

Richard Grenier Becomes Manager Of Campus Radio Station KROK

Richard Grenier, past assistant manager of Campus Radio Station KROK, has been appointed recently by the Student Council to the position of station manager. The managerial position was left vacant by the resignation of Paul Wright.

Grenier has been with the station since it first came under the control of NNC in January, 1952. He served as assistant business manager under Ross Carroll during spring semester last year. Beginning this year as business manager, he was advanced to assistant station manager with the resignation of Ronald Kirkpatrick last semester.

Beginning March 1, transmitter and studios of KROK will be located in the old home economics building. More live broadcasts, as well as a new organizational plan, are being prepared by the new staff. Several new offices will be created to diversify the load and produce more efficient operation.

Students and faculty are asked to contribute any suggestions they have which will aid in making the broadcast time of KROK more profitable. Suggestions may be taken to the studios or given to Richard Grenier or other members of the KROK staff.

Opportunity for new personnel on the staff of KROK will soon be extended to both men and women. All those interested in working at the station should contact Marvin Emrich for application cards.

James Martin To Address FTA Group

James Martin, professor of philosophy and religion at College of Idaho, will be guest speaker at the annual banquet of the Future Teachers of America. March 5 is the date set for the event, which is being held in Morrison dining hall.

Announce ADP-LSP Comedy Play Cast

When a young twentieth century engineer finds himself plunged into the medieval court of the noble King Arthur and finds himself in charge of royal affairs, the result is a confusion of aviation and armor, switchboards and sorcery, football and fable, swords and slang which make up the delightful plot of Mark Twain's famed comedy, "A Connecticut Yankee in King Arthur's Court."

ADP and LSP societies join talents in presenting the three-act production sometime during March. Members of the cast selected to date are Phil Peterson, Velma Poole, Ray Cooke, Don Fowler, Roy Puckett, Sue Wentworth, Geri Leih, Harold Weber and Noreen DeJong.

Rehearsals are under way, according to directors Marilyn Lutz and Carolemay Rapp. Committees for production will be chosen soon.

Men's Club Pours New Campus Walk

Fifty fellows worked last Saturday to complete the sidewalk from the administration building to the speech hall. This work was done under the supervision of contractor Charles Waller who donated his labor and machinery to the project.

Partial funds for the project were raised last fall when several of the boys worked in the fields to donate approximately \$100. A drive is being carried on to raise the \$50 still needed.

Rejuvenation of the "Crusader Charlie" waste cans was placed in the hands of Roger Wright. Assisting him in this project are Winton Miller, Glen Gertson and Doug Bond.

Marvin Emrich has been elected as fire chief. He is replacing Melvin Palmquist.

Another project planned is the sponsoring of the Four Flats in a program here at the college. The Four Flats are one of the outstanding barber shop quartettes in the Pacific Northwest.

If a man loves honesty and does not love study, his shortcoming will be a tendency to spoil or upset things.—Confucius.

CWB Alters Way Of Selecting Workers

"Christian Worker's Band has changed its method of selecting outpost workers," stated David Witt, president. A suggestion box and bulletin board, equipped with pencils and paper, will be placed in some central location. Those desiring to help in services sponsored by CWB should place a notice in the box 10 to 14 days in advance. It is requested that musical groups or revival teams file together.

A committee of five, the Scheduling Committee, makes the assignments and posts them on the bulletin board a week in advance. If a person cannot fill his assignment he should notify the committee by means of the suggestion box.

Duane Poplin, program chairman, says, "This system makes it possible to have a well-planned inspirational and devotional meeting on Thursday evening, instead of the usual business meeting." A committee of three will plan these programs which will include a devotional talk by one of the student preachers.

Recently Arlan Anderson, Bob Shafto, Bill Vimont, Duane Poplin and Don Thompson went to Richland, Wash., for a weekend meeting.

Another group composed of Dave Draper, Mary Mattson, Ron Beech and Neva Templeman went to Orofino, Idaho.

Ray Croskrey, Geri Leih, Bernice Egger and Lydia Angier traveled to Jerome for services.

