Announcement Issue

OUT-OF-DEBT CAMPAIGN

JORTHWEST NAZ-ARENE COLLEGE is facing a crisis. In order for the institution to go on and accomplish what God intends for it it to accomplish, the capital indebtedness must be liquidated. This is not an impossible task. It can be done. It must be done. It will be done --- IF --- the Northwest Church of the Nazarene will rally. The District Superintendents recently met in conference with Dr. R. T. Williams in Portland, Oregon and appointed a Finance Committee. The Committee met and organized as follows:

> Rev. R. J. Plumb, Chairman Mr. O. G. Huling,

Vice-Chairman
Rev. G. A. Finch, Secretary
Rev. A. E. Sanner, Treasurer

Rev. H. B. Wallin

The Committee has drafted a plan by which all money will be held in trust until a sufficient amount has been received to satisfy all the creditors. If it is impossible to realize this amount, then all sums of money received above \$5.00 will be returned to the donors. If the latter should happen THE COLLEGE IS LOST FOREVER. But we are sure that God is going to help us put this campaign 'over the top'.

Rev. RUSSELL V. DeLONG ACTING PRESIDENT

The campaign plans have been presented to only four congregations thus far and approximately \$27,000 has been subscribed. The campaign opened in the college chapel when \$13,089 was subscribed. Following this the plans were presented at the North Pacific, Northwest and Idaho - Origon District Assemblies where they were enthusiastically endorsed and large subscriptions made bringing the total up to the \$27.-000 mark. Let every Nazarene rally and push this campaign until we can pay every incumberance on our great institution.

Rev. J. C. Henson has been engaged by the Finance Committee as its

agent and will in the near future announce further plans for the grand culmination of this glorious effort to place Northwest Nazarene College entirely out of debt.

Elsewhere in this issue is printed a subscription blank. Fill it in with the amount that God would have you give and mail it to Rev. A. E. Sanner, Treassrer, Nampa, Idaho.

Mrs. Mabel Swalm, our efficient cook, remains at the college during the summer and will can fruit for another year.

THE NAZARENE MESSENGER

A monthly journal devoted to the interests of the Northwest Nazarene College.

CHRISTIAN EDUCATION AT N. N. C.

Education is one of those indispensable broadening factors which should enter into the life of every ambitious Christian. It is true that we can enjoy the peace and blessing of God on our lives without having an education, but we are saved to serve, and it has been proven by almost universal experience that the lack of an education is a severe handicap to the earnest Christian who would be his best for the Master.

To the ambitious young men and women of today, and especially to the young Christian, is presented the opportunity to study under the most favorable of Christian influences, the kind of influences which bring out the best that there is in him, both spiritually and intellectually. In an environment such as that which prevails at N. N. C., the student is being constantly spurred on to do his best, to develop his Christian character and his mind to the utmost, and to prepare himself to fill that place in life which the Master has reserved for him.

The school year just past has been a real time of blessing to everyone in the school. The work has not always been easy, and the trials have not always been easy to bear, but through it all there has

been a note of triumph. Spiritual and mental battles have been fought and won, character has been strengthened, and students have been better equipped to fight the battles of life.

The next year at N. N. C. will present even greater possibilities to the student than the year just past. With the "Out of Debt" campaign well under way, with the bright prospects for a larger student body, and with the assurance of a still stronger faculty, we are looking forward to better times of fellowship together, to more abundant opportunities for development, and above all, to greater times of spiritual blessing.

R. MATTMUELLER, Student-Body President 1927-28

STUDENT WITNESSES

I thank the Lord this morning for saving and sanctifying my soul. I had only been a Nazarene part of a year before I came here. This is my second year in N. N. C., I was saved and sanctified when I came here but now I have been grounded in the doctrines of the Nazarene Church. I feel so rooted and grounded in the doctrines of the Nazarene Church that I think it would be very hard for any other church to change me. I am a Nazarene forever. N. N. C. has grounded me along this line. If I had not come to N. N. C. I might have been lead astray. I have come to understand it and see that it is taught by the Bible. I am sure that N. N. C. has finished its work and has established me in the doctrines of the Nazarene Church. It has been the best place I have ever attended in my life and I will never forget N. N. C. -

Harris B. Anthony.

Prof. De Long, words fail to express what this school has meant to me. This is my fifth year in school, I have been here for seven years and words fail to express what this school has Continued on Page 9

FALL OPENING, SEPT. 20, 1927

FOR INFORMATION, ADDRESS
Rev. Russell V. DeLong, Acting President
NORTHWEST NAZARENE COLLEGE
Nampa, Idaho

COLLEGE COURSES FOR ANOTHER YEAR

Some of the special courses for another year, will be advanced work in philosophy, extended work in the history department and new courses in English. In the department of biblical literature, the upper division work will consist of a study of the major and minor prophets, also biblical psychology. In theology, the study of theistic views will be considered along with other fundamental theories of God in being and attributes, also the origin and creation of man.

