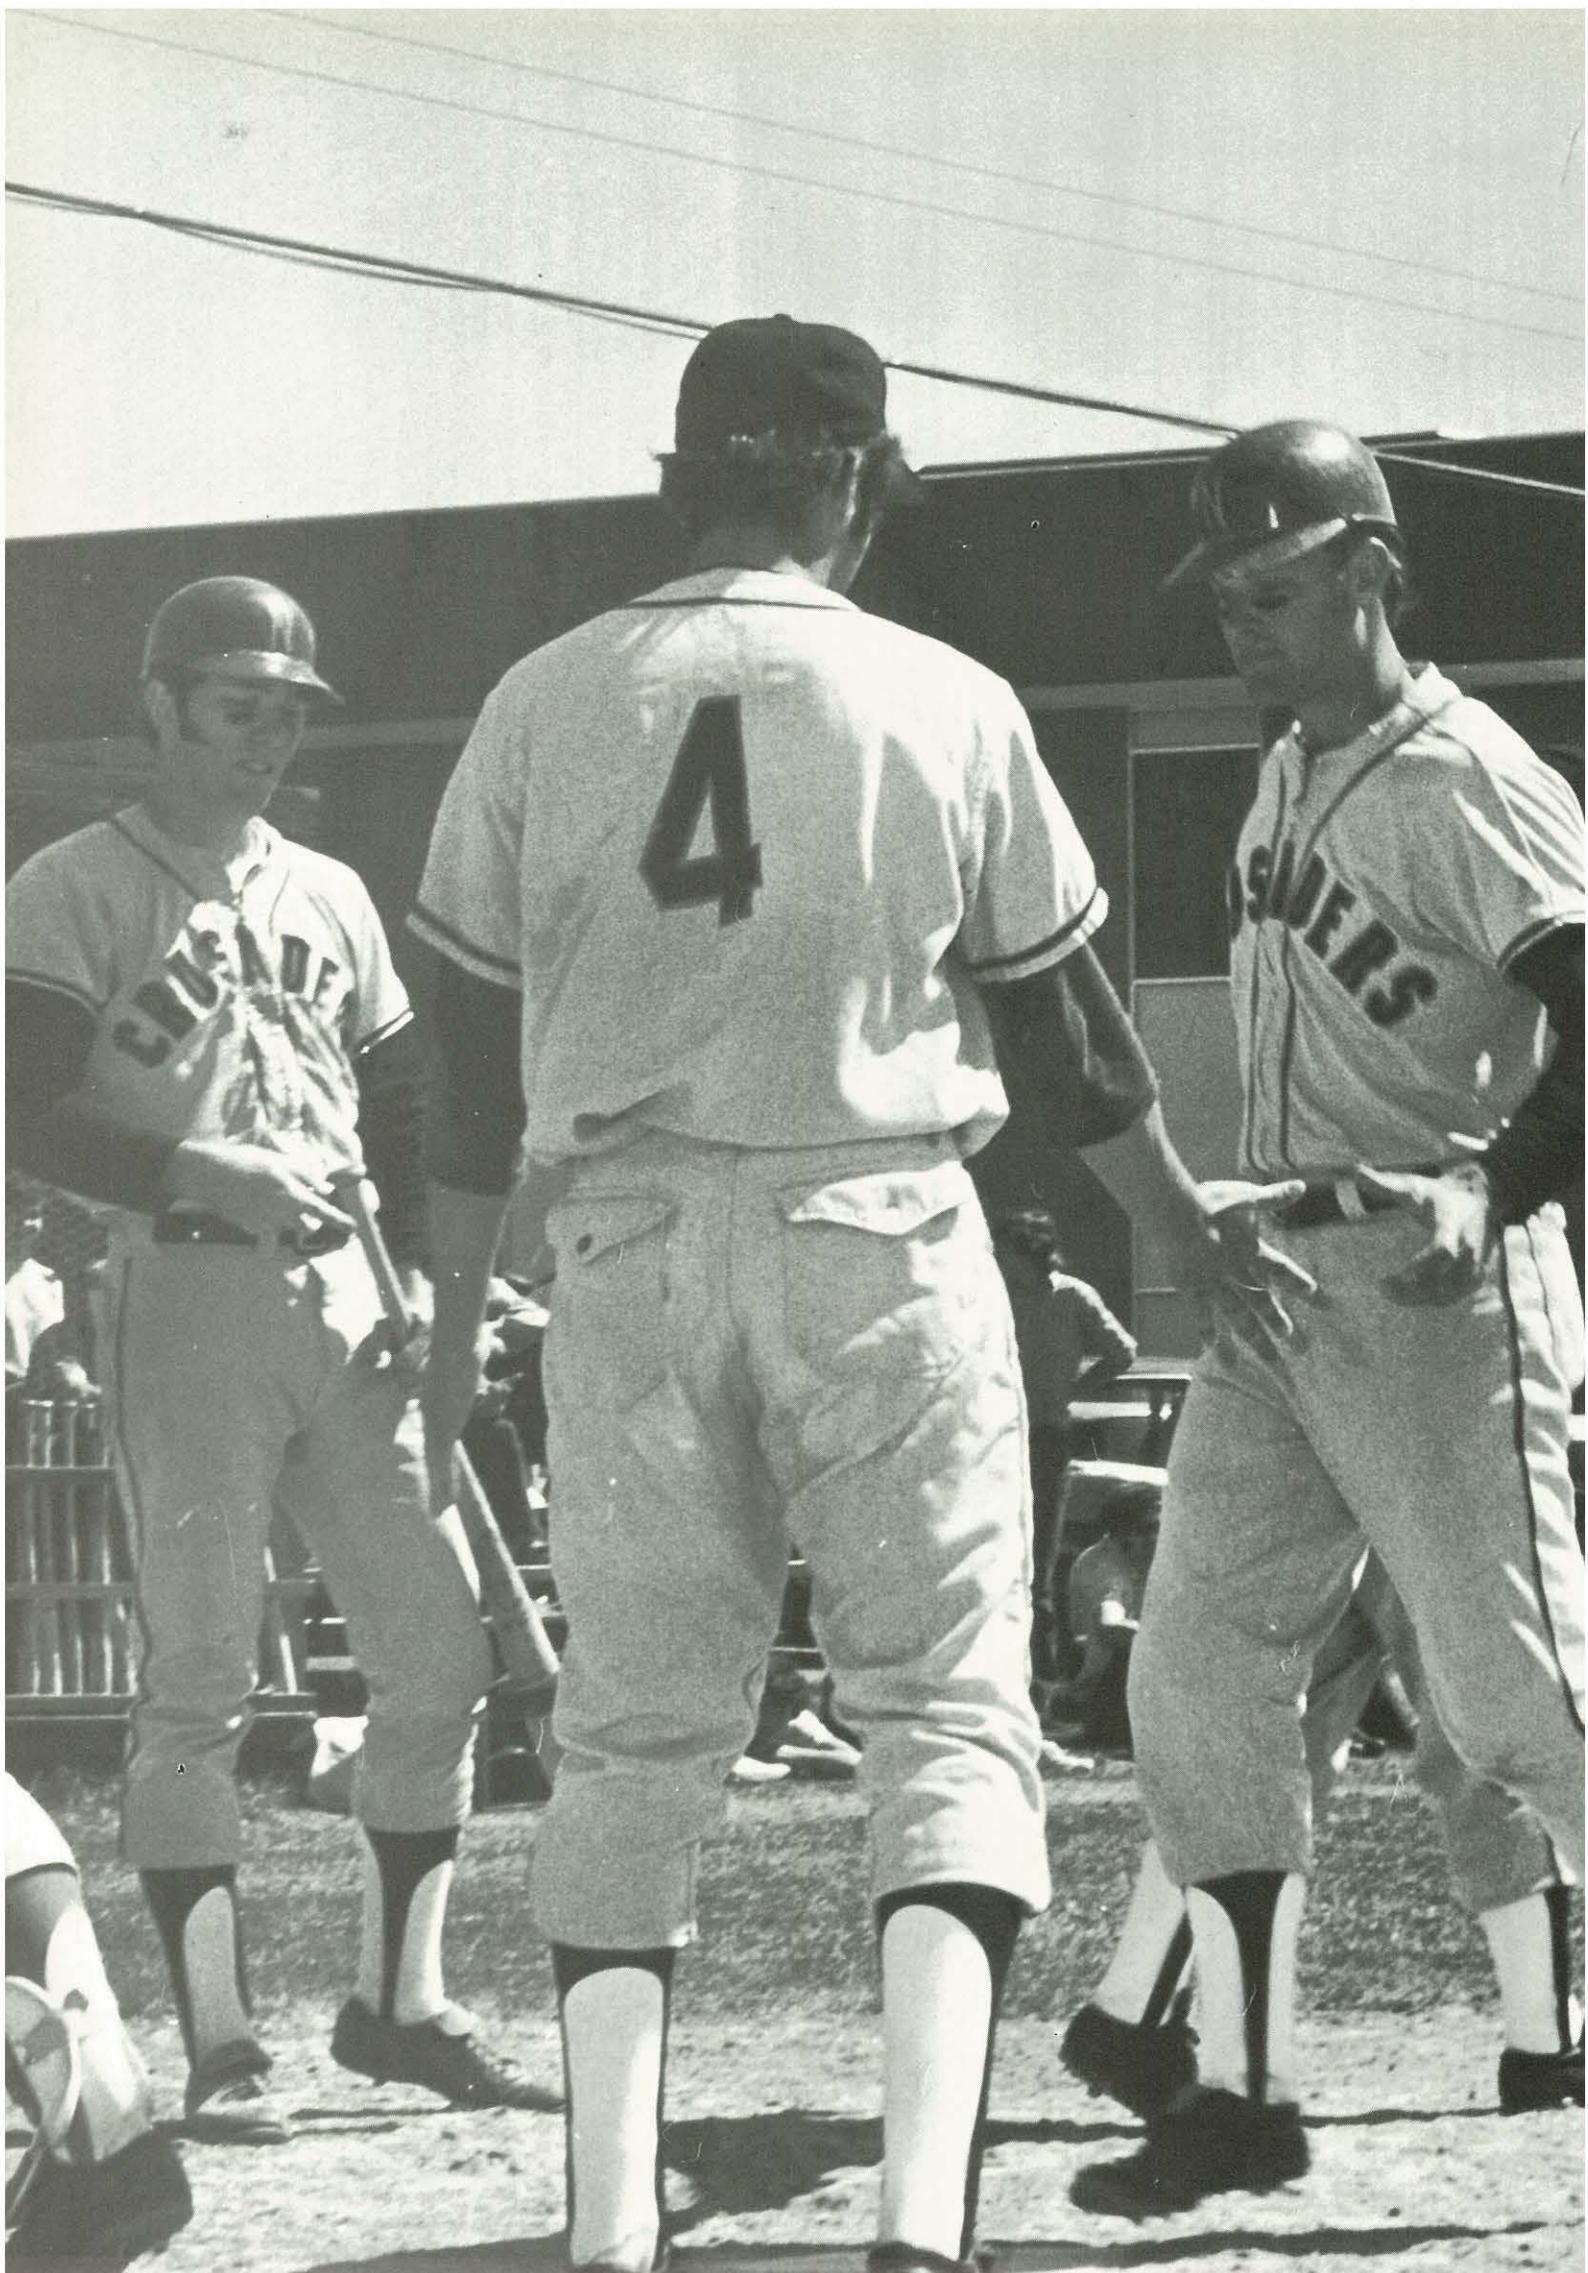

Junior Dave Boschker was the team's most effective hitter with a .338 average besides leading the team in doubles with 8 and sharing the RBI high of 14 with Bill Campbell, who hit .316, second high on the squad.