George Ferguson, Noreen DeJong, Ardis Manley, Don Edwards, and Norman Crofford held a weekend meeting at Twin Falls.

Don Runyon, Wayne Smith and Donna Krause were in charge of the Sunday services at New Plymouth.

ADPs TAKE TREASURED FIRST SEMESTER FACULTY LOVING CUP

Winding up with a grand total of 3,924½ points, the Alpha Delta Phi society outclassed the other three societies by 1,110½ points and received the faculty loving cup for the first semester competition.

Nearest rival was the SLAs with 2,814 points. Third spot fell to the Olympians with a total of 2,726½ points and the LSPs came in on the bottom, accumulating 2,638 points.

"The Little Minister," presented by the combined ADP-Oly societies, rated first place. The production, bringing 1000 points to the winning societies, was directed by Lois Tracy and Eloise Tate. Lauren Sanders was first semester president of the ADPs.

Listed below are the various events scheduled first semester and the results of each, in their order.

Reveal Play Cast Of Oly-SLA Groups

Joan Boswell and Joan Embury, program chairmen for the SLA-OLY athletic literary society, have chosen "The Tangled Yarn" for their play this semester.

Written by Dagmar Vola, it is a comedy in three acts with twelve characters. The story involves three girls who live in an apartment together on a meager income. Complications arise when one of the girls wins \$5,000 in a contest.

Cast for the play includes Bonnie McGraw, Faye Clark, Eloise Tate, Clarice Harmon, Virginia Walton, Dera Lee Mitchell, Eugenia Steinbach, John Prince, Lyle Starkley, Don Edwards, Sam Scammon and Harold Stickney.

Messages on the doctrine and experience of entire sanctification will be delivered by D. Shelby Corlett, D. D., guest speaker chosen for the forthcoming Holiness Crusade to be held in College Church February 22-March 1.

Now in full-time evangelistic work, Dr. Corlett has recently been appointed editor of the Nazarene Preacher's Magazine. He served as the first general NYPS secretary of the denomination and later acted as Herald of Holiness editor for eight years. A brother of Lewis T. Corlett, former NNC president, he will be remembered from his earlier visits to the campus.

"Dr. Corlett is recognized as one of the outstanding holiness expositors and will bring us a tremendous wealth of experience and scholarship of entire sanctification," pointed out Rev. Eugene Stowe, College Church pastor.

Services will convene at 7:30 nightly and 9:40 a. m. Monday through Friday.

Must File April 23 Selective Service Applications Now

All eligible students who intend to take the Selective Service College Qualification Test in 1953 should file applications at once for the April 23 administration, Selective Service National Headquarters advised today.

An application and a bulletin of information may be obtained at any Selective Service local board. Following instructions in the bulletin, the student should fill out his application immediately and mail it in the special envelope provided. Applications must be postmarked no later than midnight, March 9, 1953. Early filing will be greatly to the student's advantage.

Results will be reported to the student's Selective Service local board of jurisdiction for use in considering his deferment as a student, according to Educational Testing Service, which prepares and administers the College Qualification Test.

... from the Presidential Desk

By Dr. John E. Riley

A green freshman college president has now become a veteran—of one semester. It has been a busy, exciting time—completing faculty and administration organization; keeping the campus functioning daily so that classroom and laboratory, dormitory and dining room, chapel and recreation, and all the extra-curricular activities synchronized; studying and evaluating our educational task in the light of Christian principles; giving attention to emergency problems as they arose; traveling to solicit for our mortgage reduction campaign, to represent the college at educational conferences and at denominational gatherings. Never a dull moment!

This veteran wishes to record a few of his impressions.

1. We have some fine team work here at Northwest Nazarene College. I wish to pay special tribute to our Finance Executive, Rev. L. Wesley Johnson; his assistant, Mr. Edward Harper; my secretary, Miss Aletha Bonner; our bookkeeper, Miss Beryl Hostetter; and the entire staff of the business office. They have caught the spirit of our Mortgage Reduction Campaign and have worked long, hard hours. They are loyal and cooperative, a real inspiration to me. The same has been true of Dean Thelma Culver and the members of the faculty; Mrs. Swann of the School of Music, divisional chairmen, and others have conferred long hours over our academic problems and their solution. It takes a large and loyal team to run this million dollar campus efficiently. With the superior key personnel we have the present task is made lighter and the promise of the future brighter.