In the educational department there will be courses in methods and in general educational theory, fitting students for teaching at the close of the second year of their college work and those who wish to complete a full college course, a more extended training. In modern languages we expect to offer full range of work so that any need will be supplied.

A special new feature will be physical education given by Miss Hazel Orth; with this training we expect that our new gyin nasium will render greater service than it has the past year, and it already has been a source of joy. We expect also to have regular athletic work.

The expression department will carry on the usual lines of work in training in class expression, private oratory, argument and debate. This work also will be in charge of Miss Orth.

In the music department the voice culture will be continued by Mrs. DeLong. Her work this past year has been of a very high grade and we bespeak for her a large class another year. For the piano we are fortunate in being able to secure Mr. Walter B. Larsen who has been in the Western Conservatory of Music the last year and served as student teacher there.

In every way we feel that we can give a line of work that will meet the general needs of college students, and we are looking for a good year educationally as well as in other ways.

Special Short Course For Preachers

For those who cannot spend a long time in school, we are offering a special short course for preachers and Christian workers which will comprise as far as possible the work required in the Manual course of study. The general outline will be in keeping with the Bible College Course given in the catalogue. A diploma will be given to those completing this work. If you feel that you cannot give a number of years to intensive study, come and take this shorter course. A few years spent in school will give you a new outlook on your work. Write for catalogue for full outline.

The course will be varied to suit individual needs, but will be substantially as follows:

First	
First Semester	Second Semester
Gospels 5 hrs.	Acts and Epistles 5 hrs.
Theology 5 hrs.	Theology 5 hrs.
General History5 hrs.	General History5 hrs'

Approximate Expense for average

Indications are that the school year 1927-1928 will be the greatest in the history of NORTHWEST NAZARENE COLLEGE. The faculty has been strengthened considerably, new features are to be added to the curriculum, the Academy is to be fully accredited, hundreds of people are praying, scores of students are looking our way, the Out-of-Debt Campaign is being enthusiastically received and the prospects for next year are very bright.

Last year we registered in all depart-

ments a total of 327 students. Can we not enroll at least 400 this coming year? We have over 1000 names on our prospective student roll with whom we are corresponding. Will you not help us on the other end by boosting YOUR college and urging our own Nazarene young people to attend our own college? We must do it. We must train our own young people in our own Nazarene schools. If we do not, we cannot expect them to come back from secular institutions or even denominational schools, full - fledged Nazarenes. motto is, "Train Nazarenes in Nazarene Institutions".

STUDENT WITNESSES

meant to me. I came here a country boy and did not know very much but I now know lots more than when I came here. I have learned to fight some battles of life and God took me through and made me a conqueror. I was saved and sanctified when I came here but the Lord has taught me some wonderful lessons that have helped make me a success. I am determined to stay here until I get fully equipped for His service to preach full and free salvation. I am going through with the Lord and let Him have His way in my life. The glory holds good this morning.—

Fred Tock

I am glad the Lord has led me here, I tried for four years to get here. This has been the best year of my life. I have learned many lessons of trust and faith and had tests and trials but God has been with me—

Myrtle Golloday

It was at N. N. C. that I made the final decision and consecrated my life to God. I have learned to love this school. It has been a great help to me in getting settled and in establishing, for me, a strong christian character.—

Denise Rinker.

OUT OF DEBT CAMPAIGN PLEDGE
In consideration of the gifts of others, I hereby subscribe \$ to be paid to A. E. Sanner, Nampa, Idaho, Treasurer of the Finance Committee of the Northwest Educational Zone, to be applied on the liquidation of the present capital indebtedness of the Northwest Nazarene
College, Nampa, Idaho, as follows: Cash \$; the balance on or before December 1, 1927.
It is understood that all amounts in excess of the sum of \$5.00 shall be returned to the donors in case the Committee shall not be able to carry out their purpose in raising sufficient funds to satisfy the creditors of the College. This donation is made with the express understanding and agreement that it shall not be used in payment of any one claim but shall be held and retained in trust with other donations until sufficient funds have been raised as aforesaid, and any levy or attachment or any attempted levy or attachment by any one or more of the claimants shall void this donation and this donation shall be returned to the donor.

NEWS AND NOTES

COMMENCEMENT

Commencement week brought its regular round of programs with all the interest that always attends such activities, All the programs were indicative of hard work and careful thought. There were certain outstanding features, however. Among these were, the Grammar School graduation exercises, the Academy closing program and the expression recital given by Miss Carter.

With the final closing came the Baccalaureate sermon given by Rev. Russell V. DeLong, Acting President; there was a general feeling that this sermon was one of the best given to any graduating class from this institution. In the evening service of the same Sabbath Rev. Ephraim Wordsworth preached the ann sermon; this service also was a time of blessing. Dr. J. G. Morrison gave us a very able commencement address and this was followed by the conferring of diplomas and degrees by Professor DeLong.

