VOLUME XII NO. 4

TREVECCA NAZARENE COLLEGE, NASHVILLE, TENNESSEE

November 9, 1955

Dr. Ivey Stresses Purposes, Ideals

Dr. H. M. Ivey, director of Associated Consultants in Education, recently visited the campus. He expressed appreciation for the school, and indicated that we should strive to hold to our church doctrines. Nothing in our religious faith will hinder our being accredited by the Southern Association of Colleges and Universities. In fact, accomplishing well our purposes along religious lines will be of definite help to us.

He emphasized that all students should know the ideals and purpose of Trevecca as a church college, and should realize their obligations to the church. Also students should know the progress Trevecca has made.

In regard to the visits of the educational consultants to his office, Dr. Adams says, "They emphasized the wisdom of Trevecca's present policy in finding personnel in harmony with its purpose and program who have achieved scholastic recognition or are continuing graduate work, rather than having a number of teachers only for the sake of higher degrees."

Dr. Mackey states that the consultants commended the integrity of the business administration and were complimentary of plans and recommendations concerning the debt liquidation campaign and development of industrial property in relation to the invested endowment.

Dr. Ivey was pleased with the Counseling Department under the direction of Professor K. W. Phillips. He emphasized the importance of guidance and counseling for the college age student, as it is the age when most young people are serious minded. He indicated that our counseling program covers the guidance field, and no additions were suggested.

Somervilles to Visit West Indies

Rev. D. S. Somerville, district superintendent of the East Kentucky District, and Mrs. Somer-

Rev. William Willhoyte, District Treasurer, presents check of \$3,357.95 from the East Kentucky District to President Mackey. From left to right: Rev. Willhoyte, Rev. D. S. Somerville, Mrs. Somerville, Dr. A. B. Mackey.

Dr. and Mrs. Mackey Entertain Faculty

The president's home on October 27 was the scene for the monthly Faculty Fellowship.

Interesting reports from the recent Nampa trip were given by Dr. Mackey, Dr. Adams, and Professor and Mrs. Richardson. Professor Richardson showed colored slides of scenes along the way, and also of Northwest Nazarene college and the personnel attending the educational conference. Mrs. Mackey showed some slides of Dr. A. K. Bracken's wedding in September at Bethany, at which she and Dr. Mackey were guests.

Mrs. Mackey with the assistance of the Faculty Activities Chairman, Mrs. Redford, and Mrs. Shelton, served seasonal refreshments.

ville were en route to the West Indies when they stopped at Trevecca, October 31 with the East Kentucky Caravan.

This trip is made possible for them by a love offering of more than one thousand dollars for them at their district assembly.

They will visit missionary work in Cuba, Haiti, Puerto Rico. Mrs. Somerville, missionary president of the East Kentucky District, and Rev. Somerville will have opportunity to view missionary work in these places.

E. Kentucky Caravan Arrives

The Kentucky Caravan which made its annual visit to Trevecca, October 31, was met by school officials near Goodlettsville, and escorted through town.

Upon arriving on the campus, the guests were entertained by a welcoming program at the Fine Arts Building.

East Kentucky students honored the Kentuckians with a banquet held in the cafeteria. The theme was "Harvest Time" and the speaker was Rev. Somerville district superintendent of East Kentucky.

Following the banquet, the group assembled in the chapel for a service. At this time Dr. Mackey was presented with a check for \$3,357.95 for the school budget.

The visitors enjoyed touring the dormitories during open house.

The caravan left for home early the following morning.

Educational Consultant Compliments Library, Registrar's Office

In the eyes of accrediting agencies our library is the center of Trevecca's curriculum and ranks with the financial and administrative organizations of the college.

Dr. Drake Campbell, president of Florida State University and a former dean of Peabody, is one of the consultants in education, and in his recent visit to the campus indicated that our library, under the direction of Mrs. A. B. Mackey, is off to a good start.

There are numerous phases in which we can contribute. One area is filmstrips. Research has proved that educational films and filmstrips provide more learning in less time, improvement in retention, and reduction of reading limitations and school failures. This could be a simple matter if, for example, each departmental club would choose a filmstrip relevant to its field, and present it as its project to the library. In this way, a good filmstrip section could be built without too much expense to any one group, and it would be a project of lasting nature.