2. There is room for improvement.

Academically, the task is never done. The teacher who quits learning himself no longer teaches. We must forever study to improve our educational processes.

Financially, the task is never done. That is not to say that we expect ever to be in a crisis, for we do not believe in a crisis psychology, nor in a crisis economy. A few years, and no less, should lift the College and Hospital from their present financial crisis; toward that we are laboring and praying. But there will always be need for some sacrifice and prayerful generosity, for this holiness college is supported only by voluntary gifts.

Organizationally, the task is never done. We are always oiling the machinery, replacing a worn part, working for greater efficiency in the complicated relationships of several hundred people on this campus.

3. This is a holiness college.

Beneath and beyond our educational task, at which we are working conscientiously, is our commitment to the wholesome standards and spiritual atmosphere which bespeaks holiness. That commitment, ladies and gentlemen, is not easily fulfilled. We who are chiefly responsible are not perfect ourselves, either in ultimate conduct or in judgment; and, if we were, we would still have to deal with hundreds of young people in the growing learning process. As your president I would not promise you that everything we do will please everyone. But we are certainly going to try for some kind of holiness consistency and, if anyone gets pinched in the process, please remember that the president will probably be pinched worst.

Say a prayer for a veteran—of one semester.

Engagements

Prof. and Mrs. F. C. Sutherland announce the engagement of their daughter, Ellen, to Darrel Reisch. Ellen is a member of the sophomore class. An early fall wedding is planned.

Mr. and Mrs. John Engel of Hal-kerk, Alberta, Canada, announce the engagement of their daughter, Hilda, to Mr. Richard Grenier. An August wedding date has been set.

Mr. and Mrs. George Blackburne of Rufus, Ore., announce the engagement of their daughter, Audrey, to Mr. Gilbert L. Schafer of Sunnyside, Wash. A summer wedding is planned.

Sorry

Is our face red! Through an oversight the name of Velta Jones was not included on the Dean's Honor Roll for first semester. Velta had a grade point average of 3.59, carrying 17½ hours. Our apologies.

LETTERS TO— —THE EDITOR

I think we owe the new administration a hearty vote of thanks and an added word of encouragement whenever we can give it.

The administration has shown an interest in student life by boosting several projects on the campus.

In addition to helping the Circle K sign project they have come to the aid of the band. The band has received a semi-private practice room and they have also been the recipient of some new instruments. This encouragement has given the band the boost it has needed for some time and we are finally getting a band of which we can be proud.

Other changes included the new studios now in the process of being completed for KROK. The administration has kindly consented to be of any assistance it can be in bringing quality broadcasting to our own campus. Other new developments have been small but greatly appreciated by the students.

Our Roving Reporter Reveals Her Findings

Our Roving Reporter this week went far afield and dreamed a little, as the question was asked: "If you had \$1,000 to give to NNC, for what purpose would you designate it?" Here are some of the answers we received.

From experience, Bob Willard feels the need for a new Orange Peril. "Another Chevie, of course."

Elna Funk would begin a fund to build a new music hall with sound-proof practice rooms.

"After we got the new gym, I'd put the money into starting a dramatics department," is the opinion of Gary Finkbeiner.

Wendell Poole would make his an LSP donation to the Byron Lee Memorial Gymnasium. "Because I think we need a gym more than anything else." Lots of Olys, ADPs and SLAs agreed with him.

"Hadley Hall needs it," Hansine Arneson thinks, "for new electrical wiring."

Also thinking of the dormitories, George Ferguson would pay for carpeting and sound proofing of Chapman Hall.

Several students including Audrey Nordmo would give their donation to Samaritan Hospital and School of Nursing.

Norm Crofford's gift would be a new Hammond organ for practice purposes. "It could go in the Young People's room at College Church."