Veteran Dale Tindall was the team's swiftest base runner, recording 4 steals during the year and scoring 19 runs.

In the pitching department, Denny Johnson set the pace with the lowest earned run average (2.74), most wins (3), and most strike-outs (33). Terry Irish, unable to complete the season due to a muscle strain, still came up with a respectable 2.92 ERA.

Despite their dismal record, the Crusader diamond crew came up with key wins in the College Classic, downing Weber State, and on Prospective Student Day over tough Idaho State.

# TRACK

In 1971, NNC's track team failed to win a meet. In 1972, the squad took two contests by impressive scores. In 1971, only two school records were surpassed. 1972 saw marks go by the boards in no less than six events, two of them twice. The '71 season saw no Crusaders attend District. This year six athletes competed; two of them, Dick Huling and Gary Jeans, earning places with lifetime best performances. All in all, track was easily the most improved of NNC sports teams.

Helping make the season a success was sophomore Dick Huling, the teams leading point scorer and most consistent winner. Dick's best event was the 880 in which he nabbed second spot at the District meet with a school record of 1:54.1.

A strong group of freshman proved invaluable to coach Paul Taylor's forces this year. One of them, Dennis Rabe, came through strongly in the javelin, an event that had been weak for NNC in recent years. Dennis changed all that, however, with a 190-foot toss that cracked the old school mark by over a foot.

Gary Jeans impressed with his consistent quarter-miling, eventually improving his best to 50.8 for a sixth at District.

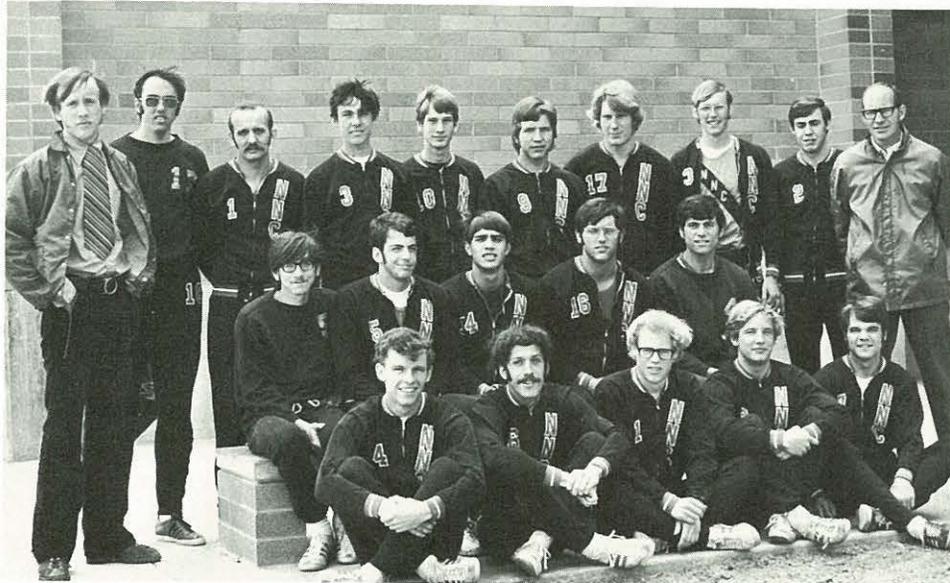

Although NNC lacked an abundance of returning lettermen, sophomores Steve Wolfe and Roger Schmidt helped take up some of the slack, both beating their own school records from last year. Wolfe, who unfortunately missed District due to an appendectomy, nevertheless triple-jumped 44 feet, 9 inches while Schmidt was pole vaulting 13-8.