The Commencement season witnessed one of the largest crowds in attendance of any commencement time and throughout the enthusiasm for the college seemed to rise and the expectation for the future increased.

THE ASSEMBLY

The recent Idaho-Oregon District Assembly held at Nampa was acclaimed by many to have been the largest and best in the history of the District.

Dr. R. T. Williams presided in his unique and businesslike manner.

The following delegates to the General Assembly were elected subject to the approval, of the 1928 Assembly: Dist. Supt. A. E. Sanner, Dr. J. G. Morrison, Dr. T. E. Mangum and Prof. Russell V. DeLong as elders and Miss Lida Chism, Mrs. A. E. Sanner, Mrs. A. C. Tunnell and Mr. Eugene Emerson as lay.

Thursday night was given for an Educational Service. Short addresses were made by Dr. Morrison, Prof. DeLong and Rev. J. C. Henson after which Dr. Williams made the main address of the evening, at the conclusion of which he proceded to take subscriptions for the Out-of-Debt Campaign. In a few minutes \$6200 was enthusiastically given. All hail the new day for Northwest Nazarene College.

WEDDING BELLS

At the last chapel service, May 29th., Mr. Harris B. Anthony and Miss Anna Good were united in marriage, the ceremony being performed by Acting President Russell V. DeLong assisted by the College pastor, Rev. R. J. Plumb. The service was unique in that it was the first time that a marriage had taken place in the chapel. Mrs. DeLong sang a solo and Professor Lauren Irwin played the march. The bride was attended by the bridemaid, Miss Nona Nan Sharp. The best man was Mr. Arthur B. Cook and the ushers were Messrs. Ivor Bartram and Carl Mischke.

Mr. and Mrs. Anthony are at present on their honeymoon in Canada. They will return here in the fall when Mr. Anthony will take up his duties in connection with the college. The faculty, student-body, directors and friends wish this couple the highest success in their life's work.

MISCELLANEOUS NOTES

Dr. J. G. Morrison left immediately following the Assembly for Hastings, Nebraska, to attend the Assembly there. The Lord has been blessing him in his work for the General Board.

Rev. R. V. DeLong remained a few days at the college at the close of the Assembly, then drove through to Spokane where he is to have charge of the church there for two months during the absence of Rev. H. B. Wallin, pastor.

Rev. J. C. Henson, is now en route with his family from Pasadena to Nampa; he comes by auto. Upon arriving he will prodeed to active work in the raising of the indebtedness for the college.

The Campus Echo

EDITORIAL

THE BALANCES

In many respects the human mind seems to function like a pair of balances. We are forever weighing, judging and evaluating not only the things which concern our own lives, but also the things which we see going on about us.

It is on the basis of these evaluating processes that we govern our relations with others. It is true that our evaluations are not always correct, for we cannot always know relevant conditions, but we have no better basis on which to govern our relations with others.

As we form opinions of others, so do they also judge and evaluate us. Each of us has an influence, and the world judges us not only as individuals, but as students of N. N. C. We have been studying under the most favorable of Christian influences, and by our words and actions people will judge not only N. N. C., but Christian Education as a whole.

Let us, during the coming months, hold high the blood-stained banner of Christ, and the standards of N, N. C., that others may get from our lives the inspiration and incentive to live better lives, and to draw closer to the Christ who has done so much for us.

DURING THE SUMMER

During the summer months the "Campus Echo" will continue to be a part of the "Nazarene Messenger". It will still be the N. N. C. student-body paper, and as such, its success will depend more than ever upon the support given to it by the student-body.

All students are requested to send stu-

dent news to Mr. Albert Harper, who will edit the "Campus Echo" during the summer. As the summer issues will consist chiefly of information relative to the whereabouts and activities of N. N. C. students, every student should co-operate and send all available news to Mr. Harper at Filer, Idaho.

THE GRINDSTONE

The cheapest life insurance is proper physical exercise.

A broken resolve invites defeat.

Life is but a short-time lease on eternity.

Authority is the backbone of the world.

Cheerfulness oils the machinery of life.

Any old horse can pull. It takes a man to get behind and push.

special and and the temporary and

Windjammers are going out of style. It takes steam to run things.

The stone of experience sharpens the blade of the mind.

The rudder of reason guides the course of every successful life.

Boost the Out-of-Debt Campaign.

Willis Clark says he can stand as much heat as anyone, as long as it doesn't get "too awfully" hot. Guess that's what everybody says.

THOUGHTS OF THE HOUR

Looking Back

Four years ago when I came to N. N. C. I was a wonderfully saved young Christian but I lacked much of faith, of character development, of knowledge concerning God's word, and of real establishment in the things of God. The hints of modern skeptical belief I had met with in High School presented a real problem to me. My mind demanded satisfactory explanations and often my efforts to trust and believe were crippled.