Muriel Ivester would like better lighting in her corner of the chapel for easier studying.

"A lot of people think \$1,000 wouldn't go very far except on some particular building but I'd give mine for campus beautification—sidewalks, landscaping and paved streets," says Hal Weber. "I guess a thousand wouldn't do it, would it?"

Cold water fountains in the girls dorms are the dream of Juanita Pate.

Louisa Arnold would start a fund for a student union building with her \$1,000. A lounge, game and committee rooms, and coke bar would be located in the union, center for student activities.

"I'd redecorate the chapel," was Ron Moore's quick reply.

Jim Gilson thinks the science department needs more equipment and would give \$1,000 for that purpose—if he had it.

After the Christmas vacation, a student at Wyoming University remarked, "It isn't so bad to sleep through all your classes, but when you start to wake up automatically every 50 minutes during the night—you've had it."

The library at Brigham Young University, Utah, blushingly announced last week that one of its books, "The Myth of the Manuscript Found," is missing.

If a man loves courage and does not love study, his shortcoming will be unruliness or violence.

OUR SCHOOLS NEED AN S.O.S.?

Just what is wrong with our high schools and colleges? Never before has there been such a public outcry about the educational system. Are students being made Fascists by "red baiters" and "witch hunters?" Or is Communist infiltration in the schools endangering American free enterprise?

These are some of the questions asked and commented upon by Dorothy Thompson in "Do Our Schools Need an SOS" in the February LADIES HOME JOURNAL. That American public education has deteriorated in the last half century or less Miss Thompson thinks is true. She reports that college educators no longer find high-school pupils ready for them. European colleges, she says, are far above American levels now.

However, she does not think that the very small minority of political propagandists of any persuasion now teaching in the schools are responsible for this backslide. As the main reasons, she gives over-emphasis on the transient and controversial issues of the day and not enough groundwork in the classics or the humanities. Comparing her own education with that of the modern youngster, she says, "The pupil read the literature that had stood the tests of ever-changing time. He was not quizzed on the current Reader's Digest. The teacher had little opportunity and no encouragement to indoctrinate the student with his own political and social ideas . . . The pupil imbibed the spirit of America, to which later . . . to relate existing realities."

Finally, Miss Thompson calls for a "careful, unheated" examination of the material now being taught in the schools rather than the teaching methods themselves.

Mrs. John Riley Is Chosen State Judge

Mrs. John E. Riley has been chosen as one of three judges to select the Idaho Mother of 1953.

Mrs. John Brandt and Mrs. James Thurmond, both of Nampa, make up the committee from District 4.

"The only trouble with getting to class on time," comments the Dav-elier Daily, University of Virginia, "is that there is seldom anyone there to appreciate it."

A.C.P. Poll Against Communist Teachers In Nation's Colleges

(ACP) — Students are overwhelmingly against members of the Communist party teaching in the nation's colleges, but they're somewhat in favor of teaching jobs for former Communists. This was learned in a recent ACP National Poll of Student Opinion.

Results of the first question—Do you think avowed Communist party members should be allowed on college faculties?—are as follows:

Yes 9 per cent
No 85 per cent
No opinion 4 per cent
Other 2 per cent

The few students who say "yes" usually qualify it. "Communist teachers should be advertised as such," says a junior at the University of Nebraska. But a sophomore in law at Phoenix College, Arizona, says, "No, they should be shot down like dogs."

"It would be," declares a coed at Trinity College, D. C., "like permitting gangsters to teach high school boys; corrupt ideals would be instilled in their minds . . ."

The second question was: Do you think that former members of the Communist party should be allowed on college faculties?

Here are the results:
Yes 45 per cent
No 39 per cent
No opinion 9 per cent
Other 7 per cent

"College students are supposedly old enough to judge for themselves," says a senior in Education at the University of Idaho.

A freshman at California State Teachers' College, Pa., states, "I would like to hear lectures from a Communist, just for interest." She adds, "I am not a Communist."