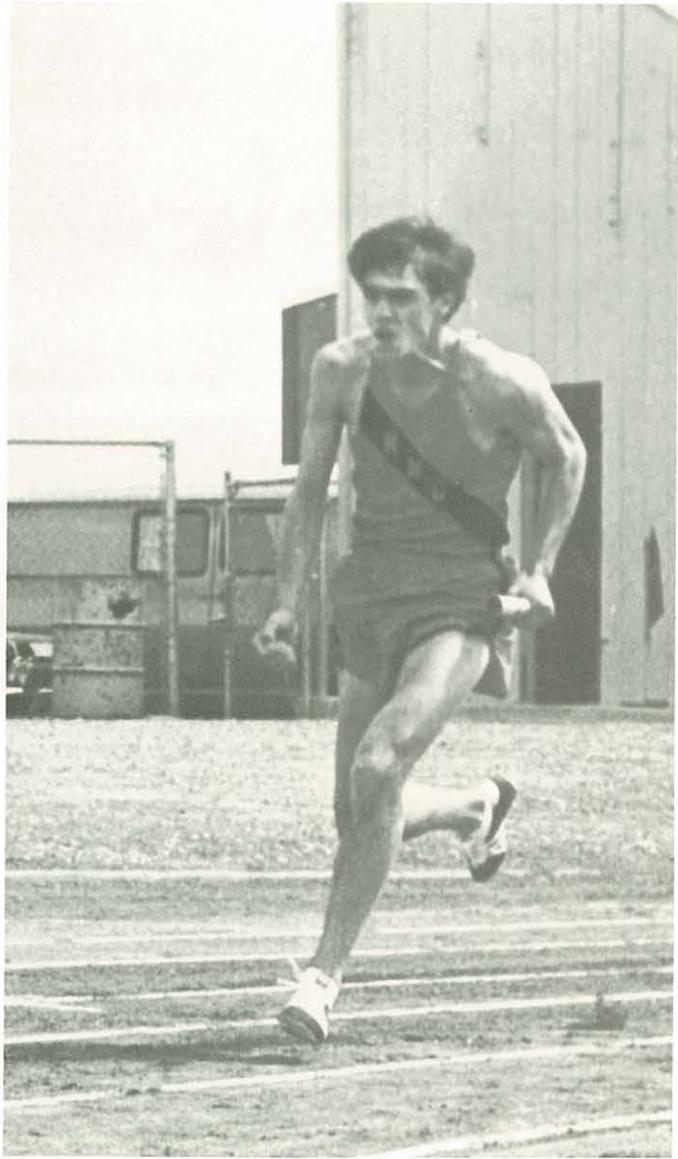

The annual NNC invitational was a huge success this year, drawing many top-notch performers. It was also the scene of two more new school marks. First, the 440 relay team of Jeans, junior Dave Mangum, Wolfe and frosh Bob Jackson, legged a 44.2 to nab fourth place although they were only three-tenths of a second behind winner Boise State. Then Huling anchored a sprint medley team of Jeans, Mangum, and Jackson to a victorious 3:35.2 clocking with a fine 880 leg.