But how different it has been for me and many others since coming to N. N. C. Under the guidance of godly accomplished teachers, we have weighed our notions and rejected the inconsistent. We have fully surrendered our lives to the full plan of God. Our Christian characters have had a steady growth, but most of all, our faith and trust in God has grown. hundreds of answers to prayer, the numerous times when it seemed that God, Himself, has walked in our midst - these incidents can never be forgotten. They will be a help to us and a stimulant to our faith when we run up against some of the hard things of life.

One of the most enjoyable and valuable things we have found in a Holiness College, has been the delightful association with Christian young people - talented, consecrated, godly boys and girls. Some of them, who were here when we first came. are now across the ocean, or out in the home mission fields. Surely our prayers and gifts will be greater for the knowledge we have that those whom we know and love are depending on us to back them up here at home. Finally, we cannot help but be better Christians and better Nazarenes for having been a part of N. N. C. during our college days.

John Pattee, College '27

Looking Ahead

With a feeling of mingled joy and sadness we bid farewell to dear old N. N. C. She has stood nobly by us during the years of adjustment and preparation, and befriended us in times of stress and perplexity; we love her and loath to say goodbye. However, away down deeper than our affections and emotions is the call of God urging us out into active service. When we look out into the world we are overwhelmed by the numberless opportunities God has opened for young men and women who are prepared intellectually and spiritually and who will dare to trust Him.

Our Senior class this year is composed of three missionaries, one of these a nurse; another nurse who will labor at home; two preachers; two teachers and two members preparing for business. Each of us can see a great field of service stretching before us. We take a last lingering look at our Alma Mater, bid farewell to friends and class-mates, and go forth to fill the place our Master has reserved for us.

We are determined, one and all, that when our friends hear of us in the future they will hear that we are still loyal to our school and the pure, holy ideals she has ever held up before us.

Velma Mischke, College '27

The Last Week of the Semester

The last week of the semester is, to most students, the most important part of the entire school year. It is during the last week that we realize how much work we have left undone, how much we have neglected, and how much, or how little, we really know.

The last week is the time when the midnight oil burns brightly, when students go to bed in the morning instead of in the evening, and when tired minds and bodies ache for relief. But more than all this, the last week is the time when we see the mistakes of the semester which is almost past, when we make resolves to profit by our errors, and do better the next time because of the lessons which we have just learned.

THE LIFE WORTH WHILE

The life worth while is not a life lacking an aim, but one with an abiding purpose which is the incentive behind every noble act and the source of all worth while deeds. Alas for the man without a purpose! His frail barque is tossed hither and thither by the wild breakers of life's sea, and sooner or later they must surely dash it to destruction upon the treacherous reefs of discouragement. His barque is helpless in the tempest for it lacks the anchor of purpose. His life is a continuous succession of efforts that are futile. ineffective, hesitating and uncertain. He is continually intending, but rarely doing.

On the other hand, the life with the under current of an abiding purpose is as a rock. The storms may beat, and the waves run high, but far below the turbulent surface the anchor of purpose firmly grips the rock and an aim, as a harbor light gleams through the mist of the years with undiminishing rays, beckons him to something higher, more good and more noble, till at last he shall have anchored in the harbor of achievement. This is the life worth while.

College English I. Theme

In Theism Class

Mr. Metcalf: "It would seem to the casual reader as though man was created first and pronounced good, and that woman was then created as sort of an afterthought."

Mr. Dean: "I guess the Lord knew it would take a lot of trials, tribulations and opposition to bring out the best in man's nature. Woman was calculated to test him to the limit."

Somebody said that John Pattee has pretty eyes — when you look through the syrup pitcher.

Nearly everyone agrees that experience is the best teacher, but it seems that the tuition rates are almost exorbitant.

OLIVER

NOTICES

That Idaho weather is still unsettled; That sometimes it rains and sometimes it doesn't,

But that most of the students have left Idaho anyway.

That many good-byes have been said, That many sighs have been sighed, But some students will write long letters all summer.

That another school year has ended, That many things have been accomplished, But that greater things lie just ahead.

That the "Campus Echo" is still your paper,

That you should do your part By sending in your news.

That Oliver is very tired,
That he needs a rest,
That it begins right now.

The newly elected Board of Directors met during Assembly time and organized. The executive committee consists of E. Emerson, A. C. Tunnell, Dr. J. G. Morrison, R. V. DeLong and W. D. Parsons. The building committee consists of E. Emerson, A. C. Tunnell, Dr. J. G. Morrison, R. V. DeLong, John Nolt, I. W. Good, and Frank Powell.

Bright Student: "She's the best waitress of the three when the other two are out in the kitchen."