Other needs are specific volumes for various departments and records and phonographs with ear phones. Anything that the students can do in this area of our school's need will be greatly appreciated, and the understanding that we have done something worthwhile for our school will continue to repay us in the years to come.

Dr. Campbell was pleased with the registrar's work, and indicated that no changes would be needed in Miss Person's system of keeping student scholastic records.

"We Gather Together"

"We Gather Together" is the theme of this year's annual all-school Thanksgiving Banquet which is sponsored by the Senior Class.

Climbing the Heights

Some people seem to find rest and relaxation at the ocean. We always marvel at the great expanse and momentum of the ocean, and enjoy watching the brakiers roll amid dancing white-caps; but watching the restless, even-moving sea may tire us and make us feel that we are a part of the convulsing mass of unsatisfied humanity.

When we want rest and relaxation we can also think of the mountain heights. There is a peace and solemnity in the magnitude of the silent mountain peaks that inspires one to get alone with God, and gives reassuring faith in our inheritance with the Infinite.

In these days of stress and strain we need to climb the heights with God, and get alone with Him, in order to keep aloft from the tempter's snares, while ministering to the teeming multitudes in earth's restless sea of time. Jesus set the example for us which is recorded in Matthew 14: 23, "And when he had sent the multitude away, he went into a mountain apart to pray; and when the evening was come, he was there alone."

Missionary's Son Is Student

"I really did like it there—especially the tropical climate," is the sentiment of Ray Miller when he thinks of Trinidad, where he lived for the past six years.

Ray, who was born in South Africa, is the son of missionary

Winter Song

The birds have flown away to the South
The river has frozen at its mouth.
And since it's turning very cold,
Our coats and sweaters we unfold;
So when the snow comes falling down
To cover each street and house in town,
We thank God for His kindness here
And know that He is ever near.
—Mildred Pearson, freshman

What Am I?

I have inspired many young people to attend class against their will; and I have wooed them away from class by my pleasing appeal.

In the early morning hours my voice is raspy, and to many students my heart is cold and hard. I am not the same sweetheart of the night before.

I have gone along the college walks amid the happy throngs on their way to chapel services.

Some people say that I have been the cause of many accidents and rivalries by urging my admirers to be first in line.

But at night I am so very misunderstood; for when I say, "It is bed time, and you must go home," you pretend not to hear.

Down across the years I have been associated with many fine young people who are today on the far-flung battlefield of the Lord.

I solicit your friendship. Yes, you have guessed it, I am the College Bell.

Choir Has First Outing

On November 5 the A Cappella Choir sponsored its first outing of the year. A lot of planning and hard work went into the affair. Charles Cork, the choir president, said it proved a great success. The group left the campus to go on a hay ride to Edwin Warner Park where they were served a chili supper. Approximately fifty attended. After the evening of fun and relaxation the group felt they could begin anew in working on musical numbers in preparation for Christmas, spring tour and a possible trip to the General Assembly.

parents. He is a freshman in high school here, and plans to finish school at Trevecca. He spent two years at Bethany.

"On to 2000 Converts" Is C. W. Slogan

The slogan, "On to 2000 Converts," which the Christian Workers set for the school year was a step by faith, but with the present average of thirty-eight converts per week this goal can become a reality.

According to Ralph Lee, the president, there have been some very outstanding services which were so blest of the Lord that no preaching was necessary.

The Christian Workers are marching on under the banner of the Lord Jesus Christ.

"As Busy as a Bee"

"As busy as a bee" may be a trite saying, but we Christians would do well to take a lesson from the bee. The honey bee's span of life is only between five and seven weeks, but she gives it all for others. I, the pronoun is correct here, for it is the female bee that is the worker.

Soon after coming into the world she goes to work cleaning out the cells or rooms of the house. Her next duty is to feed the younger bees. Not many days have passed until she is carrying pollen which is used for food. Then she can be trusted to carry the nectar for the honey. A little later, when she is not as young as she once was, she stays at home and stores what the other workers bring home. When she no longer can hurry as she used to do, she is still busy air-conditioning the factory for the workers. This fanning also helps to eliminate the undesirable and that which would spoil the honey.