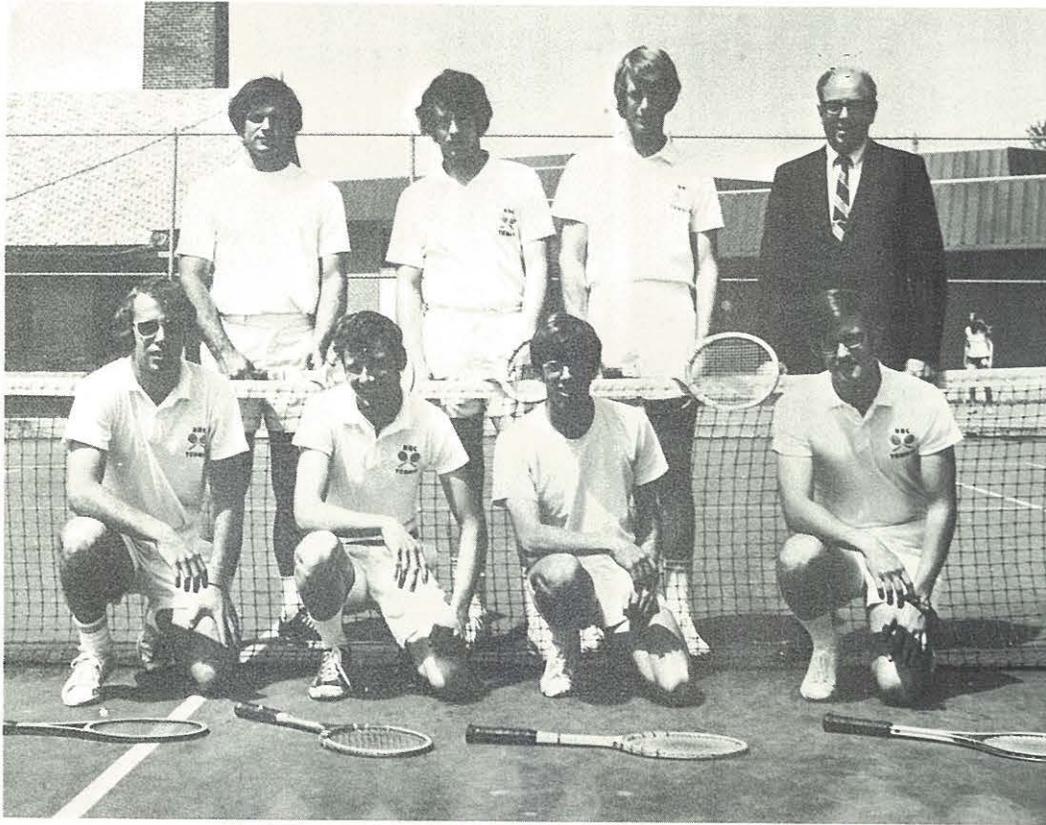

**Row 1:** Dave Perkins, Dave Mangum, Rob Edwards, Wayne Walker, Dick Huling. **Row 2:** Don Scherer, Steve Wolfe, Gary Jeans, Dennis Rabe, Craig Schanaker. **Row 3:** Stan Cochran (Manager), Ken Borbe, Bill Burns, Sid Sever, Bob Vail, Roger Schmidt, Cris Andrew, Dave Westmark, Joe Simmons, Coach Paul Taylor.

**Row 1:** Val Hein, Stan Galloway, Greg Jamison, Wayne Skeen. **Row 2:** Dave Edtl, Rick Shafer, Marv Merkel, Coach Orrin Hills.

## Mens Tennis

Although they were slightly overshadowed by the girls' team, NNC's men's tennis team closed out their season with a respectable 8-7 record.

The netters' were led once again by junior Val Hein, who came up with a fine 11-4 win-loss singles record. Joining Hein to form NNC's number one doubles team was the team's only senior, Greg Jamison, who went 6-9 in single's competition.

Others earning winning records were Rick Shafer and Dave Edtl in the fourth and sixth positions with 8-2 and 8-5 slates, respectively. Sophomore Marv Merkel held the third slot all season long while the squad was filled out by Wayne Skeen and Stan Galloway in the fifth and seventh spots, respectively.

Highlights of the year included victories by Hein over opponents from Boise State and Weber State Colleges.

Tennis fans should expect good results next season as NNC will be represented by a veteran squad.

**Row 1:** Linda Hill, Candy Cramer, Sandy Vail, Judy Chadwick, Karen Fritsch. **Row 2:** Dorothy Bundy, Linda Sutherland, Aileen Chadwick, Benni Kirschner, Judy Boyd, Coach Martha Hopkins.