Many students think former Communists would be good teachers because, as one student puts it, "They would know both sides."

An ACP survey last winter indicated that the majority of students were against loyalty oaths for college professors. The figures were: Approve, 39 per cent; disapprove, 47 per cent. Seventy-three per cent of the graduate students disapproved.

In the present survey, 60 per cent of the graduate students are in favor of college teaching jobs for former Communists.

ADP Girls Lead In Basketball Race

Edging out the LSPs in the last few seconds of the game the ADP girls took their third straight victory for this semester. Martha Hopkins took top honors with 14 of the team's 16 points for the ADPs. The hard fighting SLA girls chalked up a 25 to 3 victory over the Olys in the second game.

This semester's games were started with the ADPs and SLAs fighting hard for first place and the ADP team surging ahead to a 20 to 19 win after the SLAs had led for the last few minutes of the game. The LSPs won a hard-earned victory of 19 to 12 over the Oly team, which has been strengthened with the return of Lois Cramer and Ludella Heid.

Hopkins again took the lead in the ADP-Oly game with 14 points to her credit when the ADPs chalked up a 27 to 7 victory over the Oly team. In the second game the LSPs took a well-earned game with a 39 to 32 victory over the SLAs, placing them in second place, with their only defeat by the ADP team.

Oly Boys Edge Fighting ADPs

The Olys were in front all the way as they nosed out the fighting ADPs 38-34 last Friday. Myron Finkbeiner, Oly coach, paced all scorers with sixteen as he led his team to victory. Olson and Gale shared honors for the ADPs with ten each.

In their two previous games this season, the Olys whopped the LSPs 47-20 but were defeated by the SLAs 35-31. The ADPs, meanwhile, thumped the LSPs 45-33, but suffered defeat at the hands of the SLAs 46-34 with Bob Cantonwine scoring 22 points for the SLAs.

THE HEIGHT OF OPTIMISM

If anyone ever tries to convince you that the present NNC varsity basketball squad doesn't win because their fighting spirit dies off somewhere around completion of 20 or 25 minutes of play, just clip this little story and end the argument.

This is swiftly becoming the favorite story of Coach LaMont Lee as he reminisces the adventure of his teams of 1952-53:

The place—Seattle Pacific College, Seattle, Wash. The date—January 31, 1953. The setting—a basketball game between Seattle Pacific and Northwest Nazarene College. The score stands at 94-50, SPC leading, with one minute remaining in the game.

The weary, but still fighting Nazarenes call time out and circle around Coach Lee for last minute instructions. A towel is thrown into the circle with which the boys wipe off a large accumulation of perspiration from their brow. As Lee speaks to them, their optimistic ideas about their basketball fortunes is still running around the circle.

"Now, boys," quoting Coach Lee, "we've got a minute to go, the score's against us—but keep on fighting. Go out there and if you can, score a few points yourselves. But whatever you do, don't let e'm get a hundred on us."

The buzzer sounds an end to the time out period and the boys put their hands together in a gesture of unity as forward Hal Weber very optimistically shouts encouragement to his teammates, "Com' on, fellas, just twenty-two more baskets to go!"

The final score? Seattle Pacific 106, NNC 55.

The time is getting near when spring sports will be taking its usual place and the preliminary plans are now being made. A new sport is being introduced in which there

College, High School Girl All-Stars To Meet in Prelim Tilt

College girl's all-star team will meet an all-star high school basketball team tonight in a preliminary game at the College gym.

Game time has been set for 5 p. m. Selected from the four athletic-literary societies are Olys Margaret McClung, Neva Templeman, Lois Cramer; SLAs Betty Miralles, Eugenia Steinback, Joan Cook and Faye Clark. Lois Tracy, Miriam Faul, Noreen DeJong and Donna Nine come from the ADPs and the LSPs are contributing Connie Mitchell, Justine Reed and Ardis Manley.

The line-up for the high school team is not available as we go to press.

may be catches with other nearby colleges. Golf is new around the NNC campus insofar as intercollegiate competition is concerned. Dan Wright is the coach of the golf team which will start out with at least five experienced men, as well as ten to twelve others expected out for the start of the team. Bob Cantonwine, George Briggs, John Bullock, Ray Tate and Frank Deffries might be the makings of a good squad.