She works until she dies, and when her span of life is over the younger worker bees carry her out to the cemetery and lay her with her kindred element.

Yes, the worker bee finds her place in life according to her ability and fills that place throughout life's short day with all her might.

Dispensary Is Open To All Students

Open to all students the school health dispensary, which is located in the basement of McKay Hall, is open from 5:30 to 6:30 Monday thru Friday.

Miss Virginia Benedict, the school nurse, is in the dispensary on Tuesday, Thursday, and Friday evenings. Those students who wish to consult with her are welcome to do so at that time.

(Continued on page 3, col. 2)

Chapel Bells

Rev. Claude W. Galloway brought the chapel message on October 17. He called us to be alert, active all the time, to run and not be weary, to walk and not faint.

Rev. O. C. Mingledorff, answered many student questions. "Who is God?" "Who are we?" "What is Sanctification?"

"Be clear not to miss God's calling; if you miss God's first choice you will have to pay, was the message Rev. Ed Cox, pastor of McClurken Memorial Church, brought and encouraged our hearts.

The Perils of the Ministry was the theme of Rev. Ralph Shurman, pastor of Grace Nazarene Church. He closed with the statement, "Keep in close contact with the master and never be satisfied with anything less than God's best."

Prof. K. W. Phillips, Dean of Students, explained the Scripture, "He will lead you into all truth . . ." He impressed upon us our need to be guided by the Spirit.

"None of us are stronger than the weakest point under test or pressure," was the high point of Rev. John Knight of Florida. He also emphasized that God had confidence in Abraham. "Does He have confidence in you?"

Rev. Everett Howard, Missionary to the Cape Verde Islands and the Mexicans told of many experiences and how God had helped him. He told us of many answers to prayer and said God has called us to pray and fast.

Rev. Ford Boone of Mississippi used for his theme "How to Win the World's Greatest Game." The rules are repentance, sanctification and undying persistence.

Rev. Charles Childers, principal of Trevecca High School, spoke on the "Church God Built." He emphasized that it had a sure foundation, was a missionary church, not selfish, a church that prayed and prevailed. These will have to be characteristics of our churches today. He closed with a striking sentence, "People can carry a bigger load on their knees than on their feet."

Mrs. Everett Howard, Missionary, used the Scripture, "Ye have not chosen me, but I have chosen you" as her text. She told of her years in Cape Verde Island and also with the Spanish-Mexicans.

Social Ledger Leaves

Whoosh! Guess what happened? A whole bushelful of leaves just dropped on my head. These cold days when Mr. Northwind is blowing his breath so the leaves really fly.

Cold weather is improving the social relationships on campus too. The weatherman is giving the boys a chance to "loan" their basketball, football jackets and letter sweaters to the girls of McKay Hall!

In my wanderings around campus over the week-end I saw a lot of happy faces. I found the smiles were caused by visitors from home. Mr. and Mrs. George C. Hodges from Charleston, West Virginia were here to visit their son George. Miss Flo Brogan, one very "close" to George's heart, also accompanied them. Also from Charleston came Jan Penix's parents, Mr. and Mrs. C. P. Penix, her grandmother, Mrs. Blanche Snead, and a friend from Marshall College, Lloyd Calvert. From Mt. Sterling, Ohio, came Jo Lynn Armstrong's mother, Mrs. Edna Armstrong, and friends, Mrs. Agnes Hasler, Bobby Hasler, Darlene Stage, Betty Stage, and Etta Mae Harris. Leaving from the campus this week-end was Mr. and Mrs. Fred Parsons and son Charles who enjoyed a very pleasant week-end with their daughter Mrs. Joan Harden and family. Mr. Parsons spoke in the morning service at the Bicknell church where he had formerly pastored.

Going into the Administration building the other day I saw Harold Hughes dashing here and there frantically searching for something. I asked what was wrong and Harold very crestfallen explained that the first artistic efforts of his life had been "misplaced." Interested in all building artists I was anxious to see his work. In a few minutes after triumphantly rescuing his pictures he proudly showed it to me. Imagine my surprise when I

Olivet Students Visit

A strong band of friendship seems to prevail among our Nazarene Colleges. Regardless of the campus visited one feels a part of it as he becomes one of the vast circle of Christian fellowship.