## Women's Tennis

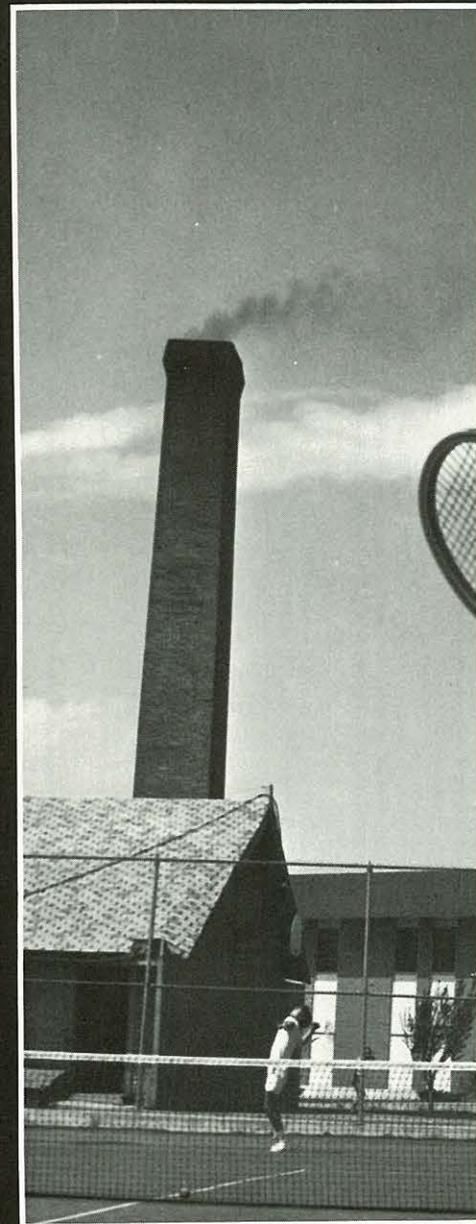

Easily earning the title of NNC's most successful sports team, this year's girl netters swept through their season undefeated and came through victorious in the state-wide tournament.

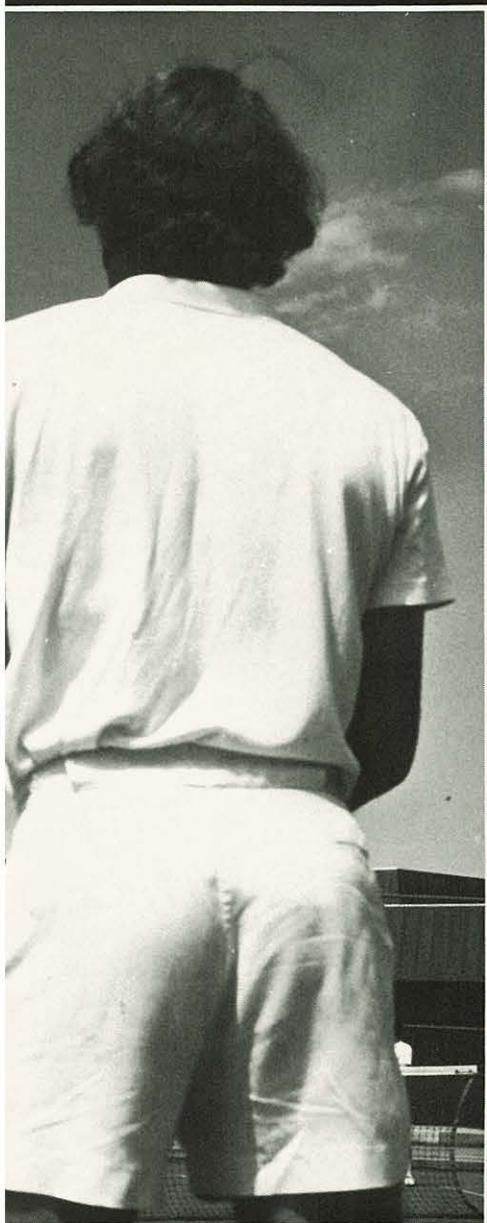

Paced by Karen Fritsch and Judy Chadwick, the top two seeds, who came away with eight victories apiece, the girls dropped only three individual matches while winning forty. Ten girls competed in singles matches while three doubles teams posted unblemished records to take 10 victories.