Tennis as usual will be a popular sport with all students and especially with Coach Myron Finkbeiner of the tennis squad who will also play against C of I and BJC. George Mowry is the only other regular back.

The first turnout for the track men was held on Tuesday but only for picture taking purposes. For track and baseball both, heavy training will begin about the first of March. The baseball team will be wearing all new suits this year and they have a good share of lettermen back. The track squad has lost one of its top men who has been a stalwart on the team for two years, Bob Burkhart. A track coach has not yet been appointed for the high school. Elmore Vail is taking care of high school baseball. Pop Frazier will be back to handle college baseball and Monty Lee will handle the college track squad.

College High to Host Invitational Tourney

It's tournament time for College High School. The annual CHS invitational tourney started last night in College gym with four of the five teams seeing action.

The field includes three sophomore teams from the High schools of Caldwell, Nampa and Boise, besides the Greenleaf Academy and the host CHS. Probably top-seeded for highest honors will be the powerful Boise club with a very successful Nampa team running second.

Spearheading the Boise attack is a tall, poised starting line-up which holds much promise for future varsity campaigns. Their season record is 14 wins against three losses including one defeat each at the hands of Caldwell and Nampa Junior varsities.

Playing a fast encounter with College High in Central Auditorium, Boise won handily by some 30 points but in a return engagement at Boise, they were forced into possibly their hardest work of the season before winning by a single point in a low scoring game.

Nampa High has an almost equally impressive record with the same number of wins as against five losses. Leading their attack is high scoring Carey and Hanway. Clark also is a very excellent floor man. In games against the Caldwell Sophs, Nampa has the upper hand with two wins while dropping one to the same club.

Greenleaf's Grizzlies have played the least number of games, a total of eight. They won their first outing of the season over Saint Teresa, 49-39 before bowing six times in a row. Included in those six losses is a 70-37 thumping by Boise Sophs and a 53-45 loss to College High. Besides those, Nampa won twice, 58-45 and a very close 53-52. Caldwell also took one 53-32, so the Grizzlies have played the entire tournament field at least once over their skimpy season.

Their second victory was over College High, 35-25.

The season record for CHS is a poor 6-12, but they will prove trouble to the favorites on their performances against such and their

SLAs Take Lead In Society Basketball

SLAs, with three ex-varsity men, Cantonwine, Dean and Aller, proved too much for the weaker LSPs as they trounced them 56-12 in an intramural basketball contest last week. This left the SLA men in first place while the LSPs retained their cellar post.

Cantonwine of the SLAs was high point man with 14, followed closely by Dean and Bullock with ten each. The LSPs have a three-way tie for high point honors with P. Miller, Peterson and Williamson receiving four points each.

steady improvement. In the season opener, CHS beat Nampa Sophs who won in a return outing and later held Boise to a hard-earned one-point decision.

High scorer for the Trojans is Roger Hitchcock, a junior forward, followed by the one who may be the tinites player in the field, 5'4" Ronnie Kratzer. Hitchcock's steady play has made him high scorer thus far by a wide margin.

College High split with Greenleaf as they did with Nampa.

The record of Caldwell High Sophs is five wins as against eight losses. Their victims also include Boise and Nampa, but little else is known of them.

Last night at 7:00, Nampa and Greenleaf started the tourney off, followed by Caldwell against College High. Boise drew a first round bye into an automatic semi-final berth.

Tonight starting at 7:00 again, the loser of last night's first game will meet the loser of No. 2. At 8:00 the winner of No. 2 will meet Boise for the right to enter the finals against the winner of game No. 1, who draws an automatic bye into the finals.

The loser of tonight's first game is eliminated (5th place) while the winner plays the loser of No. 4 for third place. This will be a preliminary to the championship affair on Saturday.

Trophies will be awarded for 1st, 2nd and 3rd places.

Admission prices are 75 cents for adults and 35c for students.