On October 22nd. T.N.C. welcomed two young men from Olivet Nazarene College in Kankakee, Illinois. These were John Paton of Indianapolis, Indiana, and Marlin Sanders of Dayton, Ohio. This was John's first visit to T.N.C. and the first visit this year from Olivet.

The visit will be returned November 11 when R. T. Kendall and Ralph Lee go to Olivet for the school's traditional "tip-off" marking the opening of basketball-season and homecoming. We hope these friendly visits and spirit will continue among our colleges.

Dispensary Is Open To All Students

(Continued from page 2, col. 3)

Winifred Halstead, Miss Benedict's assistant, is in the dispensary on Monday and Wednesday evenings. Miss Halstead is also available for students' needs at other times, but unless there is an emergency, it is better to wait until the dispensary is open.

saw Freshman vs. Sophomore in rather crooked letters scrawled across a cardboard sign.

The social highlight of the week was the annual Halloween party which was really a "thriller" this year. Following Gerry Clay and Guerry Teeple to the McClurken building I joined the line of sightseers, among them Robert Field, Bonnie Fay Williams, Phillip Riley and Shirley Biggs, going to the "Den of Horrors." The juniors really made it chilling to the bone this year.

Oh! here comes another avalanche of leaves. I must run. Remember watch the "leaves falling."

National Teachers Exams To Be Feb. 11, 1956

PRINCETON, N. J., October 28. The National Teacher Examinations, prepared and administered annually by Educational Testing Service, will be given at 200 testing centers throughout the United States on Saturday, February 11, 1956.

Application forms and a Bulletin of Information describing registration procedure and containing sample test questions may be obtained from college officials, school superintendents, or directly from the National Teacher Examinations, Educational Testing Service, 20 Nassau Street, Princeton, New Jersey. Completed applications, accompanied by proper examination fees, will be accepted by the ETS office during November and December, and in January so long as they are received before January 13, 1956.

Ruth Johnson Is Efficient Darda Editor

Checking picture appointments; planning unique snaps; developing theme lay-out; pushing the staff to meet the dead-line—all these are but a few of the many duties of our busy Darda editor, Ruth Johnson.

Ruth, a college junior, hails from Sparta, Tennessee. A graduate of White County High School in Sparta, Ruth kept busy in school activities and has followed this precedent in college. She was vice-president of the honor society, vice-president of the Science Club and treasurer of the Missionary Prayer Band. This year Ruth has captured one of T.N.C.'s top honors, that of chief editor of our yearbook.

Ruth is a devout Christian and has always been active in church work. She served as N.Y.P.S. president for three years in her home church in Sparta and as Sunday School pianist. Since she has been at T.N.C. she has become a member of College Hill church and is active there as an assistant Sunday School teacher, program chairman of the N.Y.P.S. society and a member of the church choir.

Some interesting side notes on our editor are that she is interested in photography, plays the accordion, just "loves" buttermilk and crackers, and spends most *(Continued on page 4 col. 3)*

"We Gather Together"

(Continued from page 1, col. 4)

The Banquet will be in the school cafeteria on Friday, November 18, at 7:30 p.m. Tickets will be on sale the week preceding by the Senior Class.

Just as the pilgrims gathered together over three hundred years ago to give thanks and reverence to God, students who attend this year's Thanksgiving Banquet will find an atmosphere of harvest-time and a spirit of Thankfulness to God for His goodness and mercy.

TREV-ECHOES Staff appreciates any suggestions concerning the paper. Use the box in the McClurken lobby.

Goodwin's Passes Beat Upperclassmen 33-26

A dragging Upperclassmen team bowed to defeat before the aggressive Freshmen 33-26.

Putting life into the game to begin with, Donnie Smith intercepted an Upperclassman pass and easily paced off the 15 yards for a score. Following him came a 10 yard drive by Roy Miller to add the second score to the game.

The upperclassmen pulled out of the slump when Dan Godby passed to Larry Finger 30 yards for the score.

Shortly after the Upperclassmen T. D., Wayne Goodwin passed to Donnie Smith for Smith's second score.

Larry Finger counteracted this score by tallying on a 40 yard pass thrown by Dwight Presson.