The end of the season saw Fritsch, Chadwick, Vail and Cramer compete in the District tourney in Monmouth, Oregon.

### LOVE CAME DOWN

Dear God of Love  
    forgive my hateful ways,  
And cleanse my sickened soul  
    with healing chastening rays.  
Change my darkness into golden day,  
Send glorious light to drive  
    the shadows all away.  
When all things seem beautiful,  
    all life's joys are unbound;  
Then I'll remember life before love came down.

All truth is gone,  
    there's nothing to believe,  
The world is turning on,  
    but there's nothing there for me.  
Brutal force can reign where hate is free,  
But through the ages ring those  
    love words—peace for thee.  
When all things seem shaken,  
    beaten down to the ground;  
Then I'll remember when love came down.

# ORGANIZATIONS

Every institution of higher learning has its fair share of organizations: a group of people drawn together by a common interest. NNC was no exception. On our campus you could find your place in a club, a dorm council, a committee or on a team—the list was endless. Beginning with Club Day in October, when enthusiasm ran rampant, down to the last sultry days in May, when spirits ebbed, the various organizations pictured on these pages fulfilled their role in making NNC a more interesting place to live.

Congratulates NNC's  
1972 Graduates

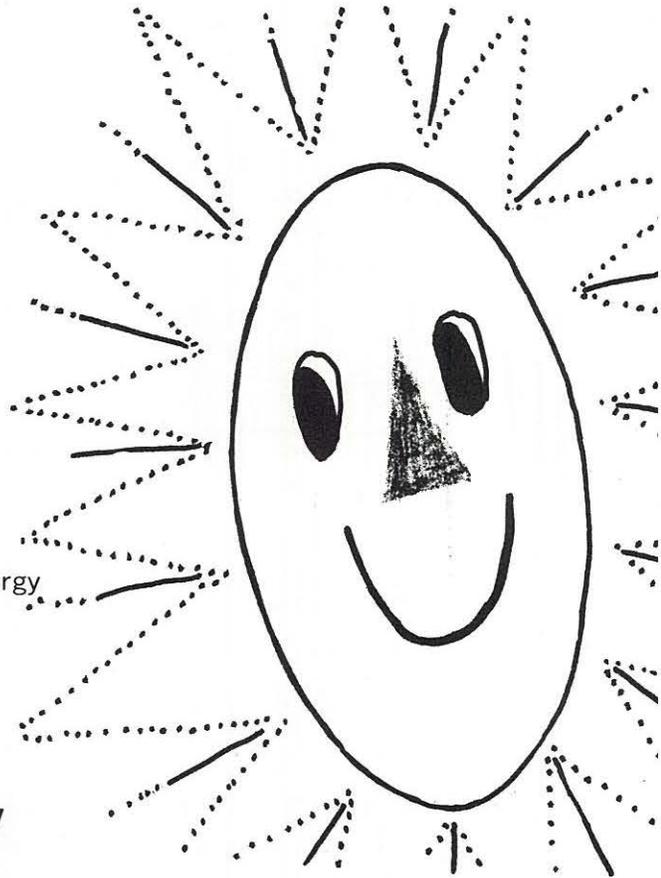

Making our world

“SUNSHINE CLEAN”

will take a lot of electricy

In a one-year period (1970-71) there were granted 297 patents which in some way dealt with the environment. All 297 of them required electricity to make them go.

To provide adequate supplies of the clean energy will require new generating facilities, compatible with the environment. Working together, with understanding, is the key to a better world.