Goodwin passed successfully to Larry Smith for another score and again to Toby Williams to put the Upperclassmen further behind.

Near the end of the game the Upperclassmen made a new attempt to win when Dan Godby raced 43 yards for a score and was followed a few minutes later by Larry Finger on a 40 yard run. The rally was halted by the final whistle.

Officials were: Bruce Kelly, Harold Hughes and Ed Whittington.

Sophomores Win Over H. S.

The high-flying Sophomores won their third straight game Tuesday, by beating High School 58-6. The spunky High Schoolers managed to break one record, though, by being the first team to score against the Sophs.

It was Moody Gunter all the way. He ran three touchdowns over, and passed to Larry Finger, Walton Brown, and Don Pyles for five more. Don Pyles scored one by himself on a 20 yard run. Rusty Hartsell caught two Gunter passes for two of the extra points. Brown and Pyles kicked one each.

Upperclassmen Rout High School 44-6

Those Finger brothers had a big "hand" in the Upperclassmen riot over the High School Saturday. Larry and Joe Finger scored three touchdowns each on passes and Dan Godby ran 40 yards to rack up a 44-6 score.

Dwight Presson's arm was the key factor, since he was on the passing end of the Fingers' touchdowns.

The Upperclassmen got three extra points—Presson to Larry Finger, Presson to E. C. Rose, and a plunge by Godby.

The High School touchdown was made on a pass from Bruce Kelly to Arnold Spruill.

Wayne Goodwin Stars As Freshmen Win, 33-7

It was Wayne Goodwin all the way Tuesday as he figured in all 33 points of the Freshman 33-7 win over the High School.

Goodwin passed to Roy Miller twice, and to Larry Smith for three T.D.'s, and scored the other two himself from 12 and five yards out. He passed twice to Larry Smith and to Bob Fulwood for the three extra points.

Bill Galloway made the High School touchdown on a pass from Bruce Kelley. Jack Cruse scored the extra point on another Kelley pass.

The freshmen completed 7 out of 12 passes; High School completed 11 out of 24. First downs favored the High School, 12-10.

Jim Hampton scored on an 11-yard pass from James Spruill, to make High School's touchdown.

Sophomores led in first downs 7-6, and completed 8 of 16 passes. High School's passing total was 12 of 22.

Upperclassmen Girls Win Volleyball Series

The Upperclassmen Girls' Volleyball team beat the High School Girls' Team two out of three games Saturday. The scores were 22-20, 11-9, Upperclassmen, and 11-9 High School.

Team members are: Upperclassmen—Emily Hamilton, captain, Carol Asbury, Lib Stucki, Mary Jo Bowling, Ruby Potter, and Norma Jean Peters. High Schoolers are:—Linda Hampton, captain, Barbara Martin, Judy Wallace, Betty Greene, Beverly Forman, Judy Weaver, Wanda Crossman and Ruth Burns.

H. S. Girls Defeat Sophs In Volleyball

The Sophomore Girls' Volleyball team was defeated two games in a row by the High School Girls' team 21-10, and 11-8, Tuesday.

High School team members are: Linda Hampton, Betty Green, Barbara Martin, Joyce Turner, and Ruth Burns.

Sophomores are: Nina Griggs, Justine Rushing, Joan Barry, Jeanette Griffin, and Carol Bryant.

Ruth Johnson Is Editor

(Continued from page 3, col. 4) of the "few" leisure hours she has in the company of one of our new faculty members, Professor Charles Duckett.

Sophs Add 4th Victory

Still roaring and undefeated the powerful Sophomores again pawed their way to victory to win over the Freshmen 30-0.

The strong air attack of the Sophomore team led by Moody Gunter netted them 4 of the 5 touchdowns.

The score that set the Sophomores rolling was early in the game when Robert Hedgepath raced across to score on a pass from Gunter.

Others scoring on passes from Gunter were, Don Pyles (1), Ed Whittington (2).

Hedgepath scored on a 40 yard run to end the scoring spree.

The Freshmen, although out-classed in their passing, gained 9 first downs to tie the winning Sophomores for yards gained.

Officials for the game were: Harold Huges, Bruce Kelly and E. C. Rose.
